On April 15, 2004, Inquiry Panel B approved a Second Stipulation and Final Agency Order to run concurrent with the First Stipulation and Final Agency Order. The Stipulations require Respondent to complete probation, CPEP education plan, practice monitoring and also includes treatment monitoring and prescription restrictions. The Stipulation is open for public inspection and is reported as required by law.

Ethan R. Cary, M.D., Greeley, CO License #29496

On March 11, 2004, Inquiry Panel A issued a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

David K. Cobb, M. D. Fort Collins, CO License #32544

On April 8, 2004, Inquiry Panel A approved the termination of the 1998 Stipulation. Dr. Cobb's license has been restored to an active status with no restrictions. This is not a disciplinary action.

William R. Deagle, M.D., Denver, CO License #33863

On April 20, 2004, Inquiry Panel A approved a Stipulation for Interim Agreement of Practice requiring practice restrictions and practice monitoring. The Stipulation is open for public inspection and is reported as required by law.

Frank H. Ernst, M.D., Denver, CO License #30445

On March 11, 2004, Inquiry Panel A issued a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

Charles W. Hastings, M.D., Boulder, CO License #20876

On April 15, 2004, Inquiry Panel B approved a Stipulation and Final Agency Order which requires Respondent to complete a five-year probation, CPEP education plan, maintain photo records of skin lesions and complete practice monitoring. The Stipulation is open for public inspection and is reported as required by law.

Michael G. Kahn, M.D., Boulder, CO License #42473

On April 8, 2004, Licensing Panel A approved a Stipulation and Final Agency Order to issue Respondent a limited license. The Stipulation is open for public inspection and is reported as required by law. This is not a disciplinary action.

Phillip L. Mallory, M.D., Aurora, CO License #24011

On March 11, 2004, Inquiry Panel A issued a Letter of Admonition (LOA) that was accepted by the Respondent. The LOA is open for public inspection and is reported as required by law.

MARCH 2004

Albert Celio, M.D., Broomfield, CO License #27758

On March 2, 2004, Inquiry Panel A approved an Order to suspend Dr. Celio's medical license for failure to comply with a Board Order. The Notice of Suspension is open for public inspection and reported as required by law.

William R. Deagle, M.D., Denver, CO

License #33863

On March 22, 2004, the Colorado Board of Medical Examiners suspended the license of William R. Deagle pursuant to 24-4-104, C.R.S. The Summary Suspension Order is open for public inspection and is reported as required by law.

David L. Koets, M.D., Littleton, CO

License #27211

On March 11, 2004, Inquiry Panel A approved reinstatement of Dr. Koets' medical license via Stipulation and Final Agency Order. The terms of the Order include five years' probation, abstinence from addictive drugs, treatment monitoring and practice monitoring. This Stipulation is open for public inspection and is reported as required by law.

Erik W. Kreutzer, M.D., Lakewood, CO

License #22375

On March 25, 2004, Respondent agreed to a Stipulation and Final Agency Order. The terms of the Order include five years' probation, abstinence from addictive drugs, treatment monitoring and practice monitoring. This Stipulation is open for public inspection and is reported as required by law.

Roderick G. Lamond, M.D., Denver, CO

License #33002

On March 11, 2004, Inquiry Panel A issued a Letter of Admonition (LOA) that was accepted by the Respondent. The LOA is open for public inspection and is reported as required by law.

John J. O'Neill, M.D., Fort Collins, CO

License #17570

On March 22, 2004, Respondent agreed to a Fourth Interim Stipulation. The terms and conditions of the Fourth Interim Stipulation restrict his license as outlined in the Third Interim Stipulation. The Stipulation is open for public inspection and is reported as required by law.

On March 25, 2004, Respondent agreed to a Third Stipulation and Final Agency Order ("Third Order"), which will supersede the Fourth Interim Stipulation. The Third Order has practice restrictions, as well as CPHP monitoring with semiannual reporting. The Third Order also includes an indefinite probationary period. The Third Order is open for public inspection and is reported as required by law.

Rachel T. Schreffler, M.D., Conifer, CO

License #42404

On March 11, 2004, Inquiry Panel A approved a Licensing Agreement whereby Dr. Schreffler agrees to practice monitoring for three months and a minimum of 200 patients. Respondent may petition the Panel after three months for a full and unrestricted license. The Agreement is open for public inspection and is reported as required by law. The Agreement is not a disciplinary action.

FEBRUARY 2004

John H. Emerson, Jr., M.D., Englewood, CO

License #30269(Lapsed)

On February 13, 2004, Inquiry Panel B approved a Stipulation and Final Agency Order wherein Respondent agreed to surrender his Colorado medical license. This Stipulation is open for public inspection and is reported as required by law.

Randy Everett, M.D., Fort Collins, CO

License #30088

On January 15, 2004, Inquiry Panel B issued a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

Alexis Hallock, M.D., Las Vegas, NV

License #34058

On February 13, 2004, Inquiry Panel B approved the Second Stipulation and Final Agency Order wherein the Respondent has agreed to inactivate her Colorado license for an indefinite period. This Stipulation is open for public inspection and is reported as required by law.

Karen Heuer, M.D., Denver, CO

License #33450

On January 15, 2004, Inquiry Panel B issued a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

John J. O'Neill, M.D., Fort Collins, CO

License #17570

On February 13, 2004, Inquiry Panel B approved a Third Interim Stipulation wherein Respondent agreed to a restricted license. The Third Interim Stipulation will expire on March 22, 2004. The Stipulation is open for public inspection and is reported as required by law.

Michael C. Saathoff, M.D., Pueblo, CO

License #36371

On February 11, 2004, Inquiry Panel A approved the termination of the 1998 Stipulation due to successful completion. Dr. Saathoff's license has been restored to an unrestricted status.

George D. Steinman, M.D., Meeker, CO

License #21854

On February 11, 2004, Inquiry Panel A approved a Stipulation and Final Agency Order (Second), wherein Respondent agreed to surrender his license to practice medicine in Colorado. Respondent wishes to retire from the practice of medicine. This Stipulation is open for public inspection and reported as required by law.

David W. Terry, D.O., Grand Junction, CO

License #23358

On February 13, 2004, Inquiry Panel B approved the Stipulation and Final Agency Order wherein Respondent agreed to three-years' probation, CPHP treatment monitoring, CPEP education plan and to continue with practice monitoring as required in the First and Second Stipulation. This Stipulation is open for public inspection and is reported as required by law.

Paul C. Williams, M.D., Tualatin, OR

License #17317

On February 13, 2004 Licensing Panel B granted reinstatement of his lapsed Colorado medical license with restrictions to perform independent medical examinations only (IMEs). This Second Stipulation and Final Agency Order is open to public inspection and reported as required by law.

JANUARY 2004

Robert F. Brown, M.D., Pagosa Springs, CO

License #36052

Issue: Stipulation and Final Agency Order

Outcome: On January 8, 2004, Inquiry Panel A approved a Stipulation and Final Agency Order in which Respondent agreed to five years' probation, abstinence from addictive substances, and treatment and practice monitoring. This Order is open for public inspection and is reported as required by law.

John H. Emerson, Jr., M.D., Englewood, CO

License #30269(Lapsed)

Issue: Formal Complaint filed with the Division of Administrative Hearings

Outcome: On December 30, 2003, the Colorado Attorney General's Office filed a Formal Complaint with the Division of Administrative Hearings on behalf of the Board of Medical Examiners. The Complaint is open for public inspection and is reported as required by law.

Kim E. Nagel, M.D., Highlands Ranch, CO

License #22737

Issue: Stipulation and Final Agency Order

Outcome: Respondent surrendered his Colorado medical license as set forth in the January 15, 2004 Stipulation and Final Agency Order. Dr. Nagel admitted in the Stipulation to engaging in a sexual relationship with two patients while serving as the patients' psychiatrist. This Order is open for public inspection and is reported as required by law.

Robert W. Lawrence, M.D., Fort Collins, CO

License #20213

Issue: Letter of Admonition

Outcome: On January 15, 2004, Inquiry Panel B issued a letter of admonition (LOA). The LOA is open for public inspection and is reported as required by law.

John J. O'Neill, M.D., Fort Collins, CO License #17570
Issue: Second Interim Stipulation
Outcome: Respondent agreed to the terms and conditions of the Second Interim Stipulation placing restrictions on Respondent's medical practice. The Second Interim Stipulation supersedes the first Interim Stipulation which was in effect from December 24, 2003 until January 22, 2004. The Stipulations are open for public inspection and are reported as required by law.

Teresa L. Platt, M.D., Glenwood Springs, CO License #41008
Issue: Second Interim Stipulation
Outcome: On January 8, 2004, Inquiry Panel A approved the Second Interim Stipulation which allows applicant additional time to complete the CPEP educational plan addendum. The Stipulation also extends Respondent's license for an additional year to complete the educational plan and its activities. This Order is open for public inspection and is reported as required by law.

Scott C. Russell, D.O., Cedaredge, CO License #37185
Issue: Suspension
Outcome: On January 8, 2004, Inquiry Panel A issued an Order of Suspension pursuant to section 12-36-118 (5)(g)(IV), C.R.S., until information is provided that Respondent is again within compliance of the Board's Order and safe to practice. This Order is open for public inspection and is reported as required by law.

George D. Steinman, M.D., Meeker, CO License #21854
Issue: Stipulation and Final Agency Order
Outcome: On January 8, 2004, Inquiry Panel A approved a Stipulation and Final Agency Order in which Respondent agreed to five years' probation, CPEP education program and practice monitoring. The Order is open for public inspection and is reported as required by law.

DECEMBER 2003

Jon A. Bell, M.D. Denver, CO License #22981
Issue: Termination of 1998 Stipulation and Final Agency Order
Outcome: On December 11, 2003, Inquiry Panel A approved Respondent's request to terminate his 1998 Stipulation and Final Agency Order. Respondent has fulfilled all of the requirements and his license has been restored to an active status.

Russell Copelan, M.D., Manitou Springs, CO License #24453
Issue: Third Stipulation and Final Agency Order
Outcome: On December 18, 2003, Inquiry Panel B put into effect the Third Stipulation and Final Agency Order in which Respondent agreed to five-years probation, a Boundaries Course, CPEP learning plan, chaperone and practice monitoring. The Order is open for public inspection and is reported as required by law.

Lorraine Dickey, M.D., Colorado Springs, CO License #37535
Issue: Termination of 1998 Stipulation and Final Agency Order
Outcome: On December 18, 2003, Inquiry Panel B approved Respondent's request to terminate her 1998 Stipulation. Respondent has fulfilled all the requirements and her license has been restored to an active status.

Stephen M. Girard, M.D., Pueblo, CO License #40232
Issue: Letter of Admonition
Outcome: On November 14, 2003, Inquiry Panel B issued a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

Adrienne E. Knight, M.D., Denver, CO License #39103
Issue: Sixth Stipulation and First Final Agency Order
Outcome: On December 11, 2003, Inquiry Panel A approved the Sixth Stipulation and First Final Agency Order in which Respondent agreed to inactivate her license. If Respondent wishes to reactivate her license, other conditions must be met in order to do so. This Order is open for public inspection and is reported as required by law.

William G. Mehos, M.D., Salida, CO License #12740
Issue: Letter of Admonition
Outcome: On November 12, 2003, Inquiry Panel A issued a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

Scott C. Russell, D.O., Cedaredge, CO License #37185
Issue: Letter of Admonition
Outcome: On November 12, 2003, Inquiry Panel A issued a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

Charles E. Snyder, M.D., Pueblo, CO License #20838
Issue: Termination of 1998 Stipulation and Final Agency Order
Outcome: On December 11, 2003, Inquiry Panel A approved Respondent's request to terminate his 1998 Stipulation. Respondent has fulfilled all the requirements and his license has been restored to an active status.

NOVEMBER 2003

Janet M. Basinger, M.D. Alamosa, CO License #40128
Issue: Letter of Admonition
Outcome: On October 9, 2003, Inquiry Panel A issued Respondent a Letter of Admonition (LOA) for failure to comply with the Board's Order. The LOA is a matter of public record, open for public inspection and reported as required by law.

David M. Bradley, M.D., Vail, CO License #36196
Issue: Letter of Admonition
Outcome: On October 9, 2003, Inquiry Panel A issued Respondent a Letter of Admonition (LOA). The LOA is a matter of public record, open for public inspection and reported as required by law.

Richard Bury, M.D., Aurora, CO License #23175
Issue: Formal Complaint filed with Division of Administrative Hearings
Outcome: The Colorado Board of Medical Examiners by the Colorado Attorney General filed a Formal Complaint against Richard Bury, M.D., on November 20, 2003. The Complaint is open for public inspection and reported as required by law.

Franklin S. Chow, M.D., Vail, CO License #25189
Issue: 1998 Stipulation and Final Agency Order terminated
Outcome: On November 14, 2003, Inquiry Panel B approved the termination of Respondent's 1998 Stipulation and Final Agency Order. Respondent has completed all of the requirements of the Stipulation. His license is restored to an active, unrestricted status.

Robert H. Fenster, D.O., Denver, CO License #18125
Issue: 2001 Stipulation and Final Agency Order terminated
Outcome: On November 12, 2003, Inquiry Panel A approved the termination of Respondent's 2001 Stipulation and Final Agency Order. Respondent has completed all of the requirements of the Stipulation. His license has been restored to an active, unrestricted status.

Reginald F. Finger, M.D., Colorado Springs, CO License #38340
Issue: Second Stipulation and Final Agency Order
Outcome: On November 12, 2003, Inquiry Panel B approved a Second Stipulation and Final Agency Order to modify the terms of the 1999 Stipulation. The Second Stipulation includes a permanent practice restriction to practice medicine only as directly related to work in Public Health Administration excluding direct patient care and/or dispensing medical advice to the public. This is not a disciplinary action. The Order is a matter of public record, open for public inspection and reported as required by law.

