RECOMMENDED DECISION NO. R95-427. )

**ORDER DENYING EXCEPTIONS**

-----  
Mailed Date: June 2, 1995  
Adopted Date: May 31, 1995  
-----

**I. BY THE COMMISSION:**

**STATEMENT:**

1. On May 12, 1995, Administrative Law Judge Lisa D. Hamilton-Fieldman issued Decision No. R95-427 and recommended that the courier permit (CR-309) held by Blackjack Shuttle Express, Inc. ("Blackjack") be revoked for failure to have a currently effective certificate of insurance on file with the Commission.
2. On May 19, 1995, Blackjack filed exceptions to the decision of the ALJ stating that the Commission has not yet ruled upon the exceptions to Decision No. R95-209 pending in Docket No. 94A-662CP (Suspension of operations under Certificate of Public Convenience and Necessity PUC No. 57858). Blackjack further states that it would be severely prejudiced if its Certificate No. 57858 were revoked.

**II. FINDINGS OF FACT AND CONCLUSIONS:**

1. The courier permit at issue in this case was issued pursuant to the provisions of § 40-16-103, C.R.S. Before issuing a courier permit, the Commission must have proof of liability insurance on file (see § 40-16-104). The law specifically requires that the Commission shall revoke the courier registration of any person not complying with the insurance requirements found in Article 16 of Title 40.

We note that Blackjack has not had proof of insurance on file with this Commission since February 1, 1995.

2. We find that Blackjack's arguments relative to the proceeding pending in Docket No. 95A-662CP-Suspension involve a common carrier certificate issued under Article 10 of Title 40, and as such, have no relevance to this proceeding. Blackjack has not stated any grounds upon which the exceptions in this matter can be granted.

**III. ORDER**

**THE COMMISSION ORDERS THAT:**

1. The exceptions filed by Blackjack Shuttle Express, Inc. are denied.

2.This Order is effective on its Mailed Date.

ADOPTED IN OPEN MEETING May 31, 1995.
