**INTERIM COMMISSION DECISION GRANTING  
MOTION FOR EXTENSION OF TIME**

---

Mailed Date: June 27, 2019

Adopted Date: June 26, 2019

**I. BY THE COMMISSION**

**A. Statement**

1. This matter comes before the Commission for consideration of a Motion for Extension of Time (Motion) filed by the Colorado Department of Transportation (CDOT) on May 29, 2019, requesting additional time to July 31, 2019 to file the final design plans and estimate for Commission review and approval.

2. As grounds, CDOT states that revisions to the plans that had been prepared are required by the Union Pacific Railroad Company to be revised and that the plan revisions and estimate for the project will now not be ready until July 31, 2019. CDOT states that no party

will be prejudiced and the additional time will allow for a higher form of compliance because the plans will be in a better form.

3. No responses were filed to the Motion.
4. Now being fully advised in the matter, we grant the Motion.
