PERCENTAGE OF INCOME PAYMENT PLAN (PIPP) Cont.

- A process through which a participant must verify income on a more frequent basis may be implemented for participants for whom the calculation of benefits is based on a \$0 income.
 Company shall notify the participant for whom the benefit is based on a \$0 income of the
- frequency with which income must be verified.
- iv. Company must provide an income verification process for a participant for whom the benefit is based on a \$0 income.
- v. A participant whose benefit is based on a \$0 income who fails to timely verify income shall be removed from PIPP.
- 14. Payment default provisions. Failure of a participant to make his or her monthly bill payments will result in placement of the participant in the Company's regular collection cycle. A single missed, partial or late payment shall not result in the automatic removal of a participant from PIPP. A participant is removed from PIPP upon final billing under disconnection for non-payment event(s); upon subsequent reconnection(s) of service, the customer may re-apply for PIPP participation subject to program availability and income eligibility defined in Sheet No. 17.
- 15. Cost recovery. PIPP program costs shall be allocated to each Sales Service rate class based on each rate class's share of the test year revenue requirement. Cost recovery shall be based on a fixed fee applicable to rate classes in both Base Rate Areas. The fixed fee will be added to the Monthly Charge component of the GRSA. Company shall apply energy assistance grants to the dollar value of credits granted to the individual Program participants.
- 16. Administrative costs. Ongoing administrative costs for PIPP shall be based on actual costs incurred, but in no event, shall exceed ten percent (10%) of the total amount of PIPP program credits provided to participants for current usage and pre-existing arrearages. Such ongoing administrative costs will be paid out of the PIPP Cost Adjustment revenues.
- 17. Percentage of Income Payment Plan (PIPP) Cost Adjustment.

Residential	\$0.00 per bill
Small Commercial	\$0.00 per bill
Large Commercial	\$0.00 per bill
Irrigation, Crop Drying and Seasonal	\$0.00 per bill
