optional operator services shall not be included in tariffs or price lists for nonoptional operator services.

723-18-5.4.2 Operator service tariff rates must be just and reasonable as determined using applicable Commission rules

723-18-5.4.3 In the absence of a specific order by the Commission, operator service tariff rates charged by providers shall not exceed the benchmark maximum operator service rates adopted by the Commission as Appendix A to these Rules.

723-18-5.4.4 Operator service tariff rates filed by providers, wherein the rates to be charged by the provider are <u>above</u> the Commission-determined benchmark rate in Rule 5.4.3 shall be subject to investigation by the Commission in hearings conducted pursuant to the Commission's Rules of Practice and Procedure. A provider proposing rates in excess of the benchmark rates shall be required to prove that such rates are just and reasonable and shall provide cost studies as required by Rules 4 and 5 of the Commission's Rules Prescribing Principles for Costing and Pricing of Regulated Services of Telecommunications Service Providers.

723-18-5.4.5 In the case where the Commission approves rates for a provider that are higher than the benchmark rate, the Commission may require oral disclosure by the provider of the total charges for the call and that such charges are higher than the benchmark rate to the person responsible for payment of the telephone call, if the Commission determines that such disclosure is in the public interest. This disclosure shall be made at no charge to the caller and before the call is connected, allowing the caller to disconnect before incurring any charges.

723-18-5.4.6 If the Commission finds, after notice and opportunity for hearing, that a nonoptional operator service provider has violated an order adopted pursuant to Rule 5.4.5, the Commission may, in addition to such other enforcement powers as may be authorized by statute, order any regulated telecommunications service provider to block access to the nonoptional operator services provider operator-handled intrastate calls. Α regulated telecommunications provider that blocks the access of nonoptional operator services provider in compliance with an order of the Commission and incurs attorney fees or costs to defend such action shall be entitled to recover its costs and attorney fees in each such proceeding.

At the end of such proceeding, the regulated telecommunications service provider shall provide an itemized list of these costs and attorney fees to the Commission. The Commission shall enter an order requiring the nonoptional operator services provider to pay these amounts to the regulated telecommunications service provider.

723-18-5.4.7 Any provider whose current Commission-approved tariffs are in accordance with Rule 5.4.3 on at the effective date of promulgation of this revised Rule, will be allowed to have its current tariffs remain in effect without further filings or proceedings.

723-18-5.4.8 Any Provider seeking to maintain a current tariff rate higher than the benchmark rate described in Rule 5.4.34 must refile its that rate as a new, proposed tariff rates within 60 days after the effective date promulgation of this revised rule. The filing must comply with Rule 5.4.4 (cost studies to be provided) and contain sufficient information for the Commission to determine if the provider's rates are just and reasonable. If the provider
