REQUEST FOR ALTERNATIVE FORM OF NOTICE**

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On April 1, 2024, pursuant to § 40-3-104(1)(c)(I)(E) C.R.S. and Commission Rule 4 *Code of Colorado Regulations* (CCR) 723-1207(b) of the Commission's Rules of Practice and Procedure, Black Hills Colorado Electric, LLC (Black Hills or Company), filed a Motion for Approval of Alternative Form of Notice (Motion) applicable to Advice Letter No. 867-Electric. By Advice Letter No. 867-Electric, Black Hills seeks to amend its Transportation Electrification Programs Rider ("TEPR") rate, contained on Tariff Sheet No. 112 in the Rates section of its Colo. P.U.C. No. 11-Electric Tariff. The TEPR is applicable to all retail customers.

2. Black Hills' filing amends its TEPR rate on Tariff Sheet No. 112, in the Rates section of its Colo. P.U.C. No. 11-Electric Tariff. The proposed tariff amendments will decrease the TEPR from \$0.00022/kWh to \$0.00020/kWh for Residential customers, from \$0.00017/kWh to \$0.00016/kWh for Small General Service customers, from \$0.04642/kW to \$0.04339/kW for

Large General Service customers, from \$0.04934/kW to \$0.04642/kW for Large Power Customers, from \$0.00021/kWh to \$0.00019/kWh for Lighting customers, and from \$0.00026/kWh to \$0.00024/kWh for Irrigation customers. The proposed tariff amendments will increase the annualized TEPR revenues by approximately \$17,000 beginning June 1, 2024.

3. Black Hills seeks Commission approval to use the following forms of alternative notice:

- a. Filing with the Commission, and keeping open for inspection, Advice Letter No. 867-Electric, which amends its TEPR rate, on Tariff Sheet No. 112, in the Rates section of its Colo. P.U.C. No. 11-Electric Tariff. The Company will also post on its website at the time of filing: (1) a Customer Notice attached herewith as Attachment 1 – Customer Notice (“Customer Notice”) and (2) Advice Letter No. 867-Electric and its accompanying tariff sheet, for thirty (30) days. The website posting will include a reference to the applicable proceeding number. The applicable website address for the posting of Advice Letter No. 867-Electric, Attachment 1 – Customer Notice, and the accompanying tariff sheet is:
<http://www.blackhillsenergy.com/rates/applications>.
- b. Printing a message on each applicable customer’s bill providing the website URL for the Customer Notice and Advice Letter No. 867-Electric and its accompanying tariff sheet, and a toll-free phone number for assistance, beginning within one week of the filing of Advice Letter No. 867-Electric. The bill messages will run for one full billing cycle. The bill messages, by customer class, read as follows:

Residential:

“We filed to amend our TEPR rate to \$0.00020/kWh. The revision will decrease annual revenues by \$17k. An average monthly residential bill will decrease \$0.01 from \$113.15 to \$113.14, or -0.01%. Call (888) 890-5554 or visit blackhillsenergy.com/filings for more details.”

Small Commercial:

“We filed to amend our TEPR rate to \$0.00016/kWh. The revision will decrease annual revenues by \$17k. An average small commercial bill will decrease \$0.02 from \$372.36 to \$372.34, or -0.01%. Call (888) 890-5554 or visit blackhillsenergy.com/filings for more details.”

Other Customers:

“We filed to implement our TEPR rates.

The revision will decrease annual revenues by

\$17k. Customers can call (719) 546-5847

for information on how the proposed

amendment may affect them.”.

- c. Publishing a legal notice of Advice Letter No. 867-Electric (*i.e.*, Attachment 1 – Customer Notice), with size dimensions of four columns width and 11 inches height, in three newspapers of general circulation for the service territory: 1) The Pueblo Chieftain (two consecutive Tuesdays); and 2) the Cañon City Daily Record (two consecutive Fridays); and 3) the Rocky Ford Daily Gazette (two consecutive Thursdays).

4. Black Hills argues there is good cause for the alternative form of notice requested by this Motion. Black Hills believes that through noticing customers via bill messages, legal notice publication, and the required website posting, the Company will be able to reach all customers in the service territory in an affordable and efficient manner.

5. Pursuant to § 40-3-104(1)(c)(I)(E), C.R.S., and 4 CCR 723-1-1207(b) a utility may request to provide an alternative form of notice of proposed tariff changes. We find that the alternative forms of notice Black Hills proposes in its Motion will provide sufficient notice to its customers and will do so efficiently. We therefore find good cause to approve the alternative forms of notice Black Hills requests.

II. ORDER**A. It Is Ordered That:**

1. The Motion for Approval of Alternative Form of Notice filed by Black Hills Colorado Electric, LLC on April 1, 2024, is granted.

2. This Decision is effective on its Mailed Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING
April 10, 2024.**
