

Pharmacy Rules & Regulations Disclaimer: *This printed version of these rules and regulations is the most current we presently have available for mailing. However, due to the ongoing review and update of the Pharmacy Rules & Regulations, this document is, by its very nature, a living document and tends to change quite regularly. To verify that you have the most current rules and regulations, you may want to visit the Pharmacy Website to verify that the Effective date of the rules and regulations you have is, indeed the most current.*

If it is not, you may download the most current copy of the rules and regulations from the website or you may request, in writing, a paper copy of this document, from the State Board. Telephonic requests for this document will not be accepted, however, you may e-mail your request if you are able to accept the document via return e-mail.