Christian Hageseth, III, M.D., Fort Collins, CO License #21721
Issue: Third Stipulation and Final Agency Order ("Order")
Outcome: On November 14, 2003, Inquiry Panel B approved a Third Stipulation and Final Agency Order allowing Respondent to perform Independent Medical Examinations (IMEs) in addition to his research activities. The terms of the First Order remain in effect. This Third Order replaces the Second Order. The Order is a matter of public record, open for public inspection and reported as required by law.

Terry J. Heindel, M.D., Denver, CO License #34601
Issue: 1998 Stipulation and Final Agency Order terminated
Outcome: On November 14, 2003, Inquiry Panel B approved the termination of Respondent's 1998 Stipulation and Final Agency Order. Respondent has completed all requirements of the Stipulation. His license has been restored to an active, unrestricted status.

Robert W. Lawrence, M.D., Fort Collins, CO License #20213
Issue: Formal Complaint filed with Division of Administrative Hearings
Outcome: The Colorado Board of Medical Examiners by the Colorado Attorney General filed a Formal Complaint against Robert W. Lawrence, M.D., on November 24, 2003. The Formal Complaint is open for public inspection and reported as required by law.

Ulysses G. Mason, III, M.D., Denver, CO License #21564
Issue: Stipulation and Final Agency Order
Outcome: On November 12, 2003, Inquiry Panel A approved the Stipulation and Final Agency Order whereby Respondent agreed to permanently inactivate his license to practice medicine. Respondent agrees not to apply for reactivation of his license or to apply for a new license. The Order is a matter of public record, open for public inspection and reported as required by law.

William H. Mendez, M.D., Denver, CO License #15913
Issue: Stipulation and Final Agency Order
Outcome: On October 28, 2003, Respondent agreed to retire from the practice of medicine and relinquish his license. The Order is a matter of public record, open for public inspection and reported as required by law.

Gary S. Milzer, M.D., Denver, CO License #42171
Issue: Stipulation and Final Agency Order
Outcome: On November 12, 2003, Licensing Panel A approved a Stipulation and Final Agency Order granting the Applicant a limited license to practice medicine. Applicant has agreed to a Stipulation and Final Agency Order issuing him a license limited to administrative medicine only. The Order includes a five-year probationary period, treatment monitoring and abstinence from addictive substances. The Order is a matter of public record, open for public inspection and reported as required by law.

Michael B. Moore, M.D., Denver, CO License #42173
Issue: Fourth Stipulation and Final Agency Order
Outcome: On November 14, 2003, Licensing Panel B approved a Fourth Stipulation and Final Agency Order whereby Respondent has agreed to a limited license to complete a CPEP educational plan and to undergo CPHP monitoring. The Order is a matter of public record, open for public inspection and reported as required by law.

David K. Rosenthal, M.D., Sacramento, CA

License #32226

Issue: Stipulation and Final Agency Order

Outcome: On November 14, 2003, Licensing Panel B approved a Stipulation and Final Agency Order granting Applicant a restricted license to only practice medicine within a correctional facility and to complete a boundaries course. The Order is a matter of public record, open for public inspection and reported as required by law.

OCTOBER 2003

Gary N. Axelrad, M.D. Manalapan, NJ

License #42093

Issue: Stipulation and Final Agency Order

Outcome: On October 16, 2003, Licensing Panel B approved the restricted license that Respondent not perform any surgical procedures due to a physical disability. This Stipulation is not a disciplinary action. The Order is open for public inspection and is reported as required by law.

Herbert N. Chado, M.D., Evergreen, CO

License #27381

Issue: Stipulation and Final Agency Order terminated

Outcome: On October 9, 2003, Inquiry Panel A approved the termination of Respondent's Stipulation and Final Agency Order. Respondent's medical license is restored to active status with no conditions.

Steven T. Chetham, M.D., Louisville, CO

License #35718

Issue: Letter of Admonition

Outcome: On October 2, 2003, Respondent agreed to a Stipulated Letter of Admonition (LOA) in lieu of a hearing. The Respondent admits to a violation of 12-36-117(1)(cc), C.R.S. The Order is open for public inspection and is reportable as required by law.

Erik W. Kreutzer, M.D., Lakewood, CO

License #22375

Issue: Stipulation for Interim Cessation of Practice

Outcome: On October 16, 2003, Inquiry Panel B approved an Interim Cessation Stipulation whereby Respondent has agreed not to practice medicine. The Stipulation became effective October 21, 2003. The Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner Databank. The Order does not constitute disciplinary action. The Order is a matter of public record and is open for public inspection.

Brian M. McGuire, M.D., Boulder, CO

License #17404

Issue: Stipulation and Final Agency Order for a limited license

Outcome: On October 27, 2003, Licensing Panel A approved the Stipulation and Final Agency Order that grants Respondent a limited license to perform history and physical exams on patients admitted to nursing homes. The Stipulation is not a disciplinary action. The Stipulation is a matter of public record, open for public inspection and reported as required by law.

Teresa L. Platt, M.D., Glenwood Springs, CO

License #41008

Issue: Interim Stipulation

Outcome: On October 9, 2003, Inquiry Panel A approved the Interim Stipulation to allow Respondent an additional 90 days to complete the necessary requirements of the Third Stipulation and Final Agency Order dated 10/10/02. The Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner Databank. The Order does not constitute disciplinary action. The Order is a matter of public record and is open for public inspection.

John J. Rubino, M.D., Castle Rock, CO

License #36369

Issue: Stipulation for Interim Cessation of Practice

Outcome: On October 16, 2003, Inquiry Panel B approved an Interim Cessation of Practice whereby Respondent agreed not to practice medicine until the Panel finds that Respondent is able to practice medicine safely. The Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner Databank. The Order does not constitute disciplinary action. The Order is a matter of public record and is open for public inspection.

Joseph M. Sharkey, M.D., Golden, CO License #19708
Issue: Stipulation and Final Agency Order
Outcome: On October 16, 2003, Inquiry Panel B approved a Stipulation and Final Agency Order whereby Respondent agreed to permanent practice restrictions and completion of CPEP documentation seminar post-program. The Order is a matter of public record, open for public inspection and reported as required by law.

John P. Smith, M.D., Thornton, CO License #17620
Issue: Letter of Admonition
Outcome: On September 18, 2003, Inquiry Panel B issued Dr. Smith a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

Michael S. Woods, M.D., Mancos, CO License #42094
Issue: Stipulation and Final Agency Order
Outcome: On October 9, 2003, Licensing Panel A granted applicant a limited license to complete his CPEP educational plan. The Order is not a disciplinary action. The Order is a matter of public record and is open for public inspection and reported as required by law.

SEPTEMBER 2003

Thomas B. Beach, M.D. Grand Junction, CO License #33370
Issue: Stipulation for limited license
Outcome: On September 18, 2003, Inquiry Panel B issued applicant a limited license solely for the interpretation of non-invasive diagnostic tests. This is not a disciplinary action. This Order is open for public inspection and is reported as required by law.

James E. Damon, M.D., C'oeur D'Alene, ID License #41905
Issue: Stipulation for limited license
Outcome: On August 13, 2003, Inquiry Panel A issued applicant a limited license solely to perform independent medical exams. Said Stipulation and Final Agency Order includes probation, CPEP education plan and treatment monitoring. This Order is open for public inspection and is reportable as required by law.

Allen B. Dunning, M.D., Erie, CO License 34167
Issue: Formal complaint filed
Outcome: On September 24, 2003, a Formal Complaint was filed by the Attorney General's Office with the Division of Administrative Hearings. The Formal Complaint is open for public inspection and is reported as required by law.

James T. Heiberger, M.D., Colorado Springs, CO License #24223
Issue: Stipulation and Final Agency Order
Outcome: On September 11, 2003, Inquiry Panel A issued a Stipulation with permanent practice restrictions against unsupervised contact with patients under 18 years old, a mandatory disclosure statement signed by the parent or guardian, probationary practice, compliance monitoring and a CPEP documentation seminar. This Order is open for public inspection and is reported as required by law.

Scott C. Russell, D.O., Cedaredge, CO License #37185
Issue: Vacated suspension order
Outcome: On September 11, 2003, Inquiry Panel A determined that Respondent is now in compliance with the previous Stipulation issued August 14, 2002; therefore, the suspension issued to him on July 10, 2003, has been vacated. This Order is open for public inspection and is reported as required by law.

Ann K. Smith-Rudnick, M.D., Littleton, CO

License #39352

Issue: Stipulation and Final Agency Order terminated

Outcome: On September 18, 2003, Inquiry Panel B approved the termination of Respondent's 1998 Stipulation and Final Agency Order. This Order is open for public inspection and is reported as required by law.

Michael Spector, M.D., Superior, CO

License #39578

Issue: Stipulation for Interim Cessation of Practice

Outcome: On September 18, 2003, Inquiry Panel B approved an Interim Cessation of Practice, due to Respondent's self-reported relapse and use of controlled substances. Pursuant to this agreement, Respondent agreed not to practice until the Panel approves his treatment program. The Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner Databank. The Order does not constitute disciplinary action. The Order is a matter of public record and is open for public inspection.

AUGUST 2003

Mariovista Frogozo, M.D., San Diego, CA

License #41866

Issue: Stipulation for limited licensure

Outcome: On July 17, 2003, Licensing Panel B issued Respondent a one-year license with practice monitoring requirements. The Stipulation became effective August 4, 2003 to expire on August 4, 2004, unless the Panel issues another Order. This Order is open for public inspection and is reportable as required by law; however, it is not a disciplinary action

Paul E. Garland, M.D., Panama City, FL

License #32406

Issue: Letter of Admonition

Outcome: On July 17, 2003, Inquiry Panel B issued Dr. Garland a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

James S. Jacobs, Denver, CO

License #25084

Issue: Failure to respond to Board inquiry

Outcome: On July 10, 2003, Inquiry Panel A issued a Letter of Admonition (LOA) for Respondent's failure to respond to the Board. The LOA is open for public inspection and is reported as required by law.

Adrienne E. Knight, M.D., Denver, CO

License #39103

Issue: Fifth Interim Cessation of Practice

Outcome: On July 12, 2003, Inquiry Panel A approved a Fifth Interim Cessation of Practice, whereby Respondent agrees to cease the practice of medicine until September 2, 2003, unless modified by the Panel. The Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner Databank. The Order does not constitute disciplinary action. The Order is a matter of public record and is open for public inspection.

Joseph M. Sherman, M.D., Grand Junction, CO

License #19940

Issue: Boundary violation

Outcome: On August 13, 2003, Inquiry Panel A approved a Stipulation and Final Agency Order whereby Respondent agrees to a five-year probation, treatment monitoring with CPHP and a boundaries course. This Order is open for public inspection and is reported as required by law.

JULY 2003

Janet M. Basinger, M.D., Alamosa, CO

License #40128

Issue: Vacated Suspension Order

Outcome: On July 10, 2003, Inquiry Panel A reviewed information which documented she was again in compliance with the Stipulation dated January 9, 2003. Therefore, the Suspension issued to her on June 12, 2003, has been vacated. The Order is a matter of public record and is open for public inspection and reported as required by law.

Dalrie H.A. Berg, D.O., Thornton, CO

License #13215

Issue: Revocation of medical license

Outcome: A Final Board Order was issued by Hearings Panel B on July 17, 2003. The Order was based on the November 12, 2002 Initial Decision rendered by the Administrative Law Judge, Judith F. Schulman. The Order, the Initial Decision and other pleadings are a matter of public record and are open for public inspection and reported as required by law.

Craig S. Colberg, M.D., Greeley, CO

License #21635

Issue: Failure to meet generally accepted standards of medical practice

Outcome: On June 19, 2003, Inquiry Panel B approved a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

Paul A. Cooper, M.D., Grand Junction, CO

License #30501

Issue: Rescinded Letter of Admonition

Outcome: On July 10, 2003, Inquiry Panel A reviewed additional information and rescinded the Letter of Admonition issued on April 10, 2003, so that the Respondent may respond to an inquiry from the Board.

Ken D. Danylchuk, D.O., Pueblo, CO

License #29760

Issue: Failure to meet generally accepted standards of medical practice

Outcome: On June 12, 2003, Inquiry Panel A approved a Letter of Admonition (LOA). The LOA is open for public inspection and reported as required by law.

Terry A. Downing, M.D., Denver, CO

License #18110

Issue: Failure to meet generally accepted standards of medical practice

Outcome: On June 12, 2003, Inquiry Panel A approved a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

Diane Hartman, M.D., Wheat Ridge, CO

License #30949

Issue: Completed Stipulation and Final Agency Order

Outcome: On July 10, 2003, Inquiry Panel A reviewed the information submitted by Respondent stating that she had completed the requirements of the June 11, 1998 Stipulation and Final Agency Order. The Panel approved Respondent's request to restore her license to active, unrestricted status. The decision of the Panel is public and is reported as required by law.

Charles W. Hastings, M.D., Westminster, CO

License #20876

Issue: Stipulation for Interim Cessation of Practice

Outcome: On June 19, 2003, Inquiry Panel B approved an Interim Cessation Stipulation, whereby the Respondent agreed not to practice medicine in lieu of summary suspension proceedings. The Order is a matter of public record and is open for public inspection. The Order is not a disciplinary action.

Rick E. Kiser, M.D., Greeley, CO

License #22709

Issue: Failure to meet generally accepted standards of medical practice

Outcome: On June 19, 2003, Inquiry Panel B approved a Letter of Admonition. The LOA is open for public inspection and is reported as required by law.

Jerome C. Landblom, M.D., Thornton, CO

License #30664

Issue: Boundary violation

Outcome: On July 17, 2003, Inquiry Panel B approved a Stipulated Letter of Admonition (LOA), along with a requirement that he complete a boundaries course. This Order is open for public inspection and is reported as required by law.

