RECOMMENDED DECISION OF ADMINISTRATIVE LAW JUDGE G. HARRIS ADAMS AMENDING RULES

Mailed Date: August 11, 2015

I. STATEMENT

- 1. On June 29, 2015, the Public Utilities Commission issued the Notice of Proposed Rulemaking that commenced this proceeding. See Decision No. C15-0610. The Commission referred the rulemaking proceeding to an administrative law judge (ALJ) and scheduled a hearing for August 10, 2015.
- 2. At the scheduled time and place the hearing was convened. No persons interested or affected by proposed modifications commented in this proceeding.
 - 3. Statutory authority for the proposed rules is found in §§24-4-101, 40-1-101, 40-2-108, 40-3-102, 40-3-103, 40-4-101, 40-4-108, and 40-6-101(1), C.R.S.
- 4. The amended rules should provide for clarity, necessity and efficiency and those rules found to be duplicative, inconsistent or unnecessarily burdensome should be repealed.
- 5. Throughout the proceeding no oral or written public comment was submitted.

 No interested persons appeared at the Rulemaking Hearing to provide public comment.

 Ms. Rebecca Quintana, Director of Regulatory & Legal Affairs for the Commission, described

the modifications proposed and explained that the changes are intended to conform the Commission's Rules of Policy and Procedure with the General Assembly's decision to amend 4 Code of Colorado Regulations (CCR) 723-1 through SB15-261 and SB15-271.

6. Not all modifications to the proposed rules are specifically addressed herein.

Any changes incorporated into the redline version of the rules appended hereto are recommended for adoption.

II. FINDINGS, DISCUSSION, AND CONCLUSION

- 7. The purpose of this proceeding is to harmonize the Commission's rules with Colorado Senate Bills 15-261 and 15-271 (SB15-261 and SB 15-271 respectively), enacted June 5, 2015. Senate Bill 15-261 modifies § 40-3-104(1)(c)(I)(D) to allow a public utility to ask the Commission for a method of notice to customers as an alternative to what is prescribed in statute through the filing of a 'request' rather than an 'application'. Senate Bill 15-271 modifies § 40-6.5-101(3) and 40-6.5-104 C.R.S. to remove telephone utilities from the scope of the Office of Consumer Counsel's (OCC) statutory authority. Finally, minor modifications are made regarding confidentiality processes and service.
- 8. Rule 1100 is modified to allow commission counsel to execute an annual nondisclosure agreement to cover all confidential and highly confidential material. Particularly because the Commission and administrative law judges may need advice of counsel in every proceeding, efficiency will be improved by allowing counsel advising the Commission to utilize the annual process currently utilized by commissioners, administrative law judges, and staff.
- 9. Rule 1205 is amended to clarify that service upon an attorney of record completes service to the party represented and service upon individual members of the party not registered in E-filings are not required.

Decision No. R15-0861 PROCEEDING NO. 15R-0540ALL

- 10. Rules 1207 and 1400 were amended as a result of Senate Bill 15-261, which modified §40-3-104-1 (c)(1)(d), C.R.S. to allow a utility to ask for an alternative form of notice through a request rather than the filing of an application. Requests can be made by motion filed within a proceeding. Rule 1400(a) added motions for alternative forms of notice to the types of motions for which conferral is not required.
- 11. Rule 1401 was amended as a result of Senate Bill 15-271, which removed telecommunications from the Office of Consumer Counsel's authority to represent consumers.
- 12. The proposed rules attached to Decision No. C15-0610 in legislative (i.e., strikeout/underline) format were made available through the Commission's Electronic Filings (E-Filings) system. Moreover, information was posted through *The Colorado Register* on how to access the language of the proposed rules.
 - 13. Notice of the proceedings was properly provided.
- 14. No public comments to the proposed rulemaking were filed with the Commission or made at the time noticed for the hearing.
 - 15. The ALJ finds that no further hearings are necessary.
- 16. The undersigned ALJ has reviewed the record in this proceeding. The ALJ finds that the proposed changes to the rules are both appropriate and necessary.
- 17. Being fully advised in this matter and consistent with the discussion above, in accordance with § 40-6-109, C.R.S., the ALJ now transmits to the Commission the record in this proceeding along with a written recommended decision.

Decision No. R15-0861
