

Decision No. C20-0348

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO**

PROCEEDING NO. 20A-0168CP-SUSPENSION

---

IN THE MATTER OF THE APPLICATION OF T-ONE SHUTTLE FOR AN ORDER  
OF THE COMMISSION AUTHORIZING A SUSPENSION OF CERTIFICATE OF PUBLIC  
CONVENIENCE AND NECESSITY NO. 55941.

---

**COMMISSION DECISION GRANTING  
IN PART SUSPENSION OF OPERATIONS**

---

Mailed Date: May 8, 2020

Adopted Date: May 6, 2020

**I. BY THE COMMISSION**

**A. Statement, Findings, and Conclusions**

1. On April 16, 2020, T-One Shuttle filed an application seeking authority to suspend operations under its authority, Certificate of Public Convenience and Necessity (CPCN) PUC No. 55941 from February 1, 2020 through February 1, 2022.

2. The Commission noticed this application to all interested persons, firms, and corporations pursuant to § 40-6-108(2), C.R.S., on April 20, 2020, for a period of ten days.

3. The notice period expired on April 30, 2020. No petition to intervene or otherwise participate in this proceeding has been filed. This proceeding is therefore uncontested and under § 40-6-109(5), C.R.S., may be determined without a hearing.

4. In accordance with Rule 6205 of the Rules Regulating Transportation by Motor Vehicle, 4 *Code of Colorado Regulations* (CCR) 723-6, the information<sup>1</sup> submitted with this application warrants the granting of a suspension of operations.

---

<sup>1</sup> T-One Shuttle filed the suspension application in response to the COVID-19 pandemic.

5. In this application, T-One Shuttle requests a suspension period from February 1, 2020 through February 1, 2022 or 24 consecutive months.

6. However, Rule 6205(b) of the Rules Regulating Transportation by Motor Vehicle, 4 CCR 723-6, states:

A Fully Regulated Intrastate Carrier may not request and the Commission shall not grant a voluntary suspension persisting for longer than:

- a) 12 consecutive months;
- b) 12 months in any 24-month period; or
- c) two consecutive seasons, for a Fully Regulated Intrastate Carrier operating seasonally.

7. Therefore, granting T-One Shuttle a suspension of 24 consecutive months would be longer than the 12-month period allowed by Rule 6205(b).

8. The Commission finds that the application for authority to suspend CPCN PUC No. 55941 is in the public interest and will be granted for a period of 12 months from February 1, 2020 through January 31, 2021.

## II. **ORDER**

### A. **The Commission Orders That:**

1. This application was deemed complete on May 6, 2020, within the meaning of § 40-6-109.5, C.R.S.

2. The application filed by T-One Shuttle for authority to suspend operations under Certificate of Public Convenience and Necessity (CPCN) PUC No. 55941 is granted in part, *nunc pro tunc*, from February 1, 2020 through January 31, 2021.

3. On February 1, 2021, CPCN PUC No. 55941 shall be administratively reactivated.

4. Prior to commencing operations, T-One Shuttle shall: (a) cause proof of insurance or surety bond coverage to be filed with the Commission pursuant to Rule 6008, 4 *Code of Colorado Regulations* 723-6; (b) pay to the Commission the applicable vehicle identification fee for each vehicle to be operated under authority granted by the Commission; and, (c) ensure that an effective tariff is on file with the Commission, in compliance with applicable Commission rules.

5. The 20-day time period provided by § 40-6-114(1), C.R.S., to file an application for rehearing, reargument, or reconsideration shall begin on the first day after the Commission mails or serves this Decision.

6. This Decision is effective on its Mailed Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING  
May 6, 2020.**