Scott A. Monheit, D.O., Englewood, CO

License #39688

Issue: Substance abuse

Outcome: On July 17, 2003, Inquiry Panel B approved a Stipulation and Final Agency Order, whereby Respondent agrees to a five-year probation, treatment monitoring with CPHP and practice monitoring. This Order is open for public inspection and is reported as required by law.

Mary A. Reeves, M.D., Salida, CO

License #31058

Issue: Stipulation and Final Agency Order

Outcome: On July 10, 2003, Inquiry Panel A approved a Stipulation and Final Agency Order, whereby Respondent agreed to a three-year probation, CPEP Educational Plan and practice monitoring. The Order is a matter of public record and is open for public inspection and is reported as required by law.

Augustine Rios, M.D., Denver, CO

TL License #523

Issue: Suspension Order

Outcome: On July 17, 2003, Inquiry Panel B approved a Suspension Order suspending Respondent's license to practice medicine for failure to comply with an Order of the Board. The Order is a matter of public record and is open for public inspection and is reported as required by law.

Scott C. Russell, D.O., Cedaredge, CO

License #37185

Issue: Suspension Order

Outcome: On July 10, 2003, Inquiry Panel A reviewed information stating that Respondent had failed to comply with the August 14, 2002 Board Order. The Panel issued a Suspension Order against Respondent's medical license. The Order is a matter of public record, open for public inspection and reported as required by law.

Randall L. Snook, M.D., Castle Rock, CO

License #34633

Issue: Completed Stipulation and Final Agency Order

Outcome: On July 10, 2003, Inquiry Panel A reviewed the information submitted by the Respondent and approved his request to terminate his June 8, 2000 Stipulation and Final Agency Order. Respondent's license has been restored to an active, unrestricted status. The decision of the Panel is public and is reported as required by law.

Warren I. Tripp, M.D., Boulder, CO

License #25330

Issue: Failure to meet generally accepted standards of medical practice

Outcome: On June 12, 2003, Inquiry Panel A approved a Letter of Admonition (LOA). The LOA is open for public inspection and is reported as required by law.

JUNE 2003

Janet M. Basinger, M.D., Alamosa, CO

License #40128

Issue: Suspension Order

Outcome: On June 12, 2003, Inquiry Panel A reviewed information stating that Respondent had been terminated from the CPEP program and failed to participate in practice monitoring as required by the Stipulation dated January 9, 2003. The Order is a matter of public record and is open for public inspection. The Order is reported as required by law.

Kak-Chen Chan, M.D., Denver, CO License #39193
Issue: Failure to meet generally accepted standards of medical practice
Outcome: On June 19, 2003, Inquiry Panel B issued Respondent a Letter of Admonition (LOA) whereby Respondent accepted the LOA regarding his substandard care, which constitutes unprofessional conduct pursuant to section 12-36-117, C.R.S. Respondent waived the right to contest the LOA as provided in section 12-36-118 (4)(c)(III), C.R.S. The LOA is open for public inspection and reported as required by law.

Gary V. Gieringer, M.D., Colorado Springs, CO License #15247
Issue: Violation of a Stipulation and Final Agency Order
Outcome: On May 16, 2003, Inquiry Panel B issued Respondent a Letter of Admonition (LOA) whereby Respondent accepted the LOA regarding the violation of his Second Stipulation and Final Agency Order. The LOA is for public inspection and reported as required by law.

Richard C. Gingery, M.D., Montrose, CO License #17662
Issue: Stipulation and Final Agency Order
Outcome: On June 12, 2003, Inquiry Panel approved the Stipulation and Final Agency Order to accept his relinquished license. Respondent is retiring from the practice of medicine and will no longer practice medicine in the state of Colorado. The Order is open for public inspection and is reported as required by law.

Terry L. Hamburg, D.O., Aurora, CO License #31890
Issue: Stipulation and Final Agency Order
Outcome: On June 19, 2003, Inquiry Panel B approved a Stipulation and Final Agency Order that includes a Letter of Admonition (LOA) and requires him to notify the Panel if he wishes to practice clinical medicine outside the military setting. There is no probation involved with this Order. The Order is open for public inspection and reported as required by law.

Thomas A. Hoffeld, M.D., Fort Lauderdale, FL License #41170
Issue: Failure to meet generally accepted standards of medical practice
Outcome: On December 19, 2002, Inquiry Panel B approved a Stipulation and Final Agency Order whereby Respondent agreed to the Stipulation agreement based on the actions taken against his Florida medical license. The Stipulation consists of probationary terms for three years, practice restrictions, practice monitoring. His orthopedic practice is limited to an office practice, straightforward fracture cases and routine non-complex orthopedic surgery. Respondent shall refer complex orthopedic surgery cases to appropriate surgical centers in Pueblo, Colorado Springs, Denver metropolitan area or elsewhere. Complex orthopedic surgery means surgery on the spine, head and neck and complex joint replacements. This Order is open for public inspection and is reported as required by law.

Michael W. Johnson, M.D., Durango, CO License #36335
Issue: Opioid dependence
Outcome: On December 12, 2002, Inquiry Panel A approved a Second Stipulation and Final Agency Order whereby Respondent agrees to a five-year probation, abstinence from addictive substances, practice restrictions, treatment monitoring with CPHP and practice monitoring. The Order is open for public inspection and is reported as required by law.

Adirenne E. Knight, M.D., Denver, CO License #39103
Issue: Third (actually Fourth) Interim Cessation of Practice
Outcome: Third (actually Fourth) Stipulation for Interim Cessation to Practice approved by Inquiry Panel A on June 12, 2003, whereby Respondent agrees to cease the practice of medicine until August 1, 2003, unless modified by the Panel. The Order is not a final action as defined in section 24-4-102 (1), C.R.S., and is not reportable to the National Practitioners Databank. The Order does not constitute disciplinary action. The Order is a matter of public record and is open for public inspection.

Jean E. Kunin, M.D., Denver, CO License #25908
Issue: Failure to meet generally accepted standards of medical practice
Outcome: On June 19, 2003, Inquiry Panel B approved a Stipulation and Final Agency Order whereby Respondent agrees to a five-year probation, which includes practice monitoring and treatment monitoring with CPHP. The Order is open for public inspection and is reported as required by law.

Laurence S. Lopez, M.D., Colorado Springs, CO License #27415
Issue: Second Stipulation and Final Agency Order
Outcome: On June 12, 2003, Inquiry Panel A approved a Stipulation and Final Agency Order to run concurrent with terms of the first Stipulation and Final Agency Order dated August 14, 2002. Respondent's license remains under probation pursuant to the 2002 Order and probationary period is extended until all terms of the 2003 Order are successfully completed. The 2003 Order supersedes the conditions of the 2002 Order. Two practice monitors are to review 100% of his charts and he is required to complete a one-year modified residency program followed by another CPEP assessment and further recommendations, if any.

Gary E. McKinney, M.D., Canon City, CO License #29138
Issue: Failure to meet generally accepted standards of medical practice
Outcome: On May 16, 2003, Inquiry Panel B issued Respondent a Letter of Admonition (LOA) whereby Respondent accepted the LOA regarding his medical care of a patient. The LOA is open for public inspection and is reported as required by law.

Carey E. Renken, M.D., Denver, CO License #39769
Issue: Third Stipulation and Second Final Agency Order
Outcome: On July 19, 2003, Inquiry Panel B approved a Third Interim Stipulation. Respondent has agreed to indefinite probation. Her license is restricted to practice in the residency program at UCHSC for child psychiatry. This Stipulation is open for public inspection and is reported as required by law.

David W. Terry, D.O., Grand Junction CO License #23358
Issue: Third Interim Cessation of Practice Stipulation
Outcome: On June 19, 2003, Inquiry Panel B approved a Third Interim Cessation of Practice Stipulation Agreement in effect through September 1, 2003. The Third Interim Cessation Stipulation is to allow sufficient time to finalize a resolution in this matter and in consideration of the First and Second Stipulation. This Stipulation does not constitute disciplinary action and is not reportable to the National Practitioners Databank. The Stipulation is a matter of public record and is open for public inspection.

MAY 2003

Dalrie H.A. Berg, D.O., Thornton, CO License #13215
Issue: Stipulation for Interim Cessation of Practice
Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on May 15, 2003, whereby Respondent agrees to cease the practice of medicine in Colorado effective May 15, 2003 to August 15, 2003. This Stipulation is not a final action as defined in section 24-4-102 (1), C.R.S., and is not reportable to the National Practitioners Databank. The Stipulation does not constitute disciplinary action. The Stipulation is a matter of public record and is open for public inspection.

John H. Clifford, M.D., Greenwood Village, CO License #14015
Issue: Stipulation for limited licensure
Outcome: Stipulation and Final Agency Order approved by Licensing Panel B on May 16, 2003 granting reactivation of a limited license whereby Respondent agreed to limit his license to only practice administrative medicine in the state of Colorado. This is not a disciplinary action. The Order is open for public inspection and reported as required by law.

Paul A. Cooper, M.D., Grand Junction, CO License #30501
Issue: Failure to respond to Board inquiry
Outcome: Letter of Admonition (LOA) issued by Inquiry Panel A on April 10, 2003 for Respondent's failure to respond to the Board. The LOA is open for public inspection and reported as required by law.

Anne M. Coury, M.D., Littleton, CO License #30702
Issue: Completed surgical monitoring requirement of Stipulation
Outcome: On May 16, 2003, Inquiry Panel B of the Colorado Board of Medical Examiners granted Dr. Coury's request to terminate the surgical monitoring requirement from the Stipulation and Final Agency Order dated January 12, 2002. All other probationary terms of the January 2002 Stipulation still remain in effect. The Stipulation is a matter of public record and is open for public inspection.

Donald P. Gutstadt, P.A., Englewood, CO License #206
Issue: Substandard patient care
Outcome: Letter of Admonition (LOA) issued by Inquiry Panel B on March 27, 2003 for substandard patient care. The LOA is open for public inspection and reported as required by law.

Perry L. Haney, M.D., Denver, CO License #32744
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on April 17, 2003 requiring the Greeley Company to review 25 patient charts within six months of the effective date of the Stipulation. The Stipulation and Final Agency Order is open for public inspection and is reported as required by law.

Adrienne E. Knight, M.D., Denver, CO License #39103
Issue: Third Stipulation for Interim Cessation
Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on May 14, 2003, whereby Respondent agrees to cease the practice of medicine until June 16, 2003, unless modified by the Panel. The Stipulation is not a final action as defined in section 24-4-102 (1), C.R.S., and is not reportable to the National Practitioner's Databank. The Stipulation does not constitute disciplinary action. The Stipulation is a matter of public record and is open for public inspection.

John R. Nordlund, M.D., Rochester, MN License #41646
Issue: Stipulation and Final Agency Order for restricted license due to physical disability
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on May 16, 2003. Respondent has agreed to a non-surgical practice. This Order is open for public inspection and reported as required by law.

Kathleen B. Polo, M.D., Colorado Springs, CO License #36931
Issue: Stipulation and Final Agency Order completed
Outcome: 1998 Stipulation and Final Agency Order has been completed.

Bernard J. Powers, M.D., Villanova, PA License #28046
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Stipulation and Final Agency Order for a Letter of Admonition accepted by Respondent on April 28, 2003 regarding his medical care and treatment of a patient. The Stipulated Letter of Admonition is open for public inspection and reported as required by law.

Charlotte D. Scanlon, M.D., Colorado Springs, CO License #31977
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Stipulation and Final Agency Order was approved by Inquiry Panel A on May 14, 2003, whereby Respondent agrees to a five-year probation, which includes practice monitoring, treatment monitoring, CPEP assessment and completion of a boundaries course. The Order is open for public inspection and is reported as required by law.

Harry L. Wherry, M.D., Longmont, CO License #11305

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued by Inquiry Panel B on April 17, 2003. The LOA is open for public inspection and reported as required by law.

APRIL 2003

Gary V. Gieringer, M.D., Colorado Springs, CO License #15247

Issue: Suspension Vacated

Outcome: Inquiry Panel B on April 17, 2003, vacated the summary suspension for failure to comply. The remaining terms and conditions of the Second Stipulation are still in effect. The Order is open for public inspection and reported as required by law.

Karl E. Olsen, M.D., Fort Collins, CO License #37735

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued by Inquiry Panel A on April 10, 2003, whereby Respondent accepted the LOA regarding his medical care of a patient. Respondent waived the right to contest the LOA as provided by section 12-36-118(4)(c)(III), C.R.S. The LOA is open for public inspection and is reported as required by law.

Nancy A. Smith, P.A., Denver, CO License #1354

Issue: Stipulation and Final Agency Order

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on April 17, 2003, whereby Respondent agreed and admitted to unprofessional conduct. The Stipulation includes a stayed suspension if she completes 45 hours of community service and complies with the other terms and conditions of the Stipulation. Respondent's physician assistant's license is placed on a 24-month probation period. The Order is open for public inspection and reported as required by law.

Howard S. Weiss, M.D., Centennial, CO License #41466

Issue: Failure to meet generally accepted standards of medical practice.

Outcome: Stipulation and Final Agency Order ("Order") approved by Inquiry Panel B on April 17, 2003, based upon unprofessional conduct for moral turpitude and a felony conviction as defined in section 12-36-117, C.R.S. The Stipulation and Final Agency Order is open for public inspection and is reported as required by law.

MARCH 2003

Robert M. Hamm, M.D., Rancho Viejo, TX License #17099

Issue: Permanent surrender of license

Outcome: Stipulation and Final Agency Order (Order) approved by Inquiry Panel B on March 27, 2003, whereby Respondent agrees to relinquish his license and Respondent is retiring from the practice of medicine and will no longer practice medicine in the state of Colorado. The Order is open for public inspection and is reported as required by law.

Thomas A. Hoffeld, M.D., Ft. Lauderdale, FL License #41170

Issue: Amended Stipulation and Final Agency Order

Outcome: Amended Stipulation and Final Agency Order approved by Inquiry Panel B on March 27, 2003, whereby the scope of Dr. Hoffeld's practice is clarified. The Order is open for public inspection and is reported as required by law.

