1. The last sentence of paragraph 5 on page 2 of this Decision reads as:

At least one half of those MHs (or 11,574 MHs) must be from retail distributed generation (RDG) resources.

That sentence that one half of the MHs or 11,574 MHs must be from retail distributed generation resources. That is incorrect. The sentence should state that one half of the MWhs must be from

retail distributed generation resources. The last sentence of paragraph 5 shall be amended to read as follows:

At least one half of those MWhs (or 11,574 MWhs) must be from retail distributed generation (RDG) resources.
