

**NATURAL GAS AS AN
ALTERNATE FUEL SOURCE**

THE FOLLOWING DATA SHALL BE SUBMITTED IN WRITING,
PRIOR TO THE RECEIPT OF A
FINAL APPROVED ELECTRICAL INSPECTION:

PLEASE ATTACH:

A written request from the building owner.

Verification from the gas supplier that the gas and electric service is not to be installed in the same trench, and that there is a low probability of a simultaneous failure of both the gas and electric supply.

Verification from the gas supplier regarding the supply of adequate pressure and capacity to meet the manufacturer's requirements for full and continuous load of the generator.

Verification from the gas supplier that the gas supply shall be a non-interruptible class of service.

Copy of notification to the local fire department regarding the type and location of alternate fuel source.
