APPLICATION TO UPDATE EXISTING REGISTRATION—FUNERAL HOME

APPLICANT INSTRUCTIONS

Use this application to:

- **Change the appointed designee, business name, business address, and/or services provided for an existing Funeral Home registration.**
- **Add or remove multiple business names and services provided at the same address for an existing Funeral Home registration.**

Do not use this application to:

- **Change the address of a Funeral Home business currently listed as a multiple business at the same address as an existing Funeral Home registration.**

The business must submit a separate application for its own registration at its new address. The application for an original registration is available at www.dora.state.co.us/funeralhome-crematory/.

Mandatory Practice Act. Colorado has a mandatory practice act, which means that you may not practice as a Funeral Home in this state without a Colorado registration. Submission of this application does not guarantee registration. Therefore, do not make life or career decisions based on the probability that you may receive a registration. Plan ahead for the time it will take for us to receive all required documents and complete our evaluation.

Basic Requirements. Requirements for registration are outlined in the Colorado Revised Statutes, specifically 12-54-110, and the rules and regulations of the Office of Funeral Home and Crematory Registration. Both are available online at www.dora.state.co.us/funeralhome-crematory/index.htm

About the Application. This application is to be completed by you and returned to the Office of Licensing. All questions on the application are mandatory, and all supporting documents must be submitted with the application. You may copy as many forms as needed; however, each form submitted must be completed in original ink or typed. Keep a copy of the completed application for your records.

Application Expiration. Your application will be kept on file for one (1) year from date of receipt in the Division. Your file and all supporting documentation will be purged if you do not submit the required documents and complete your application process in one year.

Disclosure of Addresses. Consistent with Colorado law, all addresses and phone numbers on record with the Division are public record and must be provided to the public when requested. It is your responsibility to keep your address, phone numbers, and contact information up-to-date in our database. All letters, renewal notices, and registrations are mailed to the last known address of record. **If your address is not current, it is possible you will not receive important documents.** You can change your address online by using Registrations Online Services at www.doradls.state.co.us.

IMPORTANT NOTICE

TO: All Applicants

FROM: Rosemary McCool, Director, Division of Registrations

SUBJECT: Licensure and Criminal History

Thank you for your interest in becoming a licensed* professional within the Division of Registrations. Before you submit your application, please be aware of a few facts regarding criminal conduct, convictions, and disciplinary actions in other states.

The mission of the Division of Registrations is “public protection through effective licensure and enforcement.” One way the Division safeguards consumers is by issuing licenses to fully qualified, competent, and ethical applicants.

During the licensing process – and depending on the specific application – the Division will ask whether you have ever been disciplined in any state, arrested, charged, convicted, or pled guilty to a crime. An arrest, subsequent criminal conviction, or disciplinary action is not an automatic disqualification from licensure. Instead, the appropriate board or program will look at the facts surrounding the criminal conduct and disciplinary action to determine whether you are fit for licensure. You should know that licensure is a privilege, not a right. One thing you must do to obtain the privilege is to be completely honest on your application.

Be sure to list all relevant complaints, disciplinary actions, arrests, charges, or convictions in response to the licensure questions. Failure to fully disclose could constitute grounds alone for denial of your application or revocation of your license. More important, avoid some of the common excuses we have heard from people who failed to disclose, such as:

- My attorney told me I didn’t have to disclose the criminal conduct or disciplinary actions.
- I didn’t think the prior conduct had anything to do with the profession.
- I didn’t think the disciplinary action, arrest, charges, or conviction was still on my record.
- I didn’t think it was subject to disclosure because I received a deferred sentence/judgment.

Remember, there is no excuse not to disclose disciplinary actions and criminal conduct. Even after licensure, you are still required to notify your professional licensing board or program about subsequent convictions and disciplinary actions in other states.

The Division conducts audits of its licensing database against several criminal and national disciplinary databases. This allows the Division to verify the truthfulness of your application and track subsequent criminal and disciplinary conduct after initial licensure. Keep in mind, you will not necessarily be revoked or denied a license if you have been disciplined, arrested, charged or convicted, but you will most likely be denied or revoked if you fail to disclose it.

**The word "license" is used as a general term. While most of the professions and occupations are licensed, others may be registered, certified, or listed. For precise terminology and requirements related to a profession or occupation, please consult the [website](#) of the appropriate board or program.*

The content of this application must not be changed. If the content is changed, the applicant may be referred to the Colorado State Attorney General's Office for violation of Colorado law.