Jean E. Kunin, M.D., Denver, CO License #25908

Issue: Unprofessional conduct

Outcome: Stipulation for Interim Cessation of Practice issued by Inquiry Panel B on March 27, 2003. This is not a disciplinary action and is not reportable to the National Practitioner's Databank. The Order is open for public inspection.

Michael R. Menachof, M.D., Englewood, CO License #31645
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Letter of Admonition (LOA) issued by Inquiry Panel A on March 13, 2003, whereby Respondent accepted the LOA regarding his medical care and treatment of a patient. The LOA is open for public inspection and reported as required by law.

Jeffrey N. Roberts, M.D., Greenville, SC License #38746
Issue: Substance abuse
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on March 27, 2003, whereby Respondent agrees to probation and a permanent practice restriction and a 90-day suspension which was already served. The Order is open for public inspection and is reported as required by law.

Joseph M. Saber, M.D., Delta, CO License #29343
Issue: Voluntarily relinquishment of license
Outcome: Stipulation and Final Agency Order (Order) approved by Inquiry Panel B on March 27, 2003, whereby Respondent voluntarily relinquished his license to practice medicine in Colorado. This is a permanent surrender of his license. The Order is open for public inspection and is reported as required by law.

David W. Terry, D.O., Grand Junction, CO License #23358
Issue: Second Stipulation for Agreement to Practice
Outcome: Second Stipulation for Interim Agreement of Practice approved by Inquiry Panel B on March 27, 2003, in effect through May 1, 2003. This is not a disciplinary action and is not reportable to the National Practitioner's Databank. The Order is open for public inspection.

James A. Tharp, M.D., Littleton, CO License #18899
Issue: Permanent practice restriction
Outcome: Stipulation and Final Agency Order (Order) approved by Inquiry Panel B on March 27, 2003, whereby Respondent agrees to not engage in the practice of pediatric anesthesiology due to a medical condition affecting his back. The Order is open for public inspection and reported as required by law.

FEBRUARY 2003

Kimberlee I. Barnes, M.D., Westminster, CO License #28418
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Stipulation and Final Agency Order ("Order") approved by Inquiry Panel A on February 12, 2003, whereby Respondent agrees to accept a Stipulated Letter of Admonition. The LOA is open for public inspection and reported as required by law.

James L. Benoist, M.D., Englewood, CO License #30484
Issue: Boundary violation
Outcome: Stipulation and Final Agency Order (Order) approved by Inquiry Panel A on February 12, 2003, based upon unprofessional conduct as defined in section 12-36-117 (1)(r), C.R.S. Respondent's medical license is placed on probation for five years with terms and conditions. The Order is open for public inspection and is reported as required by law.

John H. Emerson, Jr., M.D., Englewood, CO License #30269
Issue: Interim Cessation Agreement
Outcome: Interim Cessation Agreement approved by Inquiry Panel B effective February 24, 2003, whereby Respondent agrees to cease the practice of medicine effective February 24, 2003 through February 18, 2004. The Interim Cessation Agreement is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner's Databank. The Interim Cessation Agreement does not constitute disciplinary action. However, it is a public record and open for public inspection.

John H. Emerson, Jr., M.D., Englewood, CO

License #30269

Issue: Failure to comply with a Board Order

Outcome: Second Stipulation and Final Agency Order approved by Inquiry Panel B approved February 24, 2003, but is held in abeyance pending the final resolution of all matters pertaining to the Interim Cessation Agreement. Respondent agrees to complete a boundaries course, CPEP assessment and any required educational activities and a five-year probationary period. The Second Stipulation is open for public inspection and is reported as required by law.

Gary V. Gieringer, M.D., Colorado Springs, CO License #15247

Issue: Failure to comply with a Board Order

Outcome: Order of Suspension Pursuant 12-36-118(5)(g)(IV), C.R.S., issued by Inquiry Panel B on February 18, 2003 suspending Respondent's medical license for failure to comply with a Board Order. The Order is open for public inspection and is reported as required by law.

Daniel P. Hepburn, M.D., Durango, CO

License #41288

Issue: Substance abuse

Outcome: Stipulation and Final Agency Order (Order) approved by Licensing Panel B on February 14, 2003, granting applicant a license to practice medicine in Colorado placing applicant's license on probation for five years with monitoring. The Order is open for public inspection and reported as required by law.

Charles S. Jones, M.D., Denver, CO

License #41289

Issue: Limited license

Outcome: Stipulation and Final Agency Order (Order) approved by Licensing Panel B on February 14, 2003, granting applicant a limited license, whereby applicant agreed to limit his practice of medicine solely to administrative medicine. The Order is open for public inspection and reported as required by law.

Robert F. Mimmack, M.D., Grand Junction, CO License #31001

Issue: Boundary violation

Outcome: Stipulation and Final Agency Order (Order) approved by Inquiry Panel A on February 12, 2003, based upon unprofessional conduct as defined in section 12-36-117(1)(r), C.R.S. Respondent's medical license is placed on a five-year probationary period with terms and conditions. The Order is open for public inspection and is reported as required by law.

Jerald L. Sisk, M.D., Brighton, CO

License #18251

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Stipulation and Final Agency Order (Order) approved by Inquiry Panel A on February 12, 2003, whereby Respondent accepted a Letter of Admonition regarding his medical care and treatment of two patients. The Order is open for public inspection and is reported as required by law.

Norman L. West, M.D., South Fork, CO

License #20324

Issue: Voluntary relinquishment of license and Retirement from the Practice of Medicine

Outcome: Stipulation and Final Agency Order ("Order") approved by Inquiry Panel B on February 14, 2003, whereby Respondent voluntarily relinquishes his license to practice medicine in Colorado. Respondent agrees to not apply for reactivation or reinstatement of his license or apply for a new license issued by the Board. The Order is open for public inspection and reported as required by law.

Leonard R. Zemel, M.D., Denver, CO

License #27647

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued by Inquiry Panel B on January 16, 2003, whereby Respondent accepted the Letter of Admonition regarding his medical care and treatment of a patient.

JANUARY 2003

Janet M. Basinger, M.D., Alamosa, CO

License #40128

Issue: Failure to comply with a Board Order

Outcome: Second Stipulation and Final Agency Order ("Order") approved by Inquiry Panel A on January 9, 2003, whereby Respondent agrees to be bound by the probationary terms of her First Order of December 6, 2001, and further agrees the terms of the Second Order that limit her practice of obstetrics to the acute care setting of the emergency room and limit her practice of medicine to a maximum of forty hours per week. The Order is open for public inspection and reported as required by law.

Jason Ditto, M.D., Los Angeles, CA

License #31355

Issue: Failure to comply with a Board Order

Outcome: Order of Suspension from the Practice of Medicine issued by Inquiry Panel A on January 9, 2003 suspending Respondent's medical license for failure to comply with a Board Order. The Order is open for public inspection and is reported as required by law.

Larry Eckstein, M.D., Boulder, CO

License #33042

Issue: Termination of Stipulation and Final Agency Order

Outcome: On January 9, 2003, Inquiry Panel A terminated Respondent's Stipulation and Final Agency Order finding that Respondent successfully completed and complied with all terms and conditions of the Order. Respondent's medical license was restored to an active, unrestricted status.

Ousama Ghaibeh, M.D., Damascus, Syria

License #19533

Issue: Inactivate license

Outcome: Stipulation and Final Agency Order ("Order") approved by Inquiry Panel B on January 16, 2003, whereby Respondent has retired from the active practice of medicine in Colorado and agreed to place his license in an inactive status. Respondent's license to practice medicine in the State of Colorado will permanently remain on an inactive status. The Order is open for public inspection and reported as required by law.

Robert A. Jensen, D.O., Denver, CO

License #24713

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent from Inquiry Panel B on November 15, 2002 based upon Respondent's medical care and treatment of a patient that failed to meet generally accepted standards of medical practice. The LOA is open for public inspection and reported as required by law.

Adrienne Knight, M.D., Denver, CO

License #39103

Issue: Interim Cessation of Practice

Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on January 16, 2003 whereby Respondent agrees to cease the practice of medicine effective January 13, 2003. The Interim Cessation of Practice remains in effect until April 11, 2003. The Stipulation is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner's Databank. The Stipulation does not constitute disciplinary action. The Stipulation is a public record and open for public inspection.

David C. Meyer, M.D., Colorado Springs, CO

License #31450

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent by Inquiry Panel B on December 19, 2002 based upon Respondent's medical care and treatment of a patient that failed to meet generally accepted standards of medical practice. The LOA is open for public inspection and is reported as required by law.

C. David Neece, D.O., Walsenburg, CO

License #27053

Issue: Substance abuse

Outcome: Second Stipulation and Final Agency Order ("Order") approved by Inquiry Panel A on January 9, 2003, whereby Respondent agreed to receive such treatment monitoring as deemed appropriate due to his substance use disorder. Respondent's medical license is placed on a five-year probationary period. The Order is open for public inspection and reported as required by law.

Heidi Jo Oster, M.D., Highlands Ranch, CO

License #37061 (formerly Jatana)

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent by Inquiry Panel B on December 19, 2002 based upon Respondent's medical care and treatment of a patient that failed to meet generally accepted standards of medical practice. The LOA is open for public inspection and is reported as required by law.

James M. Satt, M.D., Rocky Ford, CO

License #23516

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent from Inquiry Panel A on December 12, 2002 based upon Respondent's medical care and treatment of a patient that failed to meet generally accepted standards of medical practice. The LOA is open for public inspection and reported as required by law.

Donald Ray Zelkind, M.D., Denver, CO

License #22182

Issue: Physical Disability

Outcome: Stipulation and Final Agency Order ("Order") approved by Inquiry Panel B on January 16, 2003, whereby Respondent agreed to limit his practice of medicine to administrative or forensic medicine only due to suffering from a physical disability. Respondent must meet conditions as set forth in the Order prior to returning to the clinical practice of medicine. Respondent shall also receive such treatment monitoring as determined to be appropriate for as long as he retains a license to practice medicine in Colorado. The Order is open for public inspection and reported as required by law.

DECEMBER 2002

Richard Roy Augspurger, M.D., Wheat Ridge, CO

License #21171

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent from Inquiry Panel A on November 13, 2002 based upon Respondent's medical care and treatment of a patient that failed to meet the generally accepted standards of medical practice. The LOA is open for public inspection and reported as required by law.

Dalrie Berg, D.O., Thornton, CO

License #13215

Issue: Interim Cessation of Practice

Outcome: Stipulation for Interim Cessation of Practice (Stipulation) approved by Inquiry Panel A whereby Respondent agrees to cease the practice of medicine in Colorado effective December 23, 2002 through June 20, 2003. The Stipulation is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner's Data Bank. The Stipulation does not constitute final disciplinary action. The Stipulation is a public record and open for public inspection.

Susan Bond, M.D., Colorado Springs, CO

License #37645

Issue: Physical or Mental Condition

Outcome: Stipulation and Final Agency Order (Order) approved by Inquiry Panel A on December 12, 2002 restricting Respondent's medical practice that involves at least one other physician to be physically present and available at all times that Respondent is engaged in the clinical practice of medicine. Respondent's license is placed on a five-year probation period with monitoring. The Order is open for public inspection and reported as required by law.

Richard K. Clise, M.D., Fort Morgan, CO

License #34152

Issue: Substance Abuse

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on December 12, 2002 based upon Respondent's history of substance abuse and criminal conviction to a Class V felony of obtaining a controlled substance by fraud and deceit. Respondent's medical license is placed on a five-year probationary period with monitoring. The Order is open for public inspection and reported as required by law.

Jon G. Dishler, M.D., Englewood, CO

License #22208

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent from Inquiry Panel B on November 15, 2002 based upon Respondent's medical care and treatment of a patient that failed to meet the generally accepted standards of medical practice. The LOA is open for public inspection and reported as required by law.

Gerald M. English, M.D., Denver, CO

License #13881

Issue: Inactivation of License and Permanent Retirement from the Practice of Medicine

Outcome: A Second Stipulation and Final Agency Order approved by Inquiry Panel A on December 12, 2002 whereby Respondent has permanently retired from the practice of medicine effective December 12, 2002 placing his license in an inactive status. Respondent agrees not to reactivate or renew his medical license in Colorado. The Order is open for public inspection and reported as required by law.

Albert Read Lewin, M.D., Beaufort, SC

License #41177

Issue: Restricted License

Outcome: Panel B Licensing Subcommittee granted applicant a restricted license subject to the terms and conditions of a Stipulation and Final Agency Order (Order). Applicant is granted a restricted license for one year for the sole purpose of participating and completing a fellowship program. The Order is open for public inspection and reported as required by law.

Edward J. Smith, Jr., M.D., Lamar, CO

License #20041

Issue: Termination of Stipulation and Final Agency Order

Outcome: Effective December 12, 2002, Inquiry Panel A granted Respondent a full and unrestricted medical license finding that Respondent successfully completed all educational activities as set forth in the January 10, 2002 Stipulation and Final Agency Order.

John R. Smolley, M.D., Westminster, CO

License #36742

Issue: Failure to Comply with a Board Order

Outcome: Second Stipulation and Final Agency Order approved by Inquiry Panel A on December 12, 2002 placing Respondent's medical license on a ten-year probationary period with treatment monitoring based upon Respondent's relapse on alcohol. The Order is open for public inspection and reported as required by law.

Flora Yeh-Barrios, M.D., Highlands Ranch, CO License #40640

Issue: Termination of Stipulation and Final Agency Order

Outcome: Effective December 12, 2002, Inquiry Panel A granted Respondent a full and unrestricted medical license finding that Respondent successfully completed all terms and conditions of the June 13, 2002 Stipulation and Final Agency Order.

