DISCIPLINARY ACTIONS AND REGISTRATIONS ONLINE DOCUMENTS

If you would like to view a board action you may use the **Registrations Online Documents (ROD)**. ROD is a website that makes certain scanned documents related to board actions taken on licensees available to the public via the Internet. The document may be found on ROD if a licensee has been disciplined or if the board has taken some other non-disciplinary action against the licensee that restricts or limits the individual's license.

The following documents are available via ROD:

- All Stipulations, Final Agency Orders, and Suspensions that were in effect in February 2000 plus any that became effective since that date. Child support suspensions are not available online but may be obtained by contacting the appropriate board.
- Any document Revoking or agreeing to a Voluntary Relinquishment/Surrender of license or registration, Cease and Desist Orders and Letters of Admonition from January 1, 1999 to the present.
- All Injunctions.
