REPORT OF ARCHITECT LIFE SAFETY CLAIMS UPON JUDGMENT OR SETTLEMENT

Section 12-25-312, C.R.S. – Notification to Board. Each architect shall notify the board of any judgment or settlement involving the architect and resulting from a claim concerning the life safety of the occupants of a building. The architect shall notify the board within sixty days after the judgment or settlement.

Policy 80.2 – Notification to Board of any action or arbitration concerning life safety claims. It is the policy of the Board that life safety includes, but is not necessarily limited to, the minimum requirements to safeguard the public health, safety and general welfare through structural strength, means of egress facilities, stability, sanitation, adequate light and ventilation, and safety to life and property from fire and other hazards.
