Title: On-Net Promotion

Prpsd Effective Date: 04/21/2003

Desc: The On-Net Promotion offers eligible customers two free months of service for (as described below) for each year of their term commitment and a reduced installation fee. This promotion is available to new customers, defined as customers who have not received service from the company for at least one year prior to receiving service under this promotion, and existing company customers who add new service locations, defined as a customer location that has not received service from the company for at least one year prior to receiving service under this promotion. In order to be eligible for this promotion, customers must subscribe to the service listed below, for a two or three year commitment, between April 21, 2003 and June 30, 2003; and service must be provided via company on-net facilities. All customers are also required to meet minimum revenue commitments. Services offered under this promotion: any XOptions that includes Dedicated Internet Access; ISDN PRI; Switched T1; network access for DS1 private lines; or local lines and trunks. All products with a DSL component and XOptions M - Satellite Office Solutions are ineligible for this promotion. Customers receiving local line or trunk service under this promotion must purchase a minimum of ten local lines or trunks. The free months will be the 7th, 13th, 19th, 25th, 31st, and 37th months of customer's contract and, because company bills in advance for recurring charges, will appear as automatic credits on the customer's account in the customer's 6th, 12th, 18th, 24th, 31st, and 36th billing cycles. The free month is defined as the applicable monthly recurring charge (MRC) for the product(s) chosen by the customer. Credits for monthly recurring charges do not include usage, taxes, user fees, or surcharges. Customers signing a two year term will also receive a 50% discount off the installation charges associated with the service chosen. Customers signing a three year term will also receive a waiver of the installation charges associated with the service chosen. This promotion may not be combined with any other promotion or offer and will be available until June 30, 2003, unless sooner canceled, withdrawn or modified. In cases where the free month is outside of the customer's contract term, all contract terms and conditions apply.

Prpsd Effective Date: 05/27/2003 **Desc:** Filing of 10% Savings Off Long Distance Promotion. Beginning May 24, 2003, new Sprint residential customers may be eligible to receive a ten percent discount. In order to be eligible for this promotion, a customer must be an Abilizer customer and subscribe to the promotion online as set forth on Abilizer's web site. The ten percent discount will be applied to Dial-1, FONCARD, toll free, in-state, and state-to-state usage. The discount will not apply to surcharges or taxes. The discount will appear as a credit on the customer's first partial invoice and next five invoices. This promotion is not available to Sprint employees. If a customer cancels Sprint service, no promotional benefit will be given to the customer on the customer's final invoice. Instead, the base rate of the customer's underlying service will apply. This promotion shall remain in effect through December 31, 2003, unless sooner changed or canceled by Sprint.

Title: Replacing PUC No. 1 in its entirety

Prpsd Effective Date: 09/07/2003

Desc: Filing to replace Colorado PUC No. 1 in its entirety. Rates from Colorado PUC No. 1 are grandfathered in Section 4.13 so as not to effect rates that are being charged to existing customers. PUC No. 2 is updated with the new local exchange area definitions and maps as well as introducing new pricing plans. These plans are not an increase in rates rather an expanding of existing services and pricing plans.
