Re: *Ex Parte* Disclosure Letter, Docket 08I-420EG

Dear Mr. Dean:

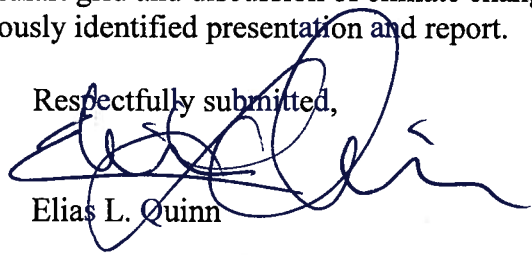

I submit this disclosure letter in Docket No. 08I-420EG, pursuant to Commission Decision Number C08-0448.

This disclosure is being filed within two business days following a permitted *ex parte* communication with a Commissioner. As required, this disclosure states the time, date, and place of the meeting, lists the persons attending and contains a summary of the topics discussed.

This letter serves as disclosure of two separate meetings. The first meeting was between me and Commissioner James Tarpey from 1:30 p.m. to 2:30 p.m. on Tuesday, May 12, 2009, at the offices of the Public Utilities Commission of the State of Colorado ("Commission"). Also in attendance were Barbara Fernandez, Gene Camp, Sharon Podein, and Geri Santos-Rach of the Commission's Staff and Brad Bernthal of the University of Colorado Law School. The meeting included discussion of privacy issues related to the smart grid. I also provided a presentation entitled "Privacy and the Smart Grid" and a report entitled "Smart Metering & Privacy: Existing Law and Competing Policies." These documents are attached per Commission requirements.

The second meeting was between me and Commissioner Matt Baker from 2:30 p.m. to 3:30 p.m. on Tuesday, May 12, 2009, at the offices of the Public Utilities Commission of the State of Colorado ("Commission"). Also in attendance were Barbara Fernandez, Gene Camp, and Geri Santos-Rach of the Commission's Staff. The meeting included discussion of privacy issues related to the smart grid and discussion of climate change issues. I also provided a copy of the previously identified presentation and report.

Respectfully submitted,

Elias L. Quinn
