**COMMISSION DECISION GRANTING
PERMANENT AUTHORITY SUBJECT TO CONDITIONS**

Mailed Date: February 21, 2024

Adopted Date: February 14, 2024

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On December 29, 2023, Flatirons Transportation LLC, doing business as Green Ride Boulder &/or Boulder Shuttle &/or Green Ride Charter Services (Green Ride Boulder), filed an application for permanent authority to operate as a contract carrier of passengers by motor vehicle for hire.

2. Green Ride Boulder, in this application, requests the following permanent authority:

Transportation of passengers between a parking lot located at 4000 Discovery Drive, Boulder, Colorado, on the one hand, and a construction project site located at 1550 Central Campus Mall, Boulder, Colorado, on the other hand. This application is restricted to providing transportation services for Dynalectric, 345 Sheridan Boulevard, Lakewood, Colorado 80226.

3. The Commission noticed this application to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on January 8, 2024.

4. No petition to intervene or otherwise participate in this proceeding has been filed. This proceeding is uncontested. Under § 40-6-109(5), C.R.S., this matter may be determined without a hearing.

5. Pursuant to Rule 6203(a)(XVIII) of the Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* 723-6, the Commission finds that the information submitted with this application by the owner of Green Ride Boulder and the manager of Dynalectric warrants the granting of the requested contract carrier authority.

6. The Commission also finds that Green Ride Boulder is fit to perform the service as requested; a present and special need for the requested transportation service exists; and a grant of the requested authority will not impair the efficient public service of any authorized common carrier adequately serving the same territory over the same general route or routes.

7. This application for permanent authority is in the public interest.

8. Green Ride Boulder is granted, subject to conditions, a permit to operate as a contract carrier of passengers by motor vehicle for hire as set forth in the Appendix attached to this Decision. The grant of the permit to operate as a contract carrier of passengers by motor vehicle is conditioned upon Green Ride Boulder's full compliance with the requirements contained in this Decision.

9. If Green Ride Boulder fails to comply with the requirements named in Ordering Paragraph No. 3 within 60 days of the effective date of the Decision, the requested permit will be deemed denied and Green Ride Boulder will not be granted the requested permanent authority; the permit shall not be issued; and Green Ride Boulder shall not be permitted to operate under the requested contract carrier authority. No further action of the Commission is required.

10. For good cause shown, the Commission may grant additional time for compliance with Ordering Paragraph No. 3 if the request for additional time is filed within 60 days of the effective date of this Decision.

11. The Commission will notify Green Ride Boulder in writing when the Commission's records demonstrate it has fully complied with the requirements named in Ordering Paragraph No. 3. Green Ride Boulder shall not begin operations without the receipt of written notification of compliance from the Commission.
