Advice Letter No. 3117

Doug Dean, Director Colorado Public Utilities Commission 1560 Broadway, Suite 250 Denver, Colorado 80202

Dear Mr. Dean:

The accompanying tariff sheets, issued by Qwest Corporation, are sent to you in compliance with requirements of Public Utilities Law.

Local Network Interconnection and Service Resale Tariff Colorado P.U.C. No. 22

*Replaces the material in P.U.C. No. 22 tariff in its entirety.

Qwest Corporation ("Qwest") files this Advice in compliance with Decision No. R11-0526 in Docket No. 07A-211T¹. This filing replaces the material in Qwest's Local Network Interconnection and Service Resale Tariff, Colorado P.U.C. No. 22, in its entirety as it exists today as amended with the d/b/a CenturyLink QC name change in Advice No. 3115 First Amended.

P.U.C. No. 22 tariff continues to conform to the format requirements set out in Decision No. C02-627 issued by the Commission in Docket No. 02V-248T.

It is requested that this filing become effective September 15, 2011. Please provide a confirmation number upon receipt of this e-filing.

Please contact me with any questions concerning this filing.

Sincerely,

Timothy D. Kunkleman Director State Regulatory Affairs Voice: 303-992-5810 Fax: 303 296 4576 E-mail: Timothy.Kunkleman@qwest.com

1.1 APPLICATION OF TARIFF

This Tariff contains prices applicable to the provision of network interconnection, access to unbundled network elements, ancillary network services and resale in the State of Colorado, provided by Qwest Corporation d/b/a CenturyLink QC, hereinafter referred to as the Company, to Local Exchange Carriers (Carriers). The tariffed and regulated services offered herein by Qwest Corporation d/b/a CenturyLink QC, whether under that name or the trade or brand name CenturyLink, are subject to the terms and conditions of this Tariff.

Network interconnection is provided to Carriers for their use in the provision of telecommunications service to others. All service arrangements will be provided under interconnection agreements approved by the Commission. These agreements contain specific product descriptions, terms and conditions.

	Recurring Recurring Non- 7 m Per Mile Recurring O	REC per Mile	
5	The preliminary Quote Preparation Fees (QPF) costs are included in the Caged, and Cageless Space Construction charges. These Engineering and Planning charges are also included in the Caged and Cageless QPFs. Upon completion of the collocation construction, the preliminary QPFs will be credited to the final space construction charge for the collocation iob.		
6	Effective 8/1/03, Qwest will not charge the Channel Regeneration charges of: DS1 REC \$2.32, NRC \$477.52 and DS3 REC \$7.34, NRC \$1,806.53 that were approved in Docket 99A-577T. Contract amendments to remove the charges are not required. Qwest reserves the right to revert back to the contractual rate only after appropriate notice is given. Future regulatory rulings and/or events may be subject to the conditions described under Change in Law Provisions of the SGAT (Section 2.2) or the applicable interconnection agreement		
7	Intentionally Left Blank		┢
8	The Recurring charge applies when the NID is purchased separately. Qwest has not implemented the NID recurring charge of \$0.60 approved in Docket 99A-577T but reserves the right to assess such a charge in the future. Qwest will provide notice to CLECs prior to assessing any such charge.		
9	Intentionally Left Blank		Г
10	Intentionally Left Blank		
11	Intentionally Left Blank		Γ
12	For EELs that originate in a CLEC wire center, pass through one or more Qwest wire centers, and terminate to a Qwest wire center, Qwest will utilize both the EEL fixed and per mile rate structure for the distance between the Qwest wire centers. Qwest will zero rate the mileage between the CLEC wire center and the initial Qwest serving wire center, and only bill the fixed rate element for this portion of the circuit.		I
13	Intentionally Left Blank		
14	Intentionally Left Blank		t
15	Rate to be negotiated between parties with full reservation of rights. Existing Interconnection Agreements shall not be impacted by this change.		t
16	The CPUC has not asserted jurisdiction over microduct pricing; rate per FCC guidelines		t
17	Not an offer to provide at TELRIC rates. This issue was unresolved in docket No. 07A-211T, but Qwest will honor interconnection agreements containing these elements as of 6-6-11. Qwest and CLECs have agreed to reserve all rights to contend in future negotiations or arbitrations as to whether these elements are required to be provided and if so, whether these elements are required to be priced pursuant to TELRIC principles or some other basis.		ľ
