OFFICE OF ATHLETIC TRAINER REGISTRATION

ATHLETIC TRAINER REGISTRATION

Athletic trainer registration has been a requirement in Colorado since January 1, 2010. Since that time, 436 athletic trainers have been registered.

An applicant for registration may register in one of two ways. To qualify for new registration, an applicant must:

- Have earned a baccalaureate degree from an accredited college or university;
- Have successfully completed an accredited athletic training education program;
- Pass the required competency exam;
- Submit an application and the appropriate processing fee; and
- Submit such additional information as required by the director.

To obtain a registration by endorsement, an applicant must:

- Submit an application and the appropriate processing fee;
- Hold a current and valid registration or registration in a jurisdiction that requires qualifications that are substantially equivalent to the requirements for obtaining a new Colorado registration; and
- Have either (1) actively practiced for 400 hours per year for the two years immediately preceding the receipt of the application, or (2) otherwise maintained continued competency by completing 48 hours of athletic training continuing education courses during the two years immediately preceding the receipt of the application.

Once an application is complete, it generally takes two weeks for final application approval. Any person practicing as an athletic trainer in Colorado, but who does not have a valid registration, may be subject to disciplinary action. Thanks to all athletic trainers who have registered. To date, the registration process has been virtually seamless and we have received no public complaints about our registrants. Please encourage anyone you know who is practicing as an athletic trainer to comply with Colorado law by promptly registering.

PROOF OF LAWFUL PRESENCE

Effective January 1, 2007, all persons requesting original registration, renewal of an active registration or reinstatement of a lapsed registration must verify lawful presence in the United States based on the passage of House Bill 06S-1009. This bill applies to all applicants and registrants in the Division of Registrations, with the exception of apprentices, interns, and businesses.

Registrations will not be issued or renewed without completing the Affidavit of Eligibility form.

The good news is that you can complete this affidavit online when you renew using Registrations Online Services!

You must possess at least one secure and verifiable document and include information about that document on the Affidavit itself (or provide the information during online renewal). The list of secure and verifiable documents is available to you when you renew online.

More information regarding this law is available on our website at

<http://www.dora.state.co.us/registrations/Affidavit.htm>

HAVE YOU CHANGED YOUR MAILING OR EMAIL ADDRESS LATELY?

It is imperative that you keep your contact information updated with the Division. The Division mails renewal notices and other information to you at the last address furnished to us. Failure to receive a renewal notice does not relieve you of your obligation to timely renew.

Once you have logged into Registrations Online Services, check your mailing address and update it if it is not correct. If you received your renewal notice due to a forwarding order it is important that you change your address on file with us, since we cannot change the information based on the forwarding order.

You should also add or update your email address. The Division wants to keep you abreast of legislation, events and other information that impact your profession. We have recently implemented "eUpdates" and look forward to providing more of these in the future.

WALL CERTIFICATES

For those of you that may be interested, the Division of Registrations is pleased to announce that it has outsourced the production of wall certificates to Wall Certificate Service (WCS) a division of Professional Credential Services, Inc. (PCS). The outsourcing of the certificates provides enhancements to the certificates that both new and existing registrations will find beneficial. Specifically, the certificate provided by WCS is a larger, professionally designed, better quality certificate than what the Division was able to provide. For more information regarding wall certificates, which registration types are eligible, and how to obtain one, please visit our website at <http://www.dora.state.co.us/registrations/wallcert.html>. You will be able to order and pay the fee online. The fee for U.S. residents is \$25 and for international residents there is an additional international shipping fee.

RENEW YOUR REGISTRATION ON TIME!

Athletic Trainer Registrations are set to Lapse on November 30, 2010

You may renew your registration online using Registrations Online Services. Renewals are generally made available 6 to 8 weeks prior to the registration expiration date and there is a 60-day grace period after the deadline. So that means you typically have a timeframe of 16 weeks within which to renew your registration!

Any registration not renewed prior to the end of the grace period will be considered lapsed. Once a registration is in lapsed status, a reinstatement application must be completed and returned to our office with the appropriate fee listed on the form.

If you do not renew your registration prior to the end of the grace period and continue to practice, you will be practicing on a lapsed registration and may be subject to disciplinary action. The Division sees a number of situations every year of individuals who have failed to renew their registration on time and practiced without a registration. The reasons that are offered boil down to some common themes: I forgot; I thought I renewed but I guess I didn't; I moved and I forgot to notify the Division so I never got the renewal notice; I thought that my assistant/secretary/spouse/boyfriend, et cetera, handled it; it's the Division's fault because I *did* renew my registration...or I *thought* I renewed my registration. The result is that depending on how long it takes for the individual to "remember" to renew, the Division often takes disciplinary action against the individual because it is against the law to practice without an active registration.

So, here's where we need your help. And the steps are just 1-2-3 easy!

1. Go to the Division of Registrations website at www.dora.state.co.us/registrations and click on Registrations Online Services to renew your registration.
2. Note the expiration date in your calendar to remind yourself of when it is time to renew your registration the next time.
3. Make sure that the address listed on your record is accurate. If it is not, then update your address with the Division. Remember to update your address anytime that you move so that you do not miss out on any important notices from the Division.

Remember, it is each registrants responsibility to renew his or her registration on time. With our online system, you can handle all of this yourself, any time, day or night.

DISCIPLINARY ACTIONS AND REGISTRATIONS ONLINE DOCUMENTS

If you would like to view an action you may use the **Registrations Online Documents (ROD)**. ROD is a website that makes certain scanned documents related to division actions taken on registrations available to the public via the Internet. The document may be found on ROD if a registration had been disciplined or if the division has taken some other non-disciplinary action against the registration that restricts or limits the individual's registration.

The following documents are available via ROD:

- All Stipulations, Final Agency Orders, and Suspensions that were in effect in February 2000 plus any that became effective since that date. Child support suspensions are not available online but may be obtained by contacting the appropriate board/program.
- Any document Revoking or agreeing to a Voluntary Relinquishment/Surrender of registration or registration, Cease and Desist Orders and Letters of Admonition from January 1, 1999 to the present.
- All Injunctions.

[Click here](#) for more information about the types of documents provided by this online system and definitions of terms used within the disciplinary documents.

If you are interested in viewing these documents, please visit www.dora.state.co.us/registrations/ROD.htm.
