**ORDER GRANTING APPLICATION**

Mailed Date: December 23, 2003  
Adopted Date: December 22, 2003

**I. BY THE COMMISSION**

**A. Statement of Findings and Fact**

1. On November 14, 2003, Verizon Wireless (VAW) LLC, doing business as Verizon Wireless (Verizon Wireless) filed an application for a waiver of the Colorado Public Utilities Commission's requirements found in Rule 4 *Code of Colorado Regulations* (CCR) 723-22-5. Verizon Wireless is requesting a temporary waiver until January 5, 2004.

2. The grounds stated within this application are that Verizon Wireless is currently trying to implement administrative systems in order to comply with the Commission's Rule. The system that Verizon Wireless developed failed before the October 5, 2003 deadline, and Verizon Wireless is now going through the process of redesigning its system. In order to comply with Commission Rule 22-5, which requires in relevant part that wireless telephone service providers shall provide no later than the fifth day of every calendar quarter, an electronic list to the Designated Agent that contains any changed, transferred, and disconnected telephone numbers of wireless service subscribers as of the last day of the previous calendar quarter, Verizon Wireless would need to manually prepare the list and states that it would be impractical and costly for it to provide the list at this time. Verizon Wireless has informed the Commission that it is urgently

working on the administrative systems. Verizon Wireless is asking for the additional time required to implement the systems, and to ensure that the systems are working properly. Verizon Wireless will also provide to the Commission the list of changed, transferred, and discontinued wireless numbers that should have been provided on October 5, 2003.

**B. Discussion**

3. Now being duly advised in the matter, the Commission finds that good cause has been stated and grants in full the application for the requested temporary waiver by Verizon Wireless. A waiver of Rule 4 CCR 723-22-5 shall be granted until January 5, 2004.

**II. ORDER**

**A. The Commission Orders That:**

1. The waiver application is deemed complete.
2. Verizon Wireless (VAW) LLC, doing business as Verizon Wireless' application for waiver of Rule 4 *Code of Colorado Regulations* 723-22-5 is granted, subject to the terms and conditions set forth above in the Discussion portion of this Order.
3. This Order is effective on its Mailed Date.