NOVEMBER 2002

Patrick C. Allen, M.D., Loveland, CO

License #18074

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent from Inquiry Panel A on October 10, 2002 based upon Respondent's failure to meet generally accepted standards of medical practice. The LOA is open for public inspection and reported as required by law.

John N. Chatfield, Jr., M.D., Colorado Springs, CO License #18315

Issue: Stipulation and Final Agency Order

Outcome: On November 15, 2002, Inquiry Panel B approved a Stipulation and Final Agency Order ("Order") reactivating Respondent's medical license subject to the terms and conditions of the Stipulation.

Respondent agreed to limit his practice to administrative medicine only. Respondent's license is placed on probation for one year with treatment monitoring and practice monitoring regarding his practice of administrative medically-related duties. The Order is open for public inspection and reported as required by law.

Robert L. Deters, M.D., Park City, UT License #18972

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent from Inquiry Panel A on October 10, 2002 based upon Respondent's failure to meet generally accepted standards of medical practice. The LOA is open for public inspection and reported as required by law.

Daniel A. Dotson, D.O., Pueblo, CO License #25062

Issue: Voluntary relinquishment of medical license

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on November 13, 2002, whereby Respondent voluntarily agreed to permanently relinquish his medical license effective May 1, 2003. The Order resolves all matters set forth in the Formal Complaint filed against Respondent's license in June 2002.

Patricia A. Duletsky, M.D., Moffat, CO License #27538

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued to Respondent by Inquiry Panel B on July 18, 2002 based upon Respondent's failure to meet generally accepted standards of medical practice in the care and treatment of two patients. The LOA is open for public inspection and reported as required by law.

John H. Emerson, M.D., Englewood, CO License #30269

Issue: Violation of Stipulation and Final Agency Order

Outcome: Order of Summary Suspension effective 5:00 p.m. November 19, 2002, pursuant to section 12-36-118(5)(g)(IV), C.R.S., summarily suspending Respondent's medical license for failure to fully comply with practice monitoring conditions as set forth in Respondent's Stipulation. The suspension shall remain in effect until such time as Respondent is in full compliance with all practice monitoring provisions of his probation. The Order is open for public inspection and is reported as required by law.

Mark S. Flora, M.D., Westminster, CO License #25779

Issue: Termination of Stipulation and Final Agency Order

Outcome: Effective November 13, 2002, Respondent's medical license was restored to an active, unrestricted status finding that Respondent successfully completed all terms and conditions of the Stipulation and Final Agency Order.

Thomas J. McGuire, M.D., Canon City, CO License #31790

Issue: Termination of Stipulation and Final Agency Order

Outcome: Effective November 13, 2002, Respondent's medical license was restored to an active, unrestricted status finding that Respondent successfully completed all terms and conditions of the January 14, 1999 Stipulation and Final Agency Order.

Jeffrey D. Neidhart, M.D., Birmingham, AL License #41068

Issue: Stipulation and Final Agency Order

Outcome: On November 15, 2002, Inquiry Panel B granted applicant a medical license subject to a five-year probationary period with treatment monitoring regarding Respondent's history of substance abuse. The Order is open for public inspection and reported as required by law.

Robert W. Neuman, M.D., Durango, CO

License #26685

Issue: Interim Cessation of Practice

Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel B on November 15, 2002, whereby Respondent agrees to place his license in an inactive status. The Stipulation expires November 15, 2003. This Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reported to the National Practitioner's Data Bank. This Order does not constitute disciplinary action. The Order is a public record and open for public inspection.

Alexis J. Parker, M.D., Denver, CO

License #24979

Issue: Stipulation and Final Agency Order

Outcome: On November 15, 2002, Inquiry Panel B approved a Stipulation and Final Agency Order whereby Respondent agreed to accept a Letter of Admonition issued by the Panel for improper prescribing practices. Respondent's license is placed on a five-year probationary period with treatment monitoring. Respondent also agreed to a permanent practice restriction not to engage in the practice of emergency medicine. The Order is open for public inspection and reported as required by law.

Gary Snyder, Littleton, CO

(Unlicensed)

Issue: Unlicensed Practice of Medicine

Outcome: Order for Permanent Injunction dated October 15, 2002, by Jefferson County District Court permanently enjoining Defendant Gary Snyder from performing any act defined as the practice of medicine in section 12-36-106(1), C.R.S. The Order is open for public inspection.

Jean S. Stevenson, M.D., Denver, CO

License #25703

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued and accepted by Respondent from Inquiry B on October 17, 2002 regarding Respondent's failure to meet generally accepted standards of medical practice in the care and treatment of a patient. The LOA is open for public inspection and reported as required by law.

Dugald A. Taylor, M.D., Wichita, KS

License #41073

Issue: Stipulation and Final Agency Order

Outcome: On November 15, 2002, Inquiry Panel B approved a Stipulation and Final Agency Order ("Order") granting applicant a license subject to the terms and conditions of the Order. Applicant has agreed not to prescribe any controlled substances and not obtain a DEA license. The restriction is permanent unless modified by a future Board Order. Applicant's license to practice medicine is placed on a five-year probationary period with treatment monitoring. The Order is open for public inspection and reported as required by law.

Patrick L. Wherry, M.D., Longmont, CO

License #24802

Issue: Termination of Stipulation and Final Agency Order

Outcome: Effective November 15, 2002, Respondent's medical license was restored to an active, unrestricted status finding that Respondent successfully completed all terms and conditions of the Stipulation and Final Agency Order.

OCTOBER 2002

Julius J. Budnick, M.D., Colorado Springs, CO License #32884

Issue: Termination of Stipulation and Final Agency Order

Outcome: Effective September 5, 2002, Respondent's medical license was restored to an active, unrestricted status finding that Respondent successfully completed all the terms and conditions of the Stipulation and Final Agency Order.

Charles M. Collins, M.D., Denver, CO License #24910
Issue: Inactivate license
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on October 10, 2002, whereby Respondent placed his medical license in an inactive status. Respondent must meet conditions set forth in the Stipulation prior to approval by the Panel to reactivate his medical license. The Order is open for public inspection and reported as required by law.

Clara Epstein, M.D., Boulder, CO License #40083
Issue: Termination of Stipulation and Final Agency Order
Outcome: Effective October 10, 2002, Inquiry Panel A approved to terminate Respondent's Stipulation and Final Agency Order and placed Respondent's license in an inactive status.

Pius Kamau, M.D., Aurora, CO License #22822
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Letter of Admonition (LOA) issued to Respondent by Inquiry Panel A on September 12, 2002, based upon Respondent's failure to meet generally accepted standards of practice in the medical care and treatment of a patient. The LOA is open for public inspection and reported as required by law.

Teresa L. Platt, M.D., Glenwood Springs, CO License #41008
Issue: Restricted License
Outcome: Third Stipulation and Final Agency Order approved by Inquiry Panel A on October 10, 2002, granting Respondent a restricted medical license for the purpose of completing educational activities. Respondent is also to receive treatment monitoring as deemed necessary. The Order is open for public inspection and is reported as required by law.

Joseph Saber, M.D., Delta, CO License #29343
Issue: Interim Cessation of Practice
Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel B on October 17, 2002, whereby Respondent has agreed not to engage in the practice of medicine until such time that it has been determined that Respondent is safe to practice medicine with reasonable skill and safety. The Stipulation is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioners Data Bank. The Stipulation does not constitute disciplinary action. The Stipulation is a public record and open for public inspection.

Jed Shapiro, M.D., Boulder, CO License #19891
Issue: Termination of Stipulation and Final Agency Order
Outcome: Effective October 7, 2002, Respondent's medical license was restored to an active, unrestricted status finding that Respondent successfully completed all terms and conditions of the Stipulation and Final Agency Order.

David W. Terry, D.O., Grand Junction, CO License #23358
Issue: Stipulation for Agreement to Practice
Outcome: A Stipulation for Agreement to Practice approved by Inquiry Panel B on October 17, 2002, whereby Respondent agrees to practice monitoring of his medical practice, to undergo an educational assessment and evaluation and to submit to a physical and psychological evaluation. The Stipulation does not constitute disciplinary action. The Stipulation shall remain in effect until March 1, 2003. The Stipulation is a public record and open for public inspection.

James R. Valenzuela, M.D., Pueblo, CO License #35652
Issue: Improper prescribing practices
Outcome: Letter of Admonition issued by Inquiry Panel A on September 12, 2002, based upon Respondent's improper prescribing of controlled substances. The LOA is open for public inspection and reported as required by law.

Jay Wolkov, D.O., Gunnison, CO License #18278
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Letter of Admonition (LOA) issued by Inquiry Panel B on September 19, 2002, based upon Respondent's failure to meet generally accepted standards of practice in the medical care and treatment of a patient. The LOA is open for public inspection and is reported as required by law.

SEPTEMBER 2002

James J. Bachman, M.D., Frisco, CO License #22383
Issue: Termination of Stipulation and Final Agency Order
Outcome: Effective September 5, 2002, Respondent's medical license was restored to an active, unrestricted status finding that Respondent successfully completed all the terms and conditions of the Stipulation and Final Agency Order.

Jason M. Ditto, M.D., Los Angeles, CA License #31355
Issue: Failure to comply with a Board Order
Outcome: Order of Suspension from the Practice of Medicine approved by Inquiry Panel A on September 12, 2002, suspending Respondent's medical license for failure to comply with a Board Order. The suspension was vacated on September 23, 2002 finding that Respondent had complied with the Board Order. Respondent's license is returned to an active status. The Order is open for public inspection and reported as required by law.

James Casey Elgin, D.O., Colorado Springs, CO License #23915
Issue: Voluntary surrender of medical license
Outcome: Third Stipulation and Final Agency Order approved by Inquiry Panel A on September 12, 2002, whereby Respondent voluntarily surrendered his license to practice medicine permanently. The Order is open for public inspection and reported as required by law.

Randall H. Gehl, M.D., Grand Junction, CO License #39259
Issue: Failure to meet generally accepted standards of medical practice
Outcome: A Letter of Admonition was issued by Inquiry Panel B on August 16, 2002, for failure to meet generally accepted standards of medical practice in the care and treatment of a patient. The Letter of Admonition is open for public inspection and reported as required by law.

Judson F. Lloyd, M.D., Wheat Ridge, CO License #22206
Issue: Failure to comply with a Board Order
Outcome: Order of Suspension from the Practice of Medicine approved by Inquiry Panel A on September 12, 2002, suspending Respondent's medical license for failure to comply with the Board Order. The Order is open for public inspection and is reported as required by law.

Bjoern A. Mannsfeld, M.D., Denver, CO License #38175
Issue: Violation of Stipulation and Final Agency Order
Outcome: A Letter of Admonition was issued by Inquiry Panel A on August 14, 2002, for failure to comply with treatment monitoring as set forth in the January 10, 2002 Stipulation and Final Agency Order. The Letter of Admonition is open for public inspection and reported as required by law.

Robert F. Mimmack, M.D., Grand Junction, CO License #31001
Issue: Interim Cessation of Practice
Outcome: Second Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on September 12, 2002, whereby Respondent agrees to continue the cessation of practice of medicine in Colorado until such time as the Panel receives information that Respondent is able to practice medicine safely. The Second Order terminates on December 1, 2002. This Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reported to the National Practitioner Data Bank. This Order does not constitute disciplinary action. The Order is a public record and open for public inspection.

Michael T. Rendler, M.D., Pueblo, CO

License #20267

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on September 19, 2002, placing Respondent's medical license on a five-year probationary period with practice monitoring and a requirement to undergo an educational assessment and evaluation. As a condition of probation, Respondent is also required to maintain a prescription log for any controlled substance that patients receive from Respondent. The Order is open for public inspection and is reported as required by law.

Carey Lynn Renken, M.D., Englewood, CO

License #39769

Issue: License placed in an inactive status

Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel B on September 19, 2002, whereby Respondent agrees to inactivate her medical license effective September 6, 2002. Respondent's license to practice medicine will remain in an inactive status for at least six months. Respondent agrees that while her license is in an inactive status she will not perform any act requiring a license issued by the Board. This Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reported to the National Practitioner Data Bank. This Order does not constitute disciplinary action. The Order is a public record and open for public inspection.

Patrick L. Wherry, M.D., Longmont, CO

License #24802

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on September 19, 2002, whereby Respondent accepted a Letter of Admonition for failing to meet generally accepted standards of medical practice in the care and treatment of a patient. Respondent is required to successfully complete continuing medical education activities. The Order is open for public inspection and reported as required by law.

Bob Stanton Worley, M.D., Denver, CO

License #24312

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on September 19, 2002, placing Respondent medical license on a five-year probationary period with practice monitoring and a requirement to undergo an educational assessment and evaluation. The Order is open for public inspection and reported as required by law.

AUGUST 2002

Charles A. Blakely, M.D., Albuquerque, NM

License #22395

Issue: Termination of Stipulation and Final Agency Order

Outcome: On August 16, 2002, Inquiry Panel B terminated Respondent's Stipulation and Final Agency Order finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Susan M. Bond, M.D., Colorado Springs, CO

License #37645

Issue: Stipulation for Interim Cessation of Practice

Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on August 14, 2002, whereby Respondent agreed to cease the practice of medicine in Colorado until such time the Panel receives information that she is able to practice medicine safely. The Stipulation became effective on July 24, 2002 upon signature of Respondent. This Stipulation is not a final action as defined in section 24-4-102(1), C.R.S., and not reported to the National Practitioner's Data Bank. The Interim Stipulation does not constitute disciplinary action. The Stipulation is open for public inspection.

Calder B. Conner, M.D., Redding, CA

License #36571

Issue: Termination of Stipulation and Final Agency Order

Outcome: On August 14, 2002, Inquiry Panel A terminated Respondent's Stipulation and Final Agency Order finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Leon D. Cunningham, M.D., Colorado Springs, CO License #18621

Issue: Voluntary surrender of medical license

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on August 16, 2002, whereby Respondent voluntarily surrendered his license to practice medicine due to a disability. Respondent may reapply for licensure in the future subject to terms of the Order. The Order is open for public inspection and is reported as required by law.

