1. DEFINITIONS

1.1 "Board" is the Colorado State Board of Nursing

1.2 "Nurse aide training program" is a course of study which is approved by the Colorado State Board of Nursing or the appropriate authority in another state or territory of the United States which meets the requirements of the Omnibus Budget Reconciliation Act of 1987.

1.3 "Competency evaluation" is the evaluation instrument approved by the Board consisting of both a written and a manual skills component.

1.4 "Executive Officer" is the chief officer employed pursuant to section 12-38-107 C.R.S. The executive officer has been delegated authority to administer examinations, issue certificates by endorsement and examination, and to renew certificates.

1.5 "Endorsement" is the process of obtaining certification as a nurse aide by the Board upon the Board's determination that the applicant is certified to practice as a nurse aide by another state or territory of the United States with requirements that are essentially similar to the requirements of Colorado.

2. CERTIFICATION BY EXAMINATION

2.1 The Board shall review and may accept a Competency evaluation for nurse aides.

2.2 The contract for the use of the Competency evaluation shall be negotiated and approved by the executive officer or designee in the absence of the executive officer.

2.3 The Competency evaluation shall be administered at least quarterly. Notification of any applicable administration dates, deadlines, and sites shall be sent to all active approved nurse aide training programs in the state.

2.4 In the event that applicant examination materials are lost or destroyed through circumstances beyond the control of the Board, the applicant will be required to retake the Competency evaluation(s) in order to meet requirements for certification.

2.5 Applicants shall be informed in writing regarding the results of the competency evaluations.
