NOTICE OF A CHANGE IN THE ELECTRIC RATES OF
PUBLIC SERVICE COMPANY OF COLORADO
1225 17TH STREET, DENVER, COLORADO 80202

You are hereby notified that Public Service Company of Colorado has filed with the Colorado Public Utilities Commission to increase electric rates for all customers through the Renewable Energy Standard Adjustment (RESA), to become effective January 1, 2009.

The RESA funds are tracked in a segregated account specifically designated for meeting the requirements of the renewable energy standard and for paying the incremental costs of renewable energy.

<u>Current RESA</u>	<u>Proposed RESA</u>
1.46%	2.0%

The effect on the Company's annual revenue will be an increase of approximately \$13.2 million. The average monthly impact for customers by rate class is projected to be as follows:

<u>Rate Class</u>	<u>Rate Schedule</u>	<u>Monthly Bill Impact</u>	<u>Percent Change</u>
Residential	Schedule R	\$ 0.33	0.54 % increase
Small Commercial	Schedule C	0.52	0.53 % increase
Commercial & Industrial Secondary	Schedule SG	11.17	0.53 % increase
Commercial & Industrial Primary	Schedule PG	155.38	0.53 % increase
Commercial & Industrial Transmission	Schedule TG	2,744.95	0.53 % increase

The proposed and present tariffs are available for examination and explanation at the business office of Public Service Company located at 1225 17th Street, Suite 1000, Denver, Colorado 80202 and at the Public Utilities Commission of the State of Colorado, located at 1560 Broadway, Suite 250, Denver, Colorado 80202.

Anyone who desires may file written objection. The filing of a written objection by itself will not allow you to participate as a party in any proceeding on the proposed rate changes.

If you wish to participate as a party in any proceeding established in these matters, you must file written intervention documents under applicable rules.

Anyone who desires to file written objection to the proposed action, shall file it with the Colorado Public Utilities Commission, 1560 Broadway, Suite 250, Denver, Colorado, 80202 at least seven days before the proposed effective date of January 1, 2009.

The Public Utilities Commission may hold a hearing to determine what rates, rules and regulations will be authorized. If a hearing is held, the Commission may approve or reject the Company's requested rate increase.

Date of Notice: December 1, 2008

The rates, rules and regulations ultimately authorized may or may not be the same as those proposed and may include rates higher or lower than those proposed or currently in effect.

Anyone who desires to receive notice of any hearing, shall file a written request for notice with the Public Utilities Commission, at the above address at least seven days before the proposed effective date.

If a hearing is held, any member of the public may attend and may make a statement under oath about the proposed decrease, whether or not he or she has filed an objection or intervention.
