**COMMISSION DECISION GRANTING APPLICATION
AND DEEMING APPLICATION COMPLETE**

Issued Date: June 26, 2024

Adopted Date: June 26, 2024

I. BY THE COMMISSION

A. Statements

1. Public Service Company of Colorado doing business as Xcel Energy (“Public Service” or “Applicant”) filed a verified application to update its Steam Cost Adjustment (“SCA”) rates. Public Service seeks a Commission order authorizing it, without a formal hearing and on less-than-statutory notice, to place into effect on July 1, 2024, a tariff resulting in an overall decrease to its existing Steam rates on file with the Commission.

2. The proposed tariff is attached to the application and affects the Applicant’s customers.

3. Public Service acknowledges that it has read and agrees to abide by the provisions of Rules 4002(b)(IV) through (VI) and Rules 4002(b)(XI)(A) through (C) of the Rules Regulating Steam Utility Operators, 4 *Code of Colorado Regulations* (“CCR”) 723-8.

B. Findings of Fact

4. The Applicant is an operating public utility subject to the jurisdiction of this Commission and is engaged in, *inter alia*, the purchase, distribution, transportation, and sale of Steam for public use in the Denver Metro area.

5. The purpose of the revisions of the Applicant's gas rates is to effectuate decreases for Public Service's Steam Customers, in the level of natural gas costs charged to the Applicant based on prices to be in effect as of July 1, 2024. The referenced prices are illustrated in Appendix A, attached to the Decision.

6. The effect of the above revisions is an overall increase of \$116,078 to the Applicant's customers and reflected in Appendix A. This decrease represented a steam cost adjustment rate from -\$0.871 per Mlb to -\$1.205 per Mlb.

7. Pursuant to Rule 1206(f)(I), Rules of Practice and Procedure 4 CCR 723-1, Public Service acknowledges its obligation to publish notice of the subject filing within three days after the filing of this application.

8. The Commission finds good cause to allow the proposed overall decrease on less-than-statutory notice.

II. ORDER**A. The Commission Orders That:**

1. The Application filed by Public Service Company of Colorado doing business as Xcel Energy ("Public Service") is granted and deemed complete, for purposes of § 40-6-109.5, C.R.S.
