**I. STATEMENT**

1. This Interim Decision sets an evidentiary hearing in this Proceeding for June 23, 24, and 25, 2020, commencing at 9:00 a.m., and adopts a consensus procedural schedule filed by Public Service Company of Colorado (Public Service or Company) on February 12, 2020.

**A. Procedural History.**

2. On May 1, 2019, Public Service filed with the Colorado Public Utilities Commission (Commission), a Verified Application (Application) for Approval of its Community Resiliency Initiative (Initiative). Public Service stated that the Initiative is designed to provide up to 15 megawatts of Company-owned energy storage systems to enhance the safety and security of designated community resiliency centers and select infrastructure. With the Application, Public Service filed the supporting testimony and attachments of three witnesses. Public Service also sought approval to file Supplemental Direct Testimony in support of the Application. Public Service explained that the Application was filed in accordance with Colorado's Energy Storage Procurement Act (HB 18-1270). This filing commenced the above-styled proceeding.<sup>1</sup>

3. On May 1, 2019, Public Service also filed a Motion for Leave to File Supplemental Direct Testimony on or before December 16, 2019, in order to provide details on the energy storage system projects and construction partners selected through a competitive solicitation process and, to the extent practicable, information on the cost and construction details of each project proposed under the Initiative. Public Service also waived the statutory deadline in § 40-6-109.5(3), C.R.S.<sup>2</sup>

4. By Decision No. C19-0426-I (mailed on May 16, 2019), the Commission acknowledged Public Service's waiver of the statutory deadline pursuant to § 40-6-109.5(3), C.R.S.<sup>3</sup>

---

<sup>1</sup> Application at pages 1-7. HB 18-1270 is codified at § 40-2-203(4), C.R.S. (2019).

<sup>2</sup> Motion for Leave to File the Supplemental Direct Testimony at pages 1-3.

<sup>3</sup> In Decision No. C19-0426-I, the Commission also gave interested parties 14 days to file responses to the Motion for Leave to File Supplemental Direct Testimony. No one filed any responses.

5. By Decision No. C19-0499-I (mailed on June 12, 2019), the Commission granted the Motion for Leave to File Supplemental Direct Testimony. On December 16, 2019, Public Service filed the Supplemental Direct Testimony of two witnesses, Jack W. Ihle and Charles A. Gouin.<sup>4</sup>

6. The procedural history of this Proceeding is set forth in detail in Decisions previously issued herein and is repeated here as necessary to put this Decision into context.

7. On December 18, 2019, the Commission issued the Notice of Application Filed establishing deadlines for the filing of intervention pleadings.

8. During the Commission's weekly meeting on January 29, 2020, the Application was deemed complete for purposes of § 40-6-109.5, C.R.S., and was referred to an Administrative Law Judge (ALJ) for disposition. The undersigned ALJ was subsequently assigned to preside over this Proceeding.

9. Decision No. R20-0081-I (mailed on February 6, 2020) acknowledged the interventions as of right filed by the Colorado Office of Consumer Counsel (OCC) on January 17, 2020, and by Trial Staff of the Colorado Public Utilities Commission (Staff) on January 23, 2020. Decision No. R20-0081-I also granted the motions for permissive intervention filed on January 15, 2020 by Western Resource Advocates (WRA) and on January 16, 2020 by the Rocky Mountain Environmental Labor Coalition and the Colorado Building and Construction Trades Council, AFL-CIO (together RMELC/CBCTC). Only OCC requested a hearing on the Application.

10. The Parties to this Proceeding are Public Service, Staff, OCC, WRA, and RMELC/CBCTC.
