

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

PROCEEDING NO. 25AL-0463E

IN THE MATTER OF ADVICE LETTER NO. 898 FILED BY BLACK HILLS COLORADO ELECTRIC, LLC DOING BUSINESS AS BLACK HILLS ENERGY COLORADO P.U.C. NO. 11 TO INCREASE THE TRANSMISSION COST ADJUSTMENT RIDER, TO BECOME EFFECTIVE JANUARY 1, 2026.

**INTERIM COMMISSION DECISION GRANTING
REQUEST FOR ALTERNATIVE FORMS OF NOTICE**

Issued Date: November 20, 2025

Adopted Date: November 5, 2025

I. BY THE COMMISSION

A. Statement, Findings, and Conclusions

1. On October 31, 2025, Black Hills Colorado Electric, LLC (“Black Hills” or the “Company”) filed a Motion for Approval of Alternative Forms of Notice (“Motion”) to apply to Advice Letter No. 898-Electric.¹ By Advice Letter No. 898-Electric, Black Hills seeks to amend its Transmission Cost Adjustment (“TCA”) calculation inputs, on Tariff Sheet No. 101 in the Rates section of its Colo. P.U.C. No. 11-Electric Tariff.

2. Black Hills moves pursuant to § 40-3-104(1)(c)(I)(E), C.R.S., and Rule 1207(b), 4 *Code of Colorado Regulations* (“CCR”) 723-1 of the Commission’s Rules of Practice and Procedure, to provide alternative forms of notice for the Company’s filing to its customers. Black Hills requests Commission approval to use the following forms of notice:

¹ The Motion references Advice Letter No. 876-Electric. The Commission interprets this to be a typographic error.

- Filing with the Commission, and keeping open for inspection, Advice Letter No. 898-Electric, which amends TCA calculation inputs, on Tariff Sheet No. 101 in the Rates section of its Colo. PUC No. 11-Electric Tariff.
- Post on its website at the time of filing: (1) a Customer Notice and (2) Advice Letter No. 898- Electric and its accompanying tariff sheet, for 60 days.
- Printing a message on each applicable customer's bill, for one full billing cycle, providing the website URL for the Customer Notice and Advice Letters and accompanying tariff sheets, and a toll-free phone number for assistance.
- Publishing a legal notice of the Advice Letter No. 897-Electric in three newspapers of general circulation for the service territory: 1) *The Pueblo Chieftain* (two consecutive Tuesdays); and 2) the *Cañon City Daily Record* (two consecutive Fridays); and 3) the *Rocky Ford Daily Gazette* (two consecutive Thursdays)

3. Black Hills maintains that good cause exists for the Commission to approve the proposed alternative forms of notice and that it will avoid incurring the expenses that is entailed in other forms of statutory notice. The Company concludes the proposed alternative forms of notice will be sufficient to alert affected and interested parties to the tariff changes the Company is proposing, including by providing notice of the estimated impact on average customers.

4. Pursuant to § 40-3-104(1)(c)(I)(E), C.R.S., and 4 CCR 723-1-1207(b) of the Commission's Rules of Practice and Procedure, a utility may request to provide alternative forms of notice of a tariff change. We find the alternative forms of notice the Company proposes in the Motion will provide sufficient notice to its customers and will do so efficiently. We therefore find good cause to approve the alternative forms of notice that the Company requests.

II. ORDER

A. It Is Ordered That:

1. The Motion for Approval of Alternative Forms of Notice, filed by Black Hills Colorado Electric, LLC, on October 31, 2025, is granted.

2. This Decision is effective on its Issued Date.

**B. ADOPTED IN COMMISSIONERS' WEEKLY MEETING
November 5, 2025.**
