**ORDER GRANTING MOTION FOR EXTENSION OF TIME
UNTIL NOVEMBER 30, 1992
WITHIN WHICH TO FILE ACQUISITION ADJUSTMENT RECOVERY**

Mailing Date: October 21, 1992
Adopted Date: October 14, 1992

This matter came on for consideration before the Colorado Public Utilities Commission ("commission") on the motion "MOTION FOR ADDITIONAL EXTENSION OF TIME WITHIN WHICH TO FILE ACQUISITION ADJUSTMENT RECOVERY" filed on October 9, 1992 by Public Service Company of Colorado ("Public Service"). Public Service states that it needs an additional 45 days, or until November 30, 1992, to file an adjusted fuel cost filing due to accounting and rate issues which it believes need to be further addressed. According to the company, the

filing is "designed to properly flow through the benefits of the Colorado-Ute acquisition to Public Service ratepayers".

In its Motion at page 2, ¶ 7., Public Service states that it has discussed this extension with the Colorado Office of Consumer Counsel and the Staff of the Colorado Public Utilities Commission, neither of which objected to the extension. We find Public Service had shown good cause for the extension, and accordingly, the motion is granted.

THEREFORE THE COMMISSION ORDERS THAT:

1. The motion for extension of time filed on October 9, 1992 by the Public Service Company of Colorado is hereby granted. The Public Service Company of Colorado may file on or before November 30, 1992, the Imputed Fuel Cost Acquisition Adjustment Recovery ordered in Decision No. C91-1729.

2. This Order is effective immediately on its Mailing Date.
