# I. STATEMENT, FINDINGS, AND CONCLUSIONS

1. The cases listed on the attached Appendix A (Hearing Exhibit 1) were instituted by "Order of Summary Suspension and Complaint and Notice of Hearing" (Complaint or Complaints), issued by the Commission Director and served upon the Respondents<sup>1</sup> on

<sup>&</sup>lt;sup>1</sup> Reference herein to the Respondents is a reference to each of the Respondents listed in Appendix A to this Decision.

### PROCEEDING NO. 14C-0883-INS

August 22, 2014 (Hearing Exhibit 2) by United States mail, at the most recent addresses on file with the Commission for the Respondents.

2. The Complaint provides notice of the nature of the allegations against the Respondents. Hearing Exhibit 2. In particular, the Complaint against each of the Respondents listed on Appendix A alleges that the Public Utilities Commission (Commission) has received notice from the Respondents' insurance or surety companies to cancel the Respondents' insurance or surety coverage as specifically identified in each Complaint. *Id.* The Complaint further notifies the Respondents that their authorities or permits have been summarily suspended and that at the date, time, and location noticed in the Complaint, a hearing will be held regarding whether their authorities or permits should be permanently revoked, based upon the Respondents' failure to maintain proper evidence of insurance or surety coverage on file with the Commission. *Id.* 

3. As noticed in the Complaint, on September 9, 2014, the undersigned Administrative Law Judge (ALJ) called the cases for hearing at a hearing room at the Commission's office located in Denver, Colorado.

4. Commission Staff member Vanessa Condra appeared through counsel and testified on behalf of the Staff of the Commission (Staff). No Respondent appeared.

5. Hearing Exhibits 1 and 2 were admitted into evidence during the hearing.

### A. The Commission's Requirements Relating to Financial Responsibility

6. Pursuant to § 40-10.1-107, C.R.S., and Rule 6007 of the Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* (CCR) 723-6, every motor carrier must keep and maintain evidence of financial responsibility in such sum, for such

### PROCEEDING NO. 14C-0883-INS

protection, and in such form as the Commission deems necessary to adequately safeguard the public interest.

7. In addition to motor vehicle liability insurance, towing carriers must maintain and keep in force at all times cargo liability insurance, and the carriers providing storage must maintain garage keeper's liability insurance coverage. Rules 6007(a)(III), and (IV), 4 CCR 723-6. Towing carriers must also maintain and keep in force at all times workers' compensation coverage in accordance with the "Workers' Compensation Act of Colorado" found in Articles 40 to 47 of Title 8, C.R.S. Rule 6007(a)(V), 4 CCR 723-6.

8. The motor carriers are responsible for filing proof of the required financial responsibility coverage with the Commission. § 40-10.1-107, C.R.S., and Rule 6007, 4 CCR 723-6. Failure to have proof of having met these financial responsibility requirements on file with the Commission creates a rebuttable presumption that the carrier is in violation of the financial responsibility requirements. Rule 6007(e), 4 CCR 723-6.

9. The required certificates of insurance cannot be terminated or cancelled unless and until the insurance carrier provides 30 days' written notice of the same to the Commission. § 40-10.1-107(4), C.R.S.; Rule 6007(i), 4 CCR 723-6. Consequently, the Commission regularly receives notice from insurance carriers when they have cancelled the insurance of motor carriers who are licensed by the Commission. Because those notices indicate that the carriers no longer have proof of financial responsibility on file with the Commission, the notices create a rebuttable presumption that the carrier is in violation of the financial responsibility requirements. Rule 6007(e), 4 CCR 723-6.

### **B.** Governing Legal Standards.

10. Section 40-10.1-112, C.R.S., and the Commission's rules implementing that section, provide that after hearing upon notice to the holder of any certificate or permit, and upon proof of violation, a Commission issued authority or permit may be suspended, revoked, altered, or amended if it is established to the satisfaction of the Commission that the holder of that authority or permit has violated any applicable statute, rule, regulation, or Commission decision. Rule 6008, 4 CCR 723-6; *see* Hearing Exhibit 2.

11. Staff carries the burden of proof by a preponderance of the evidence to demonstrate that the allegations of the Complaint are true. The preponderance standard requires the finder of fact to determine whether the existence of a contested fact is more probable than its non-existence. *Swain v. Colorado Department of Revenue*, 717 P.2d 507, 508 (Colo. App. 1985). A party has met this burden of proof when the evidence, on the whole, slightly tips in favor of that party.

## C. Evidence in Support of Complaints.

12. Ms. Condra is a Commission Staff member, whose responsibilities include verifying regulated carriers' compliance with the referenced financial responsibility requirements.

