

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO**

PROCEEDING NO. 21A-0625EG

---

IN THE MATTER OF THE APPLICATION OF PUBLIC SERVICE COMPANY OF COLORADO FOR APPROVAL OF ITS 2022-2025 RENEWABLE ENERGY COMPLIANCE PLAN.

---

**INTERIM COMMISSION DECISION GRANTING  
UNOPPOSED MOTION FOR AN EXTENSION OF TIME  
TO FILE REPORT**

---

Issued Date: August 15, 2025

Adopted Date: August 13, 2025

**I. BY THE COMMISSION**

**A. Statement, Findings, and Conclusions**

1. Public Service Company of Colorado (“Public Service”) filed its 2024 Renewable Energy Standard Compliance Report on June 2, 2025.

2. On August 11, 2025, Trial Staff of the Colorado Public Utilities Commission (“Trial Staff”) filed an unopposed motion to extend the time to file its report. The motion requires additional time beyond the 60-day window in Rule 3663(a)(III) of the Commission’s Rules Regulating Electric Utilities, 4 *Code of Colorado Regulations* 723-3, to submit its responsive report. Trial Staff also requests that we waive response time to the motion.

3. In support of its request, Trial Staff reports that due to the number of concurrent proceedings requiring Trial Staff resources, it has been unable to finalize its review of the annual RES Compliance Report and therefore requires additional time to complete its analysis and afford the Commission additional information concerning Public Service’s RES compliance.

4. Moreover, Trial Staff indicates that it conferred with all parties to the proceeding and is unaware of any opposition to the extension.

5. Because the relief is unopposed, we find good cause to waive remaining response time to the motion. Additionally, for the reasons put forth by Trial Staff we find good cause to grant a variance to Rule 3663(a)(III) and extend the deadline for the filing of its report to October 1, 2025

## **II. ORDER**

2. This Decision is effective upon its Issued Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING  
August 13, 2024.**