James Casey Elgin, D.O., Colorado Springs, CO License #23915

Issue: Violation of Stipulation and Final Agency Order

Outcome: Order of Summary Suspension effective August 9, 2002, pursuant to section 12-36-118 (5)(g)(IV), C.R.S., summarily suspending Respondent's medical license for failure to fully comply with treatment monitoring conditions as set forth in Respondent's Stipulation. The suspension shall remain in effect until such time the Panel receives information that Respondent is compliant with all treatment monitoring recommendations. This Order is open for public inspection and is reported as required by law.

Gerald M. English, M.D., Englewood, CO License #13881

Issue: Stipulation for Interim Cessation of Practice

Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on August 14, 2002, whereby Respondent agreed to cease the practice of medicine in Colorado effective August 14, 2002. The Stipulation remains in effect until December 15, 2002. The Stipulation is not a final action as defined in section 24-4-102(1), C.R.S., and not reportable to the National Practitioner's Data Bank. The Interim Stipulation does not constitute disciplinary action. The Stipulation is open for public inspection.

Barry W. Frieder, M.D., Denver, CO License #29005

Issue: Stipulation and Final Agency Order

Outcome: On August 14, 2002, Inquiry Panel A approved a Stipulation and Final Agency Order, whereby Respondent agreed to accept a Letter of Admonition issued by the Panel for failure to make essential entries in patient records. Respondent is required to undergo an educational assessment and evaluation and successfully complete all required educational activities within two years of the effective date of this Order.

Michael L. Hall, M.D., Englewood, CO License #21722

Issue: Unprofessional conduct

Outcome: Letter of Admonition (LOA) issued to Respondent by Inquiry Panel B on July 18, 2002, based upon Respondent billing for a medical procedure he did not perform, constituting unprofessional conduct as set forth in section 12-36-117, C.R.S.

David E. Harrison, M.D., Englewood, CO License #37621

Issue: Inactivate license

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on August 16, 2002, whereby Respondent placed his medical license in an inactive status due to a disability. The Order is open for public inspection and is reported as required by law.

Thurman F. Hodge, D.O., Woodland Park, CO License #31265

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on August 16, 2002, placing Respondent's medical license on five years' probation with practice monitoring and requirement to undergo an educational assessment and evaluation for failure to meet generally accepted standards of medical practice in the medical care and treatment of two patients. The Order is open for public inspection and is reported as required by law.

Michael W. Johnson, M.D., Durango, CO License #36335

Issue: Stipulation for Interim Cessation of Practice

Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on July 30, 2002, whereby Respondent agreed to cease the practice of medicine in Colorado effective July 30, 2002. The Stipulation remains in effect until January 29, 2003. The Stipulation is not a final action as defined in section 24-4-102(1), C.R.S., and is not reportable to the National Practitioner's Data Bank. The Stipulation does not constitute disciplinary action. The Stipulation is open for public inspection.

Laurence S. Lopez, M.D., Colorado Springs, CO License #27415

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on August 14, 2002, placing Respondent's medical license on five years' probation with practice monitoring and requirement to undergo an educational assessment and evaluation for failure to meet generally accepted standards of medical practice in the medical care and treatment of a patient. The Order is open for public inspection and is reported as required by law.

Scott C. Russell, D.O., Cedaredge, CO License #37185

Issue: Prescribing practices and substance abuse

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on August 14, 2002, placing Respondent's license on five years' probation with practice monitoring and treatment monitoring due to unlawful prescribing practices and substance abuse. The Order also restricts Respondent's prescribing of controlled substances as set forth in the Order. The Order is open for public inspection and is reported as required by law.

Christopher B. Ryan, M.D., Denver, CO License #29284

Issue: Termination of Stipulation and Final Agency Order

Outcome: On August 16, 2002, Inquiry Panel B approved the termination of Respondent's Stipulation and Final Agency Order effective August 1, 2002, finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Robert J. Tello, M.D., Loveland, CO License #22781

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Letter of Admonition (LOA) issued to Respondent by Inquiry Panel A on July 11, 2002, for rendering medical care and treatment to a patient that fell below generally accepted standards of medical practice, constituting unprofessional conduct as set forth in section 12-36-117, C.R.S. The LOA is open for public inspection and is reported as required by law.

Luithuk Zimik, M.D., Brighton, CO License #21490

Issue: Permanent surrender of medical license

Outcome: Second Stipulation and Final Agency Order approved by Inquiry Panel B on August 16, 2002, whereby Respondent voluntarily surrendered his Colorado medical license. The Order is open for public inspection and is reported as required by law.

JULY 2002

James J. Bachman, M.D., Frisco, CO License #22383

Issue: Boundary violation

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on July 11, 2002, admonishing Respondent for a violation of section 12-36-117(1)(r), C.R.S., and requiring Respondent to successfully complete a professional boundaries course. The Order is open for public inspection and reported as required by law.

William J. Cooper, P.A., Del Norte, CO

License #152

Issue: Voluntary surrender

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on July 18, 2002, whereby Respondent voluntarily surrendered his Colorado license to practice as a physician assistant. The Order is open for public inspection and reported as required by law.

Fred Groves, M.D., Greeley, CO

License #14477

Issue: Reinstatement

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on July 11, 2002, reinstating Respondent's Colorado medical license with permanent practice restrictions. Respondent is authorized to serve as a surgical first assistant either at North Colorado Medical Center or North Colorado Surgical Center. The Order is open for public inspection and reported as required by law.

Alfred C. Nitka, M.D., Lakewood, CO

License #25578

Issue: Termination of Stipulation and Final Agency Order

Outcome: On July 18, 2002, Inquiry Panel B terminated Respondent's Stipulation and Final Agency Order finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Michelle Stoltz, M.D., Greeley, CO

License #40726

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Inquiry Panel A acting as Licensing Subcommittee, granted applicant a Colorado medical license via a Stipulation and Final Agency Order admonishing applicant for failure to meet generally accepted standards of medical practice. The Order is open for public inspection and reported as required by law.

JUNE 2002

Willie Oscar Autery, Jr., M.D., Abilene, TX

License #30572

Issue: Permanent relinquishment

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on June 20, 2002, whereby Respondent permanently relinquished his Colorado medical license. The Order is open for public inspection and reported as required by law.

Steven R. Carlson, M.D., Colorado Springs, CO

License #33963

Issue: Violation of Stipulation and Final Agency Order

Outcome: Order of Summary Suspension issued by Inquiry Panel B on June 20, 2002, pursuant to section 12-36-118(5)(g)(IV), C.R.S., summarily suspending Respondent's medical license for failure to comply with treatment monitoring provisions as set forth in the Stipulation. The Order is open for public inspection and reported as required by law.

Richard K. Clise, M.D., Fort Morgan, CO

License #34152

Issue: Interim Cessation of Practice

Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on June 13, 2002, whereby upon the effective date of the Order Respondent agrees to cease practicing medicine in Colorado until such time as the Panel receives information that Respondent is able to practice medicine safely. The Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reported to the National Practitioner Data Bank. The Order is open for public inspection.

Philip S. Clodfelter, M.D., Lakewood, CO

License #26335

Issue: Failure to meet generally accepted standards of medical practice

Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on June 20, 2002, placing Respondent's medical license on five years' probation with practice monitoring and an educational assessment and evaluation for failure to meet generally accepted standards of medical practice in the care of a patient. The Order is open for public inspection and is reported as required by law.

Jessica Fleishman, M.D., New Platz, NY License #31130
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Letter of Admonition (LOA) issued to Respondent by Inquiry Panel B on May 17, 2002, based upon rendering medical care and treatment to a patient that fell below generally accepted standards of medical practice, constituting unprofessional conduct as set forth in section 12-36-117, C.R.S. The LOA is open for public inspection and reported as required by law.

Christian Hageseth, III, M.D., Fort Collins, CO License #21721
Issue: Reinstatement of medical license
Outcome: Stipulation and Final Agency Order was approved by Inquiry Panel B on June 20, 2002, reinstating Respondent's medical license subject to probationary terms as set forth in the Order for as long as Respondent practices medicine in the state of Colorado. The Order is open for public inspection and reported as required by law.

Vernon Y. J. Lee, D.O., Thornton, CO License #18181
Issue: Termination of Stipulation and Final Agency Order
Outcome: On June 13, 2002, Inquiry Panel A terminated Respondent's Stipulation and Final Agency Order finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Bjoern A. Mannsfeld, M.D., Denver, CO License #38175
Issue: Violation of Stipulation and Final Agency Order
Outcome: Order of Summary Suspension issued by Inquiry Panel A on June 13, 2002, pursuant to section 12-36-118(5)(g)(IV), C.R.S., summarily suspended Respondent's medical license for failure to comply with treatment monitoring provisions as set forth in the Stipulation. Order vacating Summary Suspension on June 25, 2002. The Orders are open for public inspection and reported as required by law.

Robert F. Mimmack, M.D., Grand Junction, CO License #31001
Issue: Interim Cessation of Practice
Outcome: Stipulation for Interim Cessation of Practice approved by Inquiry Panel A on May 28, 2002, whereby upon the effective date of the Order Respondent agrees to cease practicing medicine in Colorado until such time as the Panel receives information that Respondent is able to practice medicine safely. The Order expires on October 1, 2002. This Order is not a final action as defined in section 24-4-102(1), C.R.S., and is not reported to the National Practitioner Data Bank. The Order is open for public inspection.

Erik M. Mondrow, M.D., Denver, CO License #34929
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Letter of Admonition (LOA) issued to Respondent by Inquiry Panel A on May 15, 2002, based upon rendering medical care and treatment to a patient that fell below generally accepted standards of medical practice constituting unprofessional conduct as set forth in section 12-36-117, C.R.S. The LOA is open for public inspection and reported as required by law.

Herman A. Motz, III, M.D., Highlands Ranch, CO License #31945
Issue: Failure to meet generally accepted standards of medical license
Outcome: Letter of Admonition (LOA) issued to Respondent by Inquiry Panel A on May 15, 2002, based upon rendering medical care and treatment to a patient that fell below generally accepted standards of medical practice, constituting unprofessional conduct as set forth in section 12-36-117, C.R.S. The LOA is open for public inspection and reported as required by law.

Kevin Michael Roley, M.D., Waterton, WI License #40641
Issue: Alcohol abuse
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on June 13, 2002, granting applicant a stipulated license subject to a three-year probationary period with treatment monitoring. The Order is open for public inspection and reported as required by law.

Saul F. Weinstein, M.D., Anaconda, MT License #38974
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Letter of Admonition (LOA) issued to Respondent by Inquiry Panel B on May 17, 2002, based upon rendering medical care and treatment to two patients that fell below generally accepted standards of medical practice, constituting unprofessional conduct as set forth in section 12-36-117, C.R.S. The LOA is open for public inspection and reported as required by law.

Gary Neal Weiss, M.D., Westcliffe, CO License #28531
Issue: Revocation of medical license
Outcome: Final Board Order approved by Hearings Panel A on June 13, 2002, revoking Respondent's Colorado medical license for failure to fully comply with a valid Board Order. The Order is open for public inspection and reported as required by law.

Laura N. Yeh-Barrios, M.D., Highlands Ranch, CO License #40640
Issue: Practice restriction
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on June 13, 2002, granting applicant a limited license for at least six months to practice medicine only at Rose Pediatrics with monitoring on all patients to confirm that appropriate, adequate care has been rendered. The Order is open for public inspection and reported as required by law.

MAY 2002

Victor Manuel Alarcon, M.D., Pueblo, CO License #26290
Issue: Permanent relinquishment
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on May 15, 2002, whereby Respondent permanently relinquished his medical license and retired from the practice of medicine effective July 1, 2002. This action does not constitute discipline. The Order is open for public inspection.

Chester M. Cedars, M.D., Greenwood Village, CO License #16561
Issue: Permanent practice restriction and practice limitation
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel A on May 15, 2002, permanently restricting Respondent from the practice of obstetrics and limiting practice to administrative medicine. Respondent may practice clinical medicine under practice monitoring and reporting of his medical practice and other conditions as imposed by the order. The Order is open for public inspection and reported as required by law.

Kevin R. Clemmer, D.O., Arvada, CO License #34583
Issue: Substandard medical care
Outcome: Stipulation and Final Agency Order approved by Inquiry Panel B on May 17, 2002 placing Respondent's medical license on five years' probation with practice monitoring and an educational assessment and evaluation regarding multiple incidents of patient substandard care. The Order is open for public inspection and reported as required by law.

Conrad W. Fitz, D.O., South Fork, CO License # 35322
Issue: Violation of Stipulation and Final Agency Order
Outcome: Order of Summary Suspension was issued by Inquiry Panel A on May 15, 2002, pursuant to section 12-36-118(5)(g)(IV), C.R.S., summarily suspending Respondent's medical license for failure to comply with treatment monitoring provisions as set forth in the Stipulation. Suspension was vacated on May 20, 2002, upon confirmation that Respondent was compliant with all terms of the stipulation. Respondent's medical license was restored to an active with conditions status.

Stephen G. Horne, M.D., Fort Collins, CO

License #31610

Issue: Letter of Admonition with treatment monitoring and practice monitoring.

Outcome: Letter of Admonition with conditions issued by Inquiry Panel A on May 15, 2002, whereby Respondent is to receive treatment monitoring through CPHP and practice monitoring of his medical practice during the next five years due to recurrent episodes of depression. The Order is open for public inspection and reported as required by law.

Daniel B. Jinich, M.D., Fort Collins, CO

License #24687

Issue: Boundary violation

Outcome: Stipulation and Final Agency Order was approved by Inquiry Panel B on May 17, 2002, placing Respondent's medical license on five years' probation with treatment monitoring through CPHP. The Order is open for public inspection and reported as required by law.

