**INITIAL DECISION GRANTING MOTION FOR AN EXTENSION OF TIME
NOT TO EXCEED THIRTY DAYS FOR ISSUANCE OF DECOUPLING**

Decision No. C92-1398 of the Colorado Public Utilities Commission ("commission"), issued on November 6, 1992, contained several mis-statements.

The existing caption above, of commission Decision No. C92-1398, contains mis-statements and is hereby amended as shown following:

**DECISION GRANTING MOTION FOR AN EXTENSION OF TIME
NOT TO EXCEED THIRTY DAYS SUBSEQUENT TO THE INITIAL DECISION
IN THE DECOUPLING AND DEMAND SIDE MANAGEMENT INCENTIVES
DOCKET (DOCKET NO. 91A-480EG)**

The third sentence of the second paragraph of the Discussion on pages 2-3 is hereby amended to include an insertion of the word "initial" for the paragraph to read as follows:

The commission recognizes that the work of the Collaborative Process would benefit from the issuance of our decision in the Decoupling and Demand Side Management Incentives docket (Docket No. 91A-480EG). Accordingly, we will grant, in part, the Motion for Extension of Time. This extension of time is not to exceed 30 days subsequent to the issuance of our initial decision in Docket No. 91A-480EG. We expect that the applicant, the company, with the cooperation of the parties in the Collaborative Process, will file the DSM application or applications with the commission within this time frame.

Paragraph 1. of the ordering paragraphs is hereby amended to include qualifying language in the second sentence and to read as follows:

1. The Motion for an Extension of Time filed on September 23, 1992 by Public Service Company of Colorado on behalf of the parties to the Demand Side Management Collaborative Process is granted in part. The applicant Public Service Company of Colorado, with the cooperation of the Collaborative Process, shall file a Collaborative Process Demand Side Management application or applications within 30 days subsequent to the mailing date of our initial decision, (i.e., the decision subject to applications for rehearing, reargument or reconsideration) in Docket No. 91A-480EG.
