## News Update 2008

### \* New Policies \*

Rosemary McCool, the Director of the Colorado Division of Registrations adopted two new policies on August 13, 2007.

[Director's Policy 3](#) addresses applicants and licensees who have felony convictions.

[Director's Policy 4](#) addresses Permanent Tinting for Eyelashes and Eyebrows.

You may review and obtain copies of all of the policies, rules and statutes on the Office of Barber and Cosmetology Licensure website at

### Proof of Lawful Presence

In July 2006, the Colorado Legislature passed [this bill](#), which requires the Division of Registrations to verify that applicants for licensure and those renewing their licenses be lawfully present in the United States. This bill applies to all applicants for licensure and persons already licensed by various boards and programs of the Division of Registrations.

### Update Your Mailing Address

It is imperative that all licensees and registrants keep their mailing address updated with the Office of Barber and Cosmetology Licensure.

The Office of Barber and Cosmetology Licensure mails renewal information to the licensee at the last address furnished to us. Failure to receive such a renewal notice does not relieve the licensee of the obligation to timely pay the renewal fee and submit appropriate documentation in support of the renewal application. If a licensee performs services without an active license, he or she is in violation of the Practice Act.

The DLS Registration Online system makes it easier for all licensed professionals to renew and update their mailing information at <https://www.doradls.state.co.us/>