Daniel O. Siegel, M.D., Denver, CO

License #35377

Issue: Letter of Admonition

Outcome: Letter of Admonition issued by Inquiry Panel B on April 18, 2002 for failing to meet generally accepted standards of medical practice regarding Respondent's medical care and treatment of a patient. The Letter of Admonition is open for public inspection and reported as required by law.

John Smolley, Jr., M.D., Louisville, CO

License #36472

Issue: Violation of Stipulation and Final Agency Order

Outcome: Order of Summary Suspension was issued by Inquiry Panel A on May 15, 2002, pursuant to section 12-36-118(5)(g)(IV), C.R.S., summarily suspending Respondent's medical license for failure to comply with treatment monitoring provisions as set forth in the Stipulation. The Order is open for public inspection and reported as required by law.

APRIL 2002

Alexis Hallock, M.D., Anacontes, WA

License #34058

Issue: Termination of Stipulation and Final Agency Order

Outcome: On April 11, 2002, the Board terminated Respondent's February 15, 2002 Stipulation and Final Agency Order, finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Richard E. Martin, M.D., Englewood, CO

License #26303

Issue: Termination Stipulation and Final Agency Order

Outcome: On April 11, 2002, the Board terminated Respondent's Stipulation and Final Agency Order, finding Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Peter Michael Nicholson, M.D., Denver, CO

License #32584

Issue: Termination of Stipulation and Final Agency Order

Outcome: On April 11, 2002, the Board terminated Respondent's Stipulation and Final Agency Order finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Dawn M. Riemersma, M.D., Pueblo, CO

License #40416

Issue: Granted medical license with conditions

Outcome: On April 11, 2002, the Board granted applicant a license to practice medicine in Colorado by way of a Stipulation and Final Agency Order that requires five years' probation with treatment monitoring through CPHP.

David E. Schroeder, M.D., Colorado Springs, CO License #26961
Issue: Agreement not to practice medicine
Outcome: Stipulation and Final Agency Order approved and effective April 18, 2002, whereby Respondent has agreed not to engage in the practice of medicine in Colorado effective April 18, 2002. Respondent may reapply for licensure subject to conditions of the Order.

Peter M. Titus, P.A., Conifer, CO License # 25
Issue: Violation of Stipulation and Final Agency Order
Outcome: On April 11, 2002, Inquiry Panel A approved a Second Stipulation and Final Agency Order regarding Respondent's unauthorized use of a controlled substance.

John M. Tyler, M.D., Colorado Springs, CO License #30232
Issue: Termination of Stipulation and Final Agency Order
Outcome: On April 18, 2002, the Board terminated Respondent's Stipulation and Final Agency Order, finding that Respondent has successfully completed all terms and conditions of the Order. Respondent's medical license is returned to an active, unrestricted status.

Edward F. Urbanik, M.D., Scottsdale, AZ License #33347
Issue: License placed on an inactivate status
Outcome: Stipulation and Final Agency Order approved April 11, 2002 placing Respondent's medical license on an inactivate status and agreement to allow license to lapse at the end of the licensing renewal period. This action does not constitute discipline.

MARCH 2002

Gregory T. Fisher, M.D., Los Alamos, CA License #23155
Issue: License placed on inactive status
Outcome: Stipulation and Final Agency Order approved on March 21, 2002, whereby Respondent's license to practice medicine in Colorado is placed on inactive status. This Board action does not constitute discipline. The Order is open for public inspection.

Frank LaConte, D.O., Thornton, CO License #15568
Issue: License placed on inactive status
Outcome: Stipulation and Final Agency Order approved on April 1, 2002, whereby Respondent agreed to permanently inactivate his Colorado medical license. The Order is open for public inspection and reported as required by law.

Douglas W. Lewis, D.O., Pueblo, CO License #30115
Issue: License placed on inactive status
Outcome: Stipulation and Final Agency Order approved on March 21, 2002, whereby Respondent's license to practice medicine in Colorado is placed on inactive status. This Board action does not constitute discipline. The Order is open for public inspection.

Loren Richard Morgan, M.D., Chico, CA License #13840
Issue: Substandard care.
Outcome: Stipulation and Final Agency Order approved on March 21, 2002, whereby Respondent received a Letter of Admonition for engaging in substandard medical practice in the care and treatment of a patient. Respondent also agreed not to practice medicine in Colorado unless and until he has obtained, completed, signed and submitted to the Board for its review a satisfactory assessment from the Colorado Personalized Education for Physicians. The Order is open for public inspection and reported as required by law.

Joni K. Salmon, M.D., Lamar, CO License #32833
Issue: Failure to meet generally accepted standards of medical practice
Outcome: Letter of Admonition issued on February 15, 2002, for Respondent's failure to adequately evaluate and monitor a patient.

Samuel A. Shukert, M.D., Denver, CO

License #15357

Issue: Revocation of medical license

Outcome: A Final Board Order was adopted and approved on March 21, 2002, by Hearings Panel B revoking the Colorado medical license of Respondent. The Final Board Order and the Administrative Law Judge's Initial Decision in Case No. ME 2001-002 is open for public inspection and reported as required by law.

Marc D. Wolach, III, M.D., Greeley, CO

License #29885

Issue: Failure to comply with a Board Order dated February 13, 2002.

Outcome: On March 14, 2002, the Board issued an Order of Summary Suspension pursuant to section 12-36-118(5)(g)(IV) suspending Respondent's medical license indefinitely for failing to comply with his treatment plan through the Colorado Physician Health Program as mandated in the Stipulation and Final Agency Order. The Order of Summary Suspension is open for public inspection and reported as required by law.

FEBRUARY 2002

James B. Anderson, III, M.D., Loveland, CO

License #26786

Issue: Termination of Stipulation and Final Agency Order.

Outcome: On February 13, 2002, the Board terminated Respondent's Stipulation and Final Agency Order finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Russell Copelan, M.D., Manitou Springs, CO

License # 24453

Issue: Permanent practice restriction.

Outcome: Second Stipulation and Final Agency Order approved on February 15, 2002, reinstating Respondent's medical license to practice administrative medicine only. The Second Order prohibits Respondent from engaging in the practice of clinical medicine. This action does not constitute discipline. The Order is open to public inspection.

Leon Cunningham, M.D., Colorado Springs, CO

License #18621

Issue: Interim agreement not to practice medicine.

Outcome: Interim Stipulation approved on February 15, 2002, whereby Respondent agreed not to practice medicine through and including July 18, 2002. The Interim Stipulation does not constitute disciplinary action taken against Respondent's medical license. This Interim Stipulation is open to public inspection.

Louis Daprano

Unlicensed

Issue: Unlicensed practice of medicine.

Outcome: Order for Permanent Injunction dated January 28, 2002, District Court, Otero County, Colorado, enjoining defendant from performing any act that constitutes the practice of medicine. The Order for Permanent Injunction is open for public inspection.

Howard Donner, M.D., Telluride, CO

License #32433

Issue: Failure to comply with a Board Order.

Outcome: Order of Suspension from the practice of medicine dated February 8, 2002, for failing to comply with a Board Order. This Order is open for public inspection and reported as required by law.

Lloyd Eckhardt, M.D., Aurora, CO

License #17085

Issue: Termination of Stipulation and Final Agency Order.

Outcome: On February 13, 2002, the Board terminated Respondent's Stipulation and Final Agency Order finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Andrew R. Erdman, M.D., Denver, CO License #38085
Issue: Criminal felony conviction and substance abuse.
Outcome: Stipulation and Final Agency Order approved on February 13, 2002, whereby Respondent agreed to a five- year period of probation. Probationary terms include compliance with the court ordered four-year deferred judgment and probation in the criminal case, abstinence from addictive substances, treatment monitoring through CPHP, and practice monitoring of his medical practice. The Order is open for public inspection and reported as required by law.

Kelly Ray Gregg, M.D., Colorado Springs, CO License #27394
Issue: Violation of a Board Order.
Outcome: Second Stipulation and Final Agency Order approved February 15, 2002, whereby Respondent agreed to cease the practice of obstetrics permanently and enter into a new five-year period of probation with practice monitoring. The Order is open for public inspection and reported as required by law.

Marc H. Grushan, M.D., Boulder, CO License #32743
Issue: Unprofessional conduct (medical record charting deficiencies).
Outcome: Letter of Admonition issued on January 10, 2002 for improper medical charting that failed to meet generally accepted standards of medical practice. The Letter of Admonition is open for public inspection and reported as required by law.

Alexis Hallock, M.D., Sedro-Wooley, WA License #34058
Issue: Unprofessional conduct (medical record deficiencies).
Outcome: Stipulation and Final Agency approved on February 15, 2002, whereby Respondent agreed to complete a continuing medical education course in documentation and record keeping. The Order is open for public inspection and reported as required by law.

Brian D. Olivier, M.D., Colorado Springs, CO License #27696
Issue: Final Board Order.
Outcome: The Final Board Order was adopted and approved by the Hearings Panel on February 15, 2002, sanctioning Respondent's medical license with a Letter of Admonition regarding medical record charting deficiencies with respect to Respondent's care and treatment of two patients. The Final Board Order is open for public inspection and reported as required by law.

Dominador T. Perido, M.D., Elkhart, KS License #26005
Issue: License transferred to inactive status.
Outcome: Stipulation and Final Agency Order approved on February 13, 2002, whereby Respondent's license to practice medicine in Colorado is placed on inactive status. This Board action does not constitute discipline. The Order is open for public inspection.

Barry Portner, M.D., Lamar, CO License #40279
Issue: Applicant was granted a license with conditions.
Outcome: Stipulation and Final Agency Order approved on February 13, 2002, granting applicant a license to practice medicine subject to terms and conditions of probation. Terms of the five-year probation period include practice monitoring of Respondent's medical practice and successful completion of educational activities as set forth in the Order. The Order is open for public inspection and reported as required by law.

Tanya Ramaswamy, M.D., Aurora, CO License #39865
Issue: Termination of Stipulation and Final Agency Order.
Outcome: On February 15, 2002, the Board terminated Respondent's Stipulation and Final Agency Order, finding that Respondent successfully completed all terms and conditions of the Order. Respondent is granted an unrestricted medical license.

Richard Rivera, M.D., Pueblo, CO License #19885
Issue: Termination of Stipulation and Final Agency Order.
Outcome: On February 15, 2002, the Board terminated Respondent's Stipulation and Final Agency Order, finding that Respondent successfully completed all terms and conditions of the Order. Respondent's medical license is restored to an active, unrestricted status.

Alfred Roberts, M.D., Littleton, CO License #28763
Issue: Letter of Admonition vacated.
Outcome: On February 13, 2002, Inquiry Panel A of the Board vacated the Letter of Admonition.

Christopher Ryan, M.D., Denver, CO License # 29284
Issue: Boundary violation.
Outcome: Stipulation and Final Agency Order approved on February 15, 2002 regarding Respondent engaging in a sexual relationship with a patient within six months after the termination of the physician/patient relationship. The Order includes a Letter of Admonition, requirement to successfully complete an ethical boundaries course for physicians and permanent restriction that Respondent may only see or treat patients at his office or place of medical practice with the presence of office staff. The Order is open to public inspection and reported as required by law.

Joni K. Salmon, M.D., Lamar, CO License #32833
Issue: Failure to meet generally accepted standards of medical practice.
Outcome: Letter of Admonition issued on January 17, 2002 for Respondent's failure to adequately attend to a patient for whom a physician/patient relationship had been established. The Letter of Admonition is open to public inspection and reported as required by law.

Charles Bradley Sisson, M.D., Fort Collins, CO License #35700
Issue: Unprofessional conduct (medical record charting deficiencies and difficulty in staff interactions).
Outcome: Stipulation and Final Agency Order approved on February 15, 2002, whereby Respondent agreed to a five-year period of probation. Probationary terms include practice monitoring and treatment monitoring through CPHP. Respondent has voluntarily taken steps to remedy interpersonal communication problems and record keeping deficiencies. The Order is open for public inspection and reported as required by law.

Initha V. Stuckey, M.D., Fort Collins, CO License #33337
Issue: Unlawful prescribing of controlled substances.
Outcome: Stipulation and Final Agency Order approved on February 13, 2002, whereby Respondent surrendered her license to practice medicine in Colorado. Respondent may reapply for a medical license following ninety days from the effective date of the Order. The Order is open for public inspection and reported as required by law.

Sam Wallace, D.O., Missoula, MT License#36394
Issue: Failure to meet generally accepted standards of medical practice.
Outcome: Letter of Admonition issued on January 10, 2002 for Respondent's failure to document vital signs and a physical examination regarding his care and treatment of a patient. The Letter of Admonition is open to public inspection and reported as required by law.

Marc D. Wolach, M.D., Greeley, CO License #29885
Issue: Suspension vacated.
Outcome: Stipulation and Final Agency Order approved on February 13, 2002 vacating the Order of Summary Suspension dated May 21, 2001. Respondent's medical license is placed on a five-year period of probation. During the probationary period, Respondent shall receive treatment monitoring through CPHP for management of narcolepsy and use of medication to control his narcolepsy. The Order is open for public inspection and reported as required by law.

JANUARY 2002

Yi Yue Chang, Denver, CO

Unlicensed

Issue: Unlicensed practice of medicine

Outcome: Stipulated Order for Injunction By Consent of the Parties, Denver District Court, dated December 13, 2001, whereby the defendant agreed to permanently cease from performing any act defined as the practice of medicine in section 12-36-106(1)(a) through (f), C.R.S. The Order is open to public inspection.

William J. Cooper, P.A., Monte Vista, CO

License #152

Issue: Violation of probation

Outcome: Order of Suspension issued on January 10, 2002, ordering the license to practice as a physician assistant suspended, to remain in effect until such time respondent is in compliance with all probationary terms of the November 17, 1999, Second Stipulation and Final Agency Order. The Order of Suspension is open for public inspection and reported as required by law.

