PROCEEDING NO. 23A-0070BP-TA

IN THE MATTER OF THE APPLICATION OF FLATIRONS TRANSPORTATION LLC DOING BUSINESS AS GREEN RIDE CHARTER SERVICES FOR TEMPORARY AUTHORITY TO OPERATE AS A CONTRACT CARRIER BY MOTOR VEHICLE FOR HIRE.

**COMMISSION DECISION GRANTING
TEMPORARY AUTHORITY**

Mailed Date: March 1, 2023
Adopted Date: March 1, 2023

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On February 10, 2023, Flatirons Transportation LLC, doing business as Green Ride Charter Services (Applicant),¹ filed an application for temporary authority to conduct operations as a contract carrier of passengers by motor vehicle for hire.

2. Applicant requests temporary authority for 90 days to operate as a contract carrier and provide transportation for Hensel Phelps in Boulder, Colorado, as more fully described in the Appendix attached to this Decision.

3. The Commission gave notice of the application on February 13, 2023, for a period of five days in accordance with § 40-10.1-204(4), C.R.S.

4. There are no interventions opposing a grant of the application.

¹ Applicant currently operates under Certificate of Public Convenience and Necessity PUC No. 55893 with the trade names Green Ride Boulder &/or Boulder Shuttle.

5. Pursuant to § 40-10.1-204(1), C.R.S., the Commission may, in its discretion and without hearings or other proceedings, grant temporary authority for contract carrier service when “there appears to be an immediate and urgent need to any point or within a territory having no such service capable of meeting the need.” Such temporary authority is valid for not more than an aggregate of 180 days.

6. In support of the temporary authority, the requisite customer support letter from Hensel Phelps states:

Hensel Phelps Construction Co. would like to contract shuttle services from [Applicant] to move employees and contractors between an outlying parking area located at the east campus of the University of Colorado, on Discovery Dr. and Colorado Blvd, in Boulder Colorado to a construction project located at 1295 University Ave, Boulder CO 80301.

The application states that the contract is proposed to start on March 13, 2023.

7. The Commission finds and concludes that the information submitted with this application shows that an immediate and urgent need for the requested transportation service exists, and there is no other carrier capable of meeting the need.

8. Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought.

9. This application for temporary authority is in the public interest and will be granted for the requested 90 days.

10. Applicant is advised that the grant of a temporary authority creates no presumption that a permanent authority will be granted.
