DORA Executive Director Barbara Kelley Receives “Women of Wisdom” Sam Cary Award

DENVER – The Department of Regulatory Agencies is proud to announce that Executive Director Barbara J. Kelley was one of three honorees to receive the Sam Cary “Women of Wisdom” 2009 award on Friday, February 5. Other recipients included Leslie Fields, Partner at Faegre & Benson and Stephanie O’Malley, the City and County of Denver Clerk and Recorder.

“This is such a special honor to receive this year’s Sam Cary award,” said Kelley.

The Sam Cary Bar Association was formed in September of 1971, in order to instill professionalism and serve as a vehicle for the exchange of ideas among African-American lawyers. The primary purposes of the organization are to serve the professional needs of its membership; to provide high quality legal services to clients who are more likely than not people of color, with limited access to mainstream legal services at affordable rates; to be role models for young people of color; and to provide community outreach programs and services for populations in need.
