### **DORA'S Colorado Division of Insurance Wraps Up Windsor Information Site**

The Colorado Division of Insurance (DOI) announced today that it is finishing up its on-site information station in the Town of Windsor, following a final session scheduled for Wednesday afternoon this week, 3 to 5 p.m. at Windsor Town Hall.

"We've been able to talk to a lot of folks and help them with insurance questions, and it appears that the situation in Windsor is making progress. While we are always able to assist customers who contact our Denver office, by phone and email, we think our presence in the town is no longer needed at this time," said Bobbie Baca, Supervisor of the DOI's Property and Casualty section. "People are busy rebuilding homes and businesses and they know that we are available should there be any insurance questions down the road."

Consumers with insurance questions or problems can contact the Colorado Division of Insurance at 303-894-7490 or 800-930-3745 (toll free outside Denver).
