16. The Settlement Agreement shall not become effective until the Commission issues a final decision addressing the Settlement Agreement.

III. FINDINGS AND CONCLUSION

17. The undersigned ALJ finds good cause to approve the Settlement Agreement. It is found that the civil penalty of \$3,083.44 (\$2,620.92 civil penalty plus a 15 percent surcharge of \$462.52) and refunding \$300 to Daniel Byrne is sufficient to motivate the Respondent to avoid any further violations of Commission regulations.

18. The ALJ finds it is in the public interest to conserve valuable resources by adopting the terms of the Settlement Agreement and avoiding a hearing in this matter.

19. Pursuant to the terms of the Settlement Agreement entered between Respondent and Staff, Respondent is assessed a civil penalty of \$3,083.44 (\$2,620.92 civil penalty plus a 15 percent surcharge of \$462.52) payable according to the terms of the Settlement Agreement as delineated above. The Respondent shall also refund \$300.00 to Daniel Byrne.

20. In accordance with § 40-6-109, C.R.S. it is recommended that the Commission enter the following order.

IV. ORDER

A. It is Ordered That:

1. The Joint Motion for Approval of the Settlement Agreement filed on August 7, 2024, is granted.

9. If a party seeks to amend, modify, annul, or reverse basic findings of fact in its exceptions, that party must request and pay for a transcript to be filed, or the parties may stipulate to portions of the transcript according to the procedure stated in § 40-6-113, C.R.S. If no transcript or stipulation is filed, the Commission is bound by the facts set out by the administrative law judge and the parties cannot challenge these facts. This will limit what the Commission can review if exceptions are filed.
