NOTICE OF PROPOSED RULEMAKING

Mailed Date: July 9, 2003
Adopted Date: July 9, 2003

I. BY THE COMMISSION

A. Statement

1. The Colorado Public Utilities Commission gives notice of proposed rulemaking regarding new Rules pertaining to the interest rate for customer deposits that local exchange carriers (LECs) must pay. These rules make permanent the emergency rules this Commission adopted on January 22, 2003, and which became effective January 23, 2003. Those rules require LECs to pay simple interest on a deposit during any calendar year at a rate equal to the average for the period October 1 through September 30 (of the immediately preceding year) of the 12 monthly average rates of interest expressed in percent *per annum*, as quoted for one-year United States constant maturities, as published in the *Federal Reserve Bulletin*, by the Board of Governors of the Federal Reserve System. This rate will be calculated annually by Commission Staff.

2. LECs will then be required to file an Advice Letter and revised tariff or an appropriate application to revise the tariff by December 15th of each year, or an alternative date set by the Commission, to be effective the first day of January of the following year, or an alternative date set by the Commission.

3. A copy of the new Rules is attached to this notice of proposed rulemaking. The statutory authority for the proposed Rules is found within §§ 24-4-101 *et. seq.*, 40-2-108, 40-3-102, 40-4-101, 40-15-201, and 40-15-302, C.R.S.

4. The Commission will conduct a hearing on the proposed rules and related issues at the below stated time and place. Interested persons may submit written comments on the rules and present these orally at hearing, unless the Commission deems oral presentations unnecessary. The Commission also encourages interested persons to submit written comments before the hearing scheduled in this matter. In the event interested persons wish to file comments before the hearing, the Commission requests that such comments be filed ten days prior to the hearing date. The Commission will consider all submissions.
