### STIPULATION AND SETTLEMENT AGREEMENT

This Stipulation and Settlement Agreement (Stipulation) is entered into by and between Staff of the Colorado Public Utilities Commission (Staff) and Navigator Telecommunications, LLC (Navigator) (Staff and Navigator collectively, Parties, and individually, Party).

### INTRODUCTION AND BACKGROUND

1. Navigator is an Arkansas limited liability company having its principal office in North Little Rock, Arkansas.
2. On February 16, 2006, Navigator initiated this Docket by filing its Application for Certificate of Public Convenience and Necessity (CPCN) to Provide Local Exchange Telecommunications Services and Letter of Registration to Provide Emerging Competitive Telecommunications Services (Application).
3. Staff timely filed its Notice of Intervention in this matter on April 3, 2006. Staff is the only intervenor in this Docket.
4. The Parties now stipulate and agree that the Commission should approve the Application on the terms set forth in this Stipulation.

### TERMS OF STIPULATION AND SETTLEMENT

5. Pursuant to Section 40-15-503.5, C.R.S., Navigator shall maintain a surety bond (bond) for a period of three (3) years. Within ten days of Commission approval of the application, Navigator shall separately file in this docket an original and three copies of a verified statement, signed by an officer of Navigator, stating the effective date of the surety bond, the amount of the bond that has been issued and the term of the bond. Navigator shall attach the original and two copies of the bond to the verified statement. The bond shall be issued to Navigator with the Commission as the obligee.

6. Initially, the bond shall be in the amount of fifty thousand dollars (\$50,000), which will be the minimum amount required for the duration of the bond. The formula used to calculate the bond is attached to this Stipulation as Exhibit A and incorporated herein.

7. The issuer of the bond shall be rated "Secure" by A.M. Best Company, Inc.

8. Within thirty (30) days of the date the number of Navigator's revenue producing lines<sup>1</sup> reaches one thousand (1,000) for the first time, Navigator shall recalculate the amount of the bond that will be required and shall file a report with the Commission that clearly shows the number of revenue producing lines and the recalculated amount of the bond that will be required, using the same formula that was the basis for the initial amount of the bond, and which is attached as Exhibit A. Within thirty (30) days after the thirty-day report period has expired, an officer of

<sup>1</sup> The term "revenue producing lines" shall mean lines that have been activated and for which customers are being billed. In the event Navigator sells systems that serve multiple lines, the calculation of "revenue producing lines" or

Navigator shall file with the Commission a verified statement that the bond has been increased to the required amount and that identifies the new term of the bond. Navigator shall attach proof of issuance, term, and the amount of the bond from the issuer to the verified statement.

9. Beginning in the year that Navigator offers regulated telecommunications services to its customers pursuant to its effective tariff, Navigator shall file a report with the Commission no later than December 31 of each year that the bond is required. The report shall include the total number of revenue producing lines for the six (6) months preceding the date of the report, any change in the number of revenue producing lines for the six (6) months preceding the date of the report, the amount of the existing bond, and any recalculation of the amount of the bond that may be required. In the event a new bond is required, at its option, Navigator may file a verified statement, and an original and two copies of the new bond according to the conditions set forth in paragraph 5 or Navigator may increase the amount of the bond on file with the Commission by providing a rider to the existing bond. If Navigator chooses to provide a rider to the existing bond, Navigator shall file a verified statement, and an original and two copies of the rider according to the conditions set forth in paragraph 5.

10. An increase in the amount of the bond will not be required unless the recalculation exceeds twenty percent (20%) of the amount of the existing bond.

the equivalent shall be made pursuant to Federal Communication Commission Form 477, "Instructions for the Local Competition and Broadband Reporting Form."

12. The monies from the bond shall be disbursed as set forth in this paragraph.

Disbursement shall be made on a percentage basis, as set forth in Exhibit A. Disbursement of the bond shall be made as described below:

a. To funds mandated by the Commission and Colorado statute, including the Colorado High Cost Support Mechanism, the Low Income Telephone Assistance Program, the Fixed Utilities Fund, 9-1-1, and the Telecommunications Relay Service.

b. To wholesale telecommunications provider(s), specifically for services provided to Navigator for which payment has not yet been received on undisputed amounts; and for the wholesale telecommunications provider's costs of providing notice to customers if Navigator fails to do so due to Navigator's discontinuance of providing service, after verification of those costs by Staff.

c. To refund customer deposits and prepayments for telecommunications services not yet received in the event that Navigator discontinues service to its customers. Upon attestation by an officer of Navigator that all refunds owed to customers for payment for services not yet received has been rendered and the disbursement of the funds to all other parties has been completed, the Commission shall disburse to Navigator any remaining proceeds from the bond up to the amount of the refunds Navigator issued to customers.

d. For Commission-incurred costs for items including, but not limited to, notices mailed by the Commission or the designated default provider if Navigator discontinues service and fails to mail notice to customers, as required by 4 CCR 723-2-2108(e); any Commission-incurred costs associated with the transitioning of customers to another

provider; and any Commission-incurred bankruptcy court costs.

