ESTABLISHING PROCEDURES FOR PRESENTATION OF

Errata Notice mailed May 3, 2016
Original Decision No. R16-0373-I, mailed Date: May 2, 2016

1. Decision No. R16-0373 at paragraph I.C.9. states, “Each person requesting intervention is assigned a block of 100 hearing exhibit numbers. Persons requesting intervention receive blocks starting with 200, in the order that requests or notices of intervention are filed, as reflected in the Commission’s E-Filing System.”

2. As noted in the Errata to Decision No. R16-0334-I, the request for intervention of Colorado Energy Consumers (CEC) was not initially addressed in that decision. The errata to Decision No. R16-0334-I corrected that oversight by addressing the intervention and stating the CEC intervention is granted. Therefore, CEC was not assigned a block of number for the purpose of submitting testimony. CEC will be unused block listed in Decision No. R16-0373-I, which is 1100-1199.
