

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 20V-0039EC

IN THE MATTER OF THE PETITION OF LAZY K COACH, LLC FOR AN ORDER
OF THE COMMISSION AUTHORIZING A WAIVER OF THE RULES REGULATING
TRANSPORTATION BY MOTOR VEHICLE.

DECISION GRANTING WAIVER IN PART

Mailed Date: February 21, 2020
Adopted Date: February 19, 2020

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. This matter comes before the Commission for consideration of a petition filed on January 27, 2020 by Lazy K Coach, LLC (Lazy K Coach).

2. Lazy K Coach requests a waiver of Rule 6117(c) of the Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* (CCR) 723-6 (Age and Condition of Passenger Carrying Motor Vehicles). Lazy K Coach was issued Permit No. CSB-00166 by the Commission on April 15, 2003 to provide charter bus service as a limited regulation charter scenic bus carrier.

3. The vehicle for which a waiver is requested is a 1984 Eagle Model 10 bus¹ with a total of 200,653 miles. The petition filed by Lazy K Coach on January 27, 2020 requested a waiver of Rule 6117(c) from January 27, 2020 through an indefinite date.

¹ The vehicle identification number of the 1984 Eagle Model No. 10 is 1EUAN6A1XEH031285.

4. The Commission noticed this application to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on February 3, 2020, for a period of ten days.

5. The ten-day notice period expired on February 13, 2020. No petition to intervene or otherwise participate in this proceeding has been filed. Therefore, the proceeding is uncontested. Under § 40-6-109(5), C.R.S., this matter may be determined without a hearing.

6. In accordance with Rule 1003 of the Rules of Practice and Procedure, 4 CCR 723-1, the Commission may grant waivers or variances from tariffs, Commission rules, and substantive requirements contained in Commission decisions and orders for good cause. In making a determination, the Commission may take into account, but is not limited to, considerations of hardship, equity, or more effective implementation of overall policy on an individual basis.

7. Rule 6117(c), 4 CCR 723-6 (Age and Condition of Passenger Carrying Motor Vehicles) states:

With the exception of a Luxury Limousine which meets the definition of “Collector’s Vehicle” in subparagraph 6305(a)(IV), no Motor Vehicle operated under a Certificate or Permit shall be more than 15 years old regardless of condition or mileage.

8. The Eagle Model 10 named in this petition is 21 model years older than allowed by Rule 6117(c). Therefore, unless Lazy K Coach is granted a waiver of Rule 6117(c) for the 1984 Eagle Model 10, it may not continue to provide charter bus service with this vehicle.

9. In support of this petition, Roger Karspeck, the manager of Lazy K Coach, states:

In March of 2003, we purchased a 1984 Eagle, Model 10, motorcoach. This coach only had 67,682 original miles, and at that time was 19 years old. The previous owner was the United States Air Force. It was used as a band bus and used as a mobile communication coach for the Air Force officers. The coach was in excellent condition. As with some military coaches, the frame was coated with a rust proof compound. To this day it is still a rust-free coach.

We started the Lazy K Coach Co. LLC with this coach. ... The current mileage is 200,653 miles on this coach. The bus is in excellent condition, and I would put it with any coach for mechanical condition. This is our backup coach in case something would happen to our 15 coach. ...

We also cannot financially afford to purchase newer coaches. Buying a coach that is just 10 to 15 years old is price prohibitive for us. We could never cash flow those payments with our limited revenue. Our main occupation is farming and ranching in far eastern Colorado and along the Kansas state line. We do not operate the coaches on a full-time basis. Our clients are mainly senior citizens which prefer to travel with us or are not able to drive themselves. Many were once our teachers, family friends, neighbors and even our own family members. They count on us to do the driving for them on tours across the United States, or day trips to the Front Range area for dinner theaters and other such venues.

10. Lazy K Coach submitted seven maintenance reports for mechanical service on the Eagle Model 10 with the petition. The vehicle maintenance described in each report was completed by staff of Lazy K Coach from September 1, 2017 through February 13, 2019.²

11. In consideration of the information contained in the maintenance reports and the additional support provided by Lazy K Coach for this petition, the Commission finds that good cause has been shown to grant in part a waiver of Rule 6117(c). However, a waiver for the indefinite period requested in this petition may be excessive. Therefore, the waiver period shall be granted through February 28, 2022.

II. ORDER

A. The Commission Orders That:

4. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this Decision.
