RESTORATION OF SERVICE - RESIDENTIAL

Service which has been terminated due to failure to pay or make arrangements for payment of bills for service rendered will be restored if customer pays all applicable collection or reconnection charges, enters into installment plan arrangements or modified budget billing arrangements and makes the first installment payment. AVERAGED MONTHLY PAYMENT PLAN FOR RESIDENTIAL CUSTOMERS

Customers served under Residential Service Rates who have no Notice of Discontinuance of Service pending may elect, at their option, to pay monthly bills for service on an Averaged Monthly Payment Plan beginning with any billing month. A residential customer electing the Averaged Monthly Payment Plan shall pay a monthly amount equal to the estimated total annual bill divided by twelve (12). The estimated total annual bill is calculated based on a customer's most recent twelve (12) months' consumption and the then current rates of the Company. Unless a review on the subsequent fourth (4th), seventh (7th) or tenth (10th) month following the initial average monthly payment month shows an annual payment surplus or deficiency that exceeds a corporate-wide annual variance threshold, the averaged monthly payment shall be paid by the customer for eleven (11) months. The twelfth (12th) month's payment shall be a settlement amount equal to the difference between the total of the prior eleven (11) months' payments and the actual billings for the twelve (12) month period.