Anne M. Coury, MD, Littleton, CO

License #30702

Issue: Reactivation of license

Outcome: Stipulation and Final Agency Order approved on January 10, 2002, reactivating respondent's medical license subject to practice restrictions and terms of probation due to a physical disability. Respondent is restricted from performing operative procedures of any nature until such time respondent is deemed safe by the Board to perform operative procedures. Terms of the five-year probation include practice monitoring and treatment monitoring through CPHP. The Order is open to public inspection and reported as required by law.

Jennifer Deason, MD, Denver, CO

License #40198

Issue: Medical condition that requires treatment and monitoring

Outcome: Stipulation and Final Agency Order approved on January 10, 2002, whereby respondent agreed to a five-year period of probation. Terms of probation include treatment monitoring. The Order is open for public inspection and reported as required by law. This Board action does not constitute discipline.

Robert W. Handler, MD, Randolph, NJ

License #35287

Issue: Inactivation of license

Outcome: Stipulation and Final Agency Order approved on January 10, 2002, whereby respondent agreed to place his medical license on inactive status commencing on the effective date of the Order. The Order is open for public inspection. This Board action does not constitute discipline.

Jeffrey D. Huston, MD, Littleton, CO

License #24485

Issue: Unprofessional conduct.

Outcome: Letter of Admonition issued on December 13, 2001 for failure to respond in a timely manner to a complaint issued by the Board. The LOA is open for public inspection and reported as required by law.

Bjoern A. Mannsfeld, MD, Denver, CO

License #38175

Issue: Alcohol abuse

Outcome: Stipulation and Final Agency Order approved on January 10, 2002, whereby respondent agreed to a five-year period of probation. Probationary terms include abstinence from addictive substances, treatment and monitoring through CPHP and practice monitoring of respondent's medical practice. The Order is open to public inspection and reported as required by law.

Kenneth R. Ramach, MD, Littleton, CO

License #23317

Issue: License relinquishment

Outcome: Stipulation and Final Agency approved on January 17, 2002, whereby respondent permanently relinquished his Colorado medical license. The Order is open to public inspection and reported as required by law.

DECEMBER 2001

Robert Baptist, M.D.

License No. 32294

Issue: Stipulation violation.

Outcome: Issued a Letter of Admonition (LOA) on November 9, 2001, for failure to timely submit practice monitor reports.

Janet Basinger, M.D.

License No. 40128

Issue: Applicant applying for licensure.

Outcome: Applicant granted license to practice medicine by way of Stipulation and Final Agency Order ("Order"), on December 6, 2001, by Licensing Subcommittee A. The Order is open for public inspection and reported as required by law.

Julius J. Budnick, M.D.

License No. 32884

Issue: Boundary violation.

Outcome: Panel A approved a Stipulation and Final Agency Order ("Order"), on December 6, 2001, regarding Respondent engaging in an inappropriate personal relationship with a patient. The Order is open to public inspection and reported as required by law.

Cheryl L. Cowles, M.D.

License No. 35607

Issue: Standard of care.

Outcome: Panel B issued a Letter of Admonition (LOA) on November 9, 2001, regarding Respondent's failure to properly manage the care of an obstetrical patient. The LOA is open to public inspection and reported as required by law.

Robert H. Fenster, D.O.

License No. 18125

Issue: Unprofessional conduct.

Outcome: Panel A approved a Stipulation and Final Agency Order ("Order") on December 6, 2001, based upon Respondent's federal criminal case. The Order is open to public inspection and reported as required by law.

Joe V. Kilpatrick, MD, Colorado Springs, CO

License #31271

Issue: Substandard patient care.

Outcome: Letter of Admonition issued on December 13, 2001 for failure to meet generally accepted standards of medical practice. The LOA is open for public inspection and reported as required by law.

Abraham Jacobo Kryzowska Grinberg, M.D.

License No. 23740

Issue: Physical disability.

Outcome: Panel A approved a Stipulation and Final Agency Order ("Order"), December 6, 2001, based upon Respondent having a mild neurocognitive dysfunction that affects his ability to perform invasive procedures. The Order is open to public inspection and reported as required by law.

Javier Gutierrez, M.D.

License No. 36491

Issue: Unprofessional conduct.

Outcome: Panel B issued a Letter of Admonition ("LOA") on November 9, 2001, regarding disciplinary action taken against Respondent by another state licensing board. The LOA is open to public inspection and reported as required by law.

David Russell Harmon, D.O.

License No. 38904

Issue: Revocation

Outcome: Hearings Panel B adopted and approved a Final Board Order revoking Respondent's medical license. The Order is open to public inspection and reported as required by law.

Lisa K. Lewis, D.O.

License No. 28939

Issue: Standard of care.

Outcome: Panel B issued a Letter of Admonition ("LOA") on November 9, 2001, regarding Respondent's substandard care and treatment of an obstetrical patient. The LOA is open to public inspection and reported as required by law.

James R. Metzger, M.D.

License No. 29735

Issue: Amended Stipulation.

Outcome: A Second Stipulation and Final Agency Order ("Order"), was approved Panel A on December 6, 2001, amending the practice restriction of Respondent's first Stipulation and Final Agency Order. The Order is open to public inspection and does not constitute disciplinary action.

Ralph R. Round, M.D.

License No. 30227

Issue: Alcohol abuse.

Outcome: Panel B approved a Stipulation and Final Agency Order ("Order") on December 13, 2001, regarding Respondent's alcoholism. The Order is open to public inspection and reported as required by law.

John F. Speer, MD, Colorado Springs, CO

License #19496

Issue: Unprofessional conduct

Outcome: Letter of Admonition issued on December 13, 2001 for failure to respond in a timely manner to a complaint issued by the Board. The LOA is open for public inspection and reported as required by law.

Louise A. Thielen, M.D.

License No. 31052

Issue: Substandard charting.

Outcome: Panel A approved a Stipulation and Final Agency Order ("Order"), December 6, 2001, regarding Respondent's failure to make essential entries on patient records. The Order is open to public inspection and reported as required by law.

NOVEMBER 2001

William L. Cluff, D.O.

License No. 30596

Issue: Standard of Care.

Outcome: Panel A approved a Stipulation and Final Agency Order ("Order") on November 7, 2001 regarding Respondent's failure to meet generally accepted standards of medical practice. Respondent received a letter of admonition for unprofessional conduct and his medical practice is required to be monitored by a practice monitor for five years. Respondent is also required to undergo an educational assessment with the Colorado Personalized Education for Physicians. The Order is open to public inspection and reported as required by law.

Clara R. Epstein, M.D.

License No. 40083

Issue: Practice restriction.

Outcome: Granted a restricted license to practice medicine on November 7, 2001. Respondent is restricted from performing neurosurgical procedures as the primary surgeon and can only act as an assistant, unless and until she receives an unrestricted license in Colorado. However, upon entering a residency program, Respondent may perform any procedure as required by the residency program. This action does not constitute disciplinary action.

D. David W. Neece, M.D.

License No. 27053.

Issue: Standard of Care.

Outcome: Panel A issued a Stipulation and Final Agency Order ("Order") on November 7, 2001 regarding Respondent's failure to meet generally accepted standards of medical practice. Respondent received a letter of admonition for unprofessional conduct and his medical practice is required to be monitored by a practice monitor for five years. Respondent is also required to undergo an educational assessment with the Colorado Personalized Education for Physicians. The Order is open to public inspection and reported as required by law.

OCTOBER 2001

Christian R. Amoroso, M.D.

License No. 14452.

Issue: Practice restriction.

Outcome: Panel B approved a Stipulation and Final Agency Order on October 11, 2001, granting Respondent a medical license with a permanent practice restriction. Respondent is restricted permanently to the sole purpose of providing comfort care to terminally ill patients in an inpatient or home hospice setting. Respondent is also restricted from prescribing any controlled substances. This action does not constitute disciplinary action.

David W. Claassen, M.D.

License No. 15900

Issue: Standard of Care.

Outcome: Panel A issued a Letter of Admonition ("LOA") on October 4, 2001, regarding Respondent's failure to recognize the need for urgent medical care in a case and direct the patient directly to the hospital. The LOA is open to public inspection and reported as required by law.

Samuel W. Downing, IV, M.D.

License No. 13951

Issue: Standard of Care.

Outcome: Panel A approved a Second Stipulation and Final Agency Order ("Order") on October 4, 2001, permanently restricting Respondent from practicing obstetrics after December 31, 2001 and placing his medical license on probation until he permanently retires from the practice of medicine. The Order is open to public inspection and reported as required by law.

William L. Jurgens, M.D.

License No. 30705

Issue: Standard of Care.

Outcome: Panel B issued a Letter of Admonition on September 13, 2001 for Respondent's failure to see and evaluate a critically ill patient who admitted to the hospital with evidence of active gastrointestinal bleeding. The LOA is open to public inspection and reported as required by law.

SEPTEMBER 2001

Robert S. Arnold, M.D.

License No. 31819

Issue: Felony conviction and disciplinary action taken by another State licensing board.

Outcome: Panel B approved a Stipulation and Final Agency Order ("Order"), on September 13, 2001, whereby Respondent agreed to relinquish his medical license. The Order is open to public inspection and reported as required by law.

Andrew Ellias, M.D.

License No. 28329

Issue: Standard of Care.

Outcome: Panel A issued a Letter of Admonition on September 6, 2001, regarding Respondent's failure to physically examine a patient he admitted to the hospital via telephone for treatment of continued abdominal pain. The LOA is open to public inspection and reported as required by law.

Jeffrey Lance Elliott, M.D.

License No. 22428

Issue: Standard of Care.

Outcome: Stipulation and Final Agency Order ("Order"), was approved by Panel A whereby Respondent voluntarily surrendered his Colorado medical license on September 6, 2001, with right to reapply subject to conditions. The Order is open to public inspection and reported as required by law.

Lawrence Gorab, M.D.

License No. 17214.

Issue: Standard of Care.

Outcome: Panel A issued a Letter of Admonition on September 6, 2001, regarding Respondent's failure to timely schedule a patient for a cystoscopic examination. Subsequently, the patient was examined by another physician and found to have a bladder tumor. The LOA is open to public inspection and reported as required by law.

Byron D. Jones, M.D.

License No. 30302

Issue: Unprofessional conduct.

Outcome: Panel A issued a Letter of Admonition on September 6, 2001, regarding Respondent's failure to timely respond and address patients requests for need information regarding the patients' health status. The LOA is open to public inspection and reported as required by law.

Craig A. Reynolds, M.D.

License No. 25116

Issue: Standard of Care.

Outcome: Panel A issued a Letter of Admonition on September 6, 2001, for Respondent's departure from standard plastic surgical procedures. The LOA is open to public inspection and reported as required by law.

Thomas L. Schell, P.A.

Physician Assistant License No. 505

Issue: Standard of Care.

Outcome: Panel A issued a Letter of Admonition on September 6, 2001, regarding Respondent prescribing a controlled substance other than in the course a legitimate professional practice. The LOA is open to public inspection and reported as required by law.

Jonathan W. Singer, D.O. License No. 29309

Issue: Failure to comply with a Board Order.

Outcome: Panel A issued a Letter of Admonition on September 6, 2001, regarding Respondent's failure to comply with a Board Order that requires respondent to ensure all practice-monitoring reports are complete and submitted to the Panel in a timely manner. The LOA is open to public inspection and reported as required by law.

Shawn Willson, M.D.

License No. 36177

Issue: Stipulation and Final Agency Order

Outcome: On September 13, 2001, Panel B accepted Respondent's voluntary relinquishment of her Colorado medical license. Respondent may reapply for licensure in Colorado at any time, subject to the existing Stipulation and Final Agency Order. This relinquishment is open to public inspection. This relinquishment is not disciplinary action and not reportable to the National Practitioner Data Bank.

AUGUST 2001

Robert L. Campbell, D.O.

License No. 14481

Issue: Standard of care.

Outcome: A Stipulation and Final Agency Order ("Order") approved by Panel B on August 10, 2001, requiring Respondent to successfully complete re-education activities. The Order is open to public inspection and reported as required by law.

Durand J. Kahler, D.O.

License No. 21739

Issue: Final Board Order issued on January 11, 2001.

Outcome: On August 21, 2001, Respondent completed serving the six-month suspension period (February 21, 2001 through August 21, 2001) ordered by the Board on January 11, 2001. Respondent's Colorado medical license is active with conditions.

Debra A. King, M.D.

License No. 33983

Issue: Unprofessional conduct.

Outcome: Letter of Admonition (LOA) issued on July 12, 2001, for unprofessional conduct in failing to respond to a Board inquiry in contravention of section 12-36-117(1)(gg), C.R.S. The LOA is open to public inspection and reported as required by law.

James L. Lear, M.D.

License No. 27797

Issue: Alcohol dependence/mental or physical disability.

Outcome: A Stipulation and Final Agency Order ("Order"), was approved by Panel A on August 8, 2001, whereby Respondent agreed not to practice medicine based upon his medical disability until such time it is determined he is safe to return to the practice of medicine. Should the Respondent return to the practice of medicine, his Colorado medical license will be subject to restrictions as set forth in the August 8, 2001 Order. The Order is open to public inspection and reported as required by law.

John McMahon, M.D.

License No. 27593

Issue: Inadequate charting.

Outcome: Letter of Admonition (LOA) issued on August 10, 2001, regarding Respondent's lack of clear, complete and appropriate documentation of a patient examination, assessment and plan. The LOA is open to public inspection and reported as required by law.

Stephen W. Moersen, P.A.

License No. 19

Issue: Felony conviction/mental or physical disability.

Outcome: A Stipulation and Final Agency Order ("Order"), approved on August 8, 2001, placing Respondent's physician assistant license on a five-year probation with monitoring. The Order is open to public inspection and reported as required by law.

Gary A. Oglin, M.D.
