BAIL BOND AGENT APPLICANTS

All Applicants for a Bail Bond Agent license **MUST** submit their completed fingerprint card directly to the Colorado Bureau of Investigation (CBI) as soon as they have determined they are going to pursue a Bail Bond Agent License and prior to sitting for the examination. Submitting the fingerprint card early may expedite the application process.

Effective July 1, 2002 as a result of House Bill 02-1459, The Colorado Bureau of Investigation shall conduct a state and national fingerprint-based criminal history record check utilizing records of the Colorado Bureau of Investigation and the federal Bureau of Investigation.

The applicant **MUST** submit a non-refundable fee of \$39.50 by Cashier Check, Certified Check, Money Order, Credit Card, or Cash directly to the Colorado Bureau of Investigation with the fingerprint card. Fee(s) will be determined by the Colorado Bureau of Investigation. All Cashier Checks, Certified Checks, and Money Orders are to be made payable to the Colorado Bureau of Investigation. If the card is received without proper payment, CBI will reject the card. When the fingerprint check is completed, CBI will forward the card and the results directly to the Division of Insurance.
