**COMMISSION ORDER GRANTING
TEMPORARY AUTHORITY**

Mailed date: October 17, 1995
Adopted date: October 11, 1995

I. BY THE COMMISSION:

A. Statement

1. On September 21, 1995, University Services, Inc., doing business as Passenger Express, filed an application (Docket No. 95A-453BP-Extension-TA) for temporary authority to extend operations under Contract Carrier Permit No. B-9790 for the transportation of passengers and their baggage between the Landmark Inn at 455 South Colorado Boulevard, Denver, Colorado, the United Flight Training Center at 7401 Martin Luther King Boulevard, Denver, Colorado, and Stapleton Inter-national Airport and Denver International Airport, Denver, Colorado. This application is

restricted to providing service for United Airlines.

2. The Commission gave notice of the application on October 2, 1995.

No interventions opposing a grant of the application were filed.

3. By § 40-6-120, C.R.S., the application for temporary authority is under consideration for a Commission order.

4. Pursuant to § 40-6-120(1), C.R.S., the state legislature has authorized the Commission to grant temporary authority when there appears to be an immediate and urgent need to any point or within a territory having no carrier service capable of meeting such need.

5. The support filed on behalf of this application indicates that the training activities of United Airlines has substantially increased, requiring that flight crew personnel not only be housed at the Cherry Creek Inn, but also at the Landmark Inn. The hotels are approximately 200 yards apart on opposite sides of Colorado Boulevard. At present, flight crew personnel residing at the Landmark are having to make their way across Colorado Boulevard to the Cherry Creek Inn, so they may catch the shuttle to the flight training center and/or Denver International Airport. This situation raises safety concerns and has proven to be very inconvenient to such personnel.

This application is limited to providing service for

United Airlines, and as such does not impede upon existing authorities of common carriers who are providing service between the Landmark hotel and Denver International Airport.

6.The Commission finds due to the facts stated in paragraph 5 above, there is as immediate and urgent need for additional transportation services. The Commission will grant the application.

7.The Applicant has adequate equipment and financial resources to begin immediate service within the scope of the authority sought and is willing, ready, and able to operate under all Commission rules and regulations governing carriers by motor vehicle.

8.This application for temporary authority is in the public interest and should be granted.

9.The Applicant is advised that the granting of a temporary authority makes no presumption that permanent authority will be granted.

II. ORDER

A.The Commission Orders That:

1.University Services, Inc., doing business as Passenger Express, is granted temporary authority to extend operations under Contract Carrier Permit No. B-9790 for a period of 150 days commencing from the mailed date of this

Order, with authority as set forth in the attached Appendix.

2.University Services, Inc., doing business as Passenger Express, shall not commence operation until all requirements have been met and notice in writing has been received from the Commission that the Applicant is in compliance and may begin service. If the Applicant does not comply with the requirements of this ordering paragraph within 60 days of the effective date of this Order, then ordering paragraph 1 above, which grants authority to the Applicant, shall be void, and the authority granted shall then be void. On good cause shown, the Commission may grant additional time for compliance, if the request for additional time is filed within the 60 days.

3.The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this Decision.

B.This Order is effective on its Mailed Date.

ADOPTED IN OPEN MEETING October 11, 1995.