13. At any time any portion of the bond is disbursed, Navigator shall obtain an addition to the current bond for the amount required based on the formula set forth in Exhibit A.

14. Navigator shall be considered in default of the bond in the following circumstances:

a. Untimely (i.e., late by more than thirty (30) days) remittance or failure to remit payments to statutory funds (including the Colorado High Cost Support Mechanism, the Low Income Telephone Assistance Program, the Fixed Utilities Fund, 9-1-1, and the Telecommunications Relay Service); untimely remittance or failure to submit undisputed payments to wholesale providers; untimely payment or failure to pay any refunds, credits or deposits owed to customers; and

b. Untimely filing or failure to file Commission-required reports including, but not limited to: annual reports; line count report when the number of revenue-producing lines exceeds one thousand (1,000) for the first time; verified annual statements of line counts and bond amounts; verified statements of bond renewal or modification; and violation of any Commission rules.

15. Occurrence of any of the events described in Paragraph 14 above shall be cause for Staff to request that the Commission issue an order to show cause to determine if Navigator's bond is in default, if payment should be made to the beneficiary and disbursed

as set forth in Paragraph 12 above, and whether the Commission should take action against Navigator's CPCN.

16. Navigator agrees that it will not discontinue service to customers for any reason unless the Commission has granted its application to discontinue pursuant to 4 CCR 723-2-2018. For so long as Navigator is obligated to provide the bond, in the event that Navigator files an application pursuant to Rule 7, Navigator shall file with the Commission, and serve a copy on Staff, the following: (a) the number of business and residential lines affected by such discontinuance; (b) a customer list including the name, address and telephone number of each customer; (c) the amount of any refund due to each individual customer for payment of service not received by the customer; and (d) the identity of all underlying providers supporting the goods and/or services affected by such discontinuance.

17. Navigator expressly acknowledges that, in accordance with Section 40-5-105, C.R.S. (2005), as amended, it cannot sell, assign, or otherwise transfer its Colorado assets that are used in the provision of regulated telecommunications services, including, without limitation, Billing Account Numbers, customers, Interconnection Agreements, and its CPCN, without first having obtained Commission approval.

18. Navigator shall notify Staff of its intent to enter into any marketing, customer service, or customer procurement agreements with any third party(ies) prior to entering into any such agreements, as follows: if the third party is an individual (*i.e.*, natural person) over whom Navigator exercises substantial oversight, Navigator shall provide seven (7) days notice; in all other circumstances Navigator shall provide thirty (30) days notice.

19. Navigator shall file a report with the Commission in writing within ten (10) calendar days of any of the following events:

- a. Assessment of civil penalties by any court or regulatory body;
- b. Assessment of criminal penalties by any court or regulatory body;
- c. Injunctive relief awarded by any court or regulatory body;
- d. Any corrective action taken by any court or regulatory body;
- e. Any refund of more than one hundred dollars (\$100) in any individual case, or any refund of two hundred fifty dollars (\$250) or more to any class of customers awarded by any court or regulatory body;
- f. Reparations to any party awarded by any court or regulatory body;
- g. Initiation of a show cause proceeding by any court or regulatory body;
- h. Initiation of disciplinary proceedings by any court or regulatory body, including proceedings to limit or to place restrictions on any authority to operate a CPCN or offer any service;
- i. Refusal to grant authority to operate or provide a service by any court or regulatory body;
- j. Revocation of authority to operate or to provide a service by any court or regulatory body;
- k. Voluntary surrender of any certificate or authority to operate in lieu of any action by a court or regulatory body; or
- l. Any combination of the foregoing sanctions, penalties, corrective actions,

or other proceedings.

20. If Navigator fails to perform any of the obligations set forth in this Stipulation including, but not limited to, failing to obtain and maintain a bond according to the terms outlined in this Stipulation and failing to timely report to the Commission any events set forth in Paragraph 19 above, Staff shall consider Navigator to have breached this Stipulation. In that event, Staff may request that the Commission issue an order to show cause to determine whether the Commission should take action against Navigator's CPCN.
