REACTIVATION APPLICATION—CHIROPRACTOR

APPLICANT INSTRUCTIONS

Mandatory Practice Act. Colorado has a mandatory practice act, which means that you may not practice as a Chiropractor in this state without a Colorado license. Submission of this application does not guarantee licensure. Therefore, do not make life or career decisions based on the probability that you may receive a license. Plan ahead for the time it will take for us to receive all required documents and complete our evaluation.

Basic Requirements. Requirements for licensure are outlined in the Colorado Revised Statutes, specifically 12-33-101, and the Board's Rules and Regulations. These documents are available online at www.dora.state.co.us/chiropractic.

In compliance with the Michael Skolnik Medical Transparency Act of 2010, licensees are required to complete an online Healthcare Professions Profile on our website at www.dora.state.co.us/hppp.

About the Application. This application is to be completed by you and returned to the Office of Licensing. All questions on the application are mandatory, and all supporting documents must be submitted with the application. The application forms must be completed in original ink or typed. Keep a copy of the completed application and supporting documents for your records. Failure to complete the application thoroughly or to submit all supporting documents may delay processing.

Application Expiration. Your application will be kept on file for one (1) year from the date of receipt in the Division. Your file and all supporting documentation will be purged if you do not submit required documents and complete your application process within one year. You will need to submit a new application packet and fee after that time.

Social Security Number is Required. Effective January 1, 2009, a Social Security Number is required for all licensees. The Division will consider an application to be incomplete when the applicant fails to submit his/her Social Security Number. Exceptions are made for foreign nationals not physically present in the United States and for non-immigrants in the United States on student visas who do not have a Social Security Number. These applicants must submit a signed Social Security Number Affidavit in lieu of a Social Security Number. You may call (303) 894-7800 to request that an affidavit be mailed to you.

Disclosure of Addresses. Consistent with Colorado law, all addresses and phone numbers on record with the Division are public record and must be provided to the public when requested. It is your responsibility to keep your address and contact information up-to-date in our database. All letters, renewal notices, and licenses are mailed to the last known address of record. **If your address is not current, it is possible you will not receive important documents.** You can change your address online by using Registrations Online Services at www.doradls.state.co.us.

APPLICANT CHECKLIST

To apply to reactivate your inactive Chiropractor license:

- Complete the attached application.** Return the completed application and all supporting documentation to the Office of Licensing.
- Enclose the non-refundable application processing fee.** See page 1 of the application form for current fees. Fees may be paid by a check or money order drawn in U.S. dollars on a U.S. bank and made payable to *State of Colorado*. All fees are non-refundable and subject to change every July 1.
- Provide documentation of any name change.** If your name has changed since you obtained a previously-issued license, or if your name is different on any of your supporting documentation, you must provide a copy of the legal document verifying the name change (i.e., marriage license, divorce decree, or court order).
- Complete a Healthcare Professions Profile.** In compliance with the Michael Skolnik Medical Transparency Act of 2010, you are required to complete an online profile on our website at www.dora.state.co.us/hppp. You cannot start your profile until the Division of Registrations receives your application and enters it into our database. Allow 10 days from the date your application was mailed before accessing the website. If you have questions or technical issues regarding your online profile, contact the Healthcare Professions Profiling Program at hppp@dora.state.co.us or (303) 894-5942.

IMPORTANT NOTICE

TO: All Applicants

FROM: Rosemary McCool, Director, Division of Registrations

SUBJECT: Licensure and Criminal History

Thank you for your interest in becoming a licensed* professional within the Division of Registrations. Before you submit your application, please be aware of a few facts regarding criminal conduct, convictions, and disciplinary actions in other states.

The mission of the Division of Registrations is “public protection through effective licensure and enforcement.” One way the Division safeguards consumers is by issuing licenses to fully qualified, competent, and ethical applicants.

During the licensing process – and depending on the specific application – the Division will ask whether you have ever been disciplined in any state, arrested, charged, convicted, or pled guilty to a crime. An arrest, subsequent criminal conviction, or disciplinary action is not an automatic disqualification from licensure. Instead, the appropriate board or program will look at the facts surrounding the criminal conduct and disciplinary action to determine whether you are fit for licensure. You should know that licensure is a privilege, not a right. One thing you must do to obtain the privilege is to be completely honest on your application.

Be sure to list all relevant complaints, disciplinary actions, arrests, charges, or convictions in response to the licensure questions. Failure to fully disclose could constitute grounds alone for denial of your application or revocation of your license. More important, avoid some of the common excuses we have heard from people who failed to disclose, such as:

- My attorney told me I didn’t have to disclose the criminal conduct or disciplinary actions.
- I didn’t think the prior conduct had anything to do with the profession.
- I didn’t think the disciplinary action, arrest, charges, or conviction was still on my record.
- I didn’t think it was subject to disclosure because I received a deferred sentence/judgment.

Remember, there is no excuse not to disclose disciplinary actions and criminal conduct. Even after licensure, you are still required to notify your professional licensing board or program about subsequent convictions and disciplinary actions in other states.

The Division conducts audits of its licensing database against several criminal and national disciplinary databases. This allows the Division to verify the truthfulness of your application and track subsequent criminal and disciplinary conduct after initial licensure. Keep in mind, you will not necessarily be revoked or denied a license if you have been disciplined, arrested, charged or convicted, but you will most likely be denied or revoked if you fail to disclose it.

**The word "license" is used as a general term. While most of the professions and occupations are licensed, others may be registered, certified, or listed. For precise terminology and requirements related to a profession or occupation, please consult the [website](#) of the appropriate board or program.*

The content of this application must not be changed. If the content is changed, the applicant may be referred to the Colorado State Attorney General's Office for violation of Colorado law.

Fees may be paid by check or money order drawn in U.S. dollars on a U.S. bank and made payable to *State of Colorado*.