13. Ms. Condra testified that the Respondents were identified as being in violation of the financial responsibility requirements because the Commission received notice from each of the Respondents' insurance or surety carriers that their insurance or surety has been or will be cancelled. As of the date of the hearing, none of the Respondents had come into compliance with the Commission's financial responsibility requirements as noted in the Complaints.

14. Ms. Condra testified that the Complaints were served upon the Respondents listed on Appendix A by United States mail on August 22, 2014, at the most recent addresses on file with the Commission. Hearing Exhibit 2. The addresses on file with the Commission were provided by the Respondents.

15. Ms. Condra recommended and requested that the authorities and permits of the Respondents listed in Appendix A be revoked.

### D. Conclusions.

16. The ALJ finds and concludes that the Complaints are in compliance with Rule 6008(a), 4 CCR 723-6 because the Complaints provide notice of the nature of the allegations and the relief sought against the Respondents, notice of the date, time and location of the hearing on the Complaints, provide opportunities for Respondents to respond to the allegations, and were served upon the Respondents by United States mail, at the most recent addresses on file with the Commission. Hearing Exhibit 2. The ALJ further finds that service upon each of the Respondents is proper.

17. The ALJ finds that Staff established by a preponderance of the evidence that the Commission received notice from the insurance or surety providers for the motor carriers identified in Appendix A that their insurance or surety has been cancelled or terminated for the permits, certificates and authorities identified in Appendix A. This creates the rebuttable presumption that the Respondent carriers are in violation of their respective financial responsibility requirements. Rule 6007(e), 4 CCR 723-6; *see* § 40-10.1-107, C.R.S. There was no evidence rebutting this presumption.

18. The ALJ finds that Staff established by a preponderance of the evidence that the Commission's records do not show a currently effective level of financial responsibility,

including, but not limited to motor vehicle liability insurance, garage keeper's liability insurance, cargo liability insurance, and workers' compensation insurance, in such form and in such manner as required for the Respondents as stated in Appendix A. § 40-10.1-107, C.R.S., and Rule 6007, 4 CCR 723-6. As a result, the ALJ concludes that Staff met its burden of proof to show that the Respondents are in violation of § 40-10.1-107, C.R.S., and Rule 6007, 4 CCR 723-6 as stated in the Complaints.

19. The Commission must fulfill its important duty to the public to guarantee that those persons who hold an authority, permit or certificate from the Commission have current, effective insurance as required by law. The Commission's only means of performing this important health and safety function is to have documentation of that fact furnished in a uniform format to the Commission. The holder of the authority, permit or certificate is responsible for providing that documentation to the Commission. § 40-10.1-107, C.R.S.; Rule 6007, 4 CCR 723-6.

20. Because the Respondents listed in Appendix A have failed to keep currently effective proof of financial responsibility on file with the Commission, including but not limited to motor vehicle liability insurance, garage keeper's liability insurance, cargo liability insurance, and workers' compensation insurance, the authority, permit and certificates listed in Appendix A should be revoked.

21. Pursuant to § 40-6-109, C.R.S., the ALJ transmits the record of this proceeding, this recommended decision containing findings of fact and conclusions thereon, and the below recommended order.

## II. ORDER

### A. The Commission Orders That:

1. The Respondents' authorities or permits listed in Appendix A attached hereto are revoked as of the effective date of this Decision.

2. Ordering Paragraph No. 1 shall be void and the case dismissed as to any affected Respondent who:

a) files the required Certificate of Insurance with the Commission before the effective date of this Recommended Decision; or

b) files a notice with the Commission before the effective date of this Recommended Decision that workers' compensation coverage is no longer required; the notice shall include a factual basis for the conclusion that workers' compensation coverage is not required.

3. Proceeding No. 14C-0883-INS is closed.

4. This Recommended Decision shall be effective on the day it becomes the Decision of the Commission, if that is the case, and is entered as of the date above.

5. As provided by § 40-6-109, C.R.S., copies of this Recommended Decision shall be served upon the parties, who may file exceptions to it.

a) If no exceptions are filed within 20 days after service or within any extended period of time authorized, or unless the decision is stayed by the Commission upon its own motion, the recommended decision shall become the decision of the Commission and subject to the provisions of § 40-6-114, C.R.S.

b) If a party seeks to amend, modify, annul, or reverse basic findings of fact in its exceptions, that party must request and pay for a transcript to be filed, or the parties may stipulate to portions of the transcript according to the procedure stated in § 40-6-113, C.R.S. If no transcript or stipulation is filed, the Commission is bound by the facts set out by the administrative law judge and the parties cannot challenge these facts. This will limit what the Commission can review if exceptions are filed.

6. If exceptions to this Decision are filed, they shall not exceed 30 pages in length, unless the Commission for good cause shown permits this limit to be exceeded.
