

## **OFFICIAL STATEMENT**

**For Immediate Release - March 5, 2010**

Contact: Chris Lines, Public Information Officer, 303-894-7873

There have been recent press accounts regarding an investigation conducted by the Colorado Division of Real Estate involving American Home Funding. It has been reported that Senator Ted Harvey, who works with the company, is the subject of that investigation. While we will not further comment on ongoing investigations, we believe it is appropriate that we clarify that Sen. Harvey is not the subject of any investigation by the Division.
