## NOTICE OF SCHEDULE CHANGE

Shamrock Charters, Inc., dba SuperShuttle of Northern Colorado, SuperShuttle of Ft. Collins, SuperShuttle NOCO and/or Shamrock Airport Express, filed an Application with the Colorado Public Utilities Commission on May 19, 2009, to replace its Colorado P.U.C. Time Schedule No. 6 with a new Colorado PUC Time Schedule No. 7 for the transportation of passengers and their baggage in scheduled service between Wellington, Ft. Collins, Loveland, Windsor and Denver International Airport. The proposed changes in Time Schedule No. 7 increase the frequency of northbound scheduled service on Saturdays, increase the scheduled interval between the Hampton Inn in Loveland and the Harmony Transportation Center in Ft. Collins on northbound trips from DIA to 15 minutes, add an early morning scheduled trip from Ft. Collins to DIA and from DIA to Ft. Collins on Sundays through Fridays, and make minor changes in the times for collector service at various locations. The changes are proposed to become effective one day following approval of the Application by the Colorado Public Utilities Commission.

The Colorado Public Utilities Commission may grant or deny the Application. Objections must be in writing and must be filed with the Public Utilities Commission, 1560 Broadway, Suite 250, Denver, CO 80202, prior to the decision on whether to grant or deny the Application. The Commission may decide to hold a hearing on the Application. Requests for notice of the hearing, if the Commission sets the matter for hearing, must be filed in writing. Filing a written objection will not be sufficient to participate as a party to the proceeding. Requests to intervene as a party must comply with Commission rules. If a hearing is held, any member of the public may attend and may make a statement, whether or not that person has filed an objection or intervention.
