

*Features of the Practice Monitor role*

- Provides a direct monitoring service to another dentist
- Evaluates practice in regular site visits
- Offers suggestions and support
- Submits required reports
- Monitors for a specific time period
- Fee-for-service agreement with monitored dentist

*Could you be a Practice Monitor?*

- Do you have at least five years of experience in the practice of dentistry?
- Are you interested in sharing your expertise with a colleague?
- Are you looking for a way to expand your involvement in the dental profession?

If so, perhaps you should become a Practice Monitor and help other dentists gain control of their careers, maybe their lives.
