I. STATEMENT

A. Background

1. On December 12, 2022, Black Hills Colorado Gas, Inc. (Black Hills) filed a Verified Application (Application) seeking approval of its proposed gas hedging program for its system gas supply for the period from July 1, 2023, to June 30, 2024.

2. On December 13, 2022, the Commission issued a notice of the Application.

3. On January 6 and 19, 2023, the Office of the Utility Consumer Advocate (UCA) and Trial Staff of the Commission (Staff) filed Notices of Intervention by Right, respectively.

4. On January 25, 2023, the Commission deemed the Application complete and referred the proceeding to an Administrative Law Judge (ALJ) by minute entry. The proceeding was subsequently assigned to the undersigned ALJ.

5. On February 8, 2023, the ALJ issued Decision No. R23-0085-I that scheduled a remote prehearing conference for February 23, 2023, and required the parties to confer about a procedural schedule and Black Hills to file a report of the conferral by February 17, 2023.

6. On February 14, 2023, Black Hills filed the Conferral Report. In it, Black Hills reported that the parties had agreed to the following procedural schedule (Consensus Schedule):

<u>Event</u>	<u>Deadline</u>
Answer Testimony	April 6, 2023
Rebuttal/Cross-Answer Testimony	May 4, 2023
Prehearing Motions	May 15, 2023
Stipulation(s) and Settlement Agreement(s) Hearing Witness Matrix Corrections to Pre-Filed Testimony	May 19, 2023
Hearing	May 25, 2023
Statements of Position	June 8, 2023

Black Hills also reported that the parties agree that: (a) Commission Rule 1405 will govern discovery; and (b) the hearing should be conducted remotely.

B. Extension of Deadline

7. As stated in the Notice, because Black Hills filed testimony with the Application, the Commission is required by § 40-6-109.5(1), C.R.S., to issue its decision within 120 days of the Application being deemed complete by the Commission. Thus, the Commission's decision in this proceeding must issue by May 25, 2023. However, § 40-6-109.5(1), C.R.S., also provides

that the Commission may, in its discretion and by a separate decision, extend the time for a decision by an additional 130 days.

8. Here, considering the Consensus Schedule proposed by the parties, the time available, the time necessary to address other pending matters, and the need for the Commission to have adequate time to deliberate on the issues presented in this matter, it is not feasible for a final Commission decision to issue by May 25, 2023. Accordingly, pursuant to § 40-6-109.5(1), C.R.S., it is necessary to extend the deadline for an additional 130 days to October 2, 2023.

C. Pre- and Post-Hearing Schedule

9. The Consensus Schedule and the parties' proposal to shorten discovery response time as described above will be accepted.

10. In order to efficiently organize the numbering and preparation of exhibits for the hearing, all parties must use a unified numbering system for all hearing exhibits. Blocks of hearing exhibit numbers are assigned as follows:

- Black Hills is assigned hearing exhibit numbers 100 to 199;
- Staff is assigned hearing exhibit numbers 200 to 299; and
- UCA is assigned hearing exhibit numbers 300 to 399.

D. Remote Evidentiary Hearing

11. As agreed to by the parties, the evidentiary hearing shall be scheduled for May 25, 2023. Based on the input of the parties, the hearing will be conducted as a remote hearing. This Decision and Attachments A and B provide critical information and instructions to facilitate holding the remote hearing, which all parties must follow.

12. To minimize the potential that the remote hearing may be disrupted by non-participants, the link, meeting ID code, and passcode to attend the hearing will be provided to the participants by email before the hearing, and the participants will be prohibited from distributing that information to anyone not participating in the hearing.

13. Attachment A to this Decision provides the information addressing how to use the Zoom platform for remotely participating in the hearing. Attachment B outlines procedures and requirements for marking and formatting exhibits to facilitate the efficient and smooth electronic evidence presentations at the hybrid hearing. It is extremely important that the parties carefully review and follow all requirements in this Decision and Attachments A and B.

E. Remote Prehearing Conference

14. The Conferral Report comprehensively addressed all of the issues the ALJ intended to address at the remote prehearing conference. Accordingly, the remote prehearing conference scheduled for February 23, 2023, will be vacated.

II. ORDER

A. It Is Ordered That:

1. For the reasons stated above, the deadline for a Commission decision on the Application filed in this proceeding is extended to October 2, 2023.

2. The pre-hearing and post-hearing schedule stated in paragraph 9 above is adopted.

3. A remote hearing in this proceeding is scheduled as follows:

DATE: May 25, 2023

TIME: 9:00 a.m. to 5:00 p.m.

METHOD: Join by video conference using Zoom at the link to be provided in an email from the Administrative Law Judge¹

4. Nobody should appear in-person for the remote hearing.
5. The remote prehearing conference scheduled for February 23, 2023, at 10:00 a.m. is vacated.
6. This Decision is effective immediately.
