Re: Disclosure Letter, Docket No. 081-420EG

I'm submitting this disclosure letter in Docket 081-420EG pursuant to Commissions Decision No. C08-0903, paragraph 21. This disclosure is being filed within two days following a permitted *ex parte* communication with a Commissioner. As prequired, this disclosure letter states the time, date, and place of the meeting, lists the persons attending, and contains a summary description of the topics discussed. No written materials were provided at the meeting.

This letter shall serve of disclosure of the communications between Rebecca English and Eric Huber of the Rocky Mountain Chapter of the Sierra Club, and Commissioner Matt Baker on October 27, 2008, from 2:00 to 2:45 pm at the offices of the Public Utilities Commission ("Commission"). Rebecca English is a volunteer with Sierra Club who chairs the statewide energy committee and serves on the Chapter's executive committee. Eric Huber is on the national staff of Sierra Club, working in the Southwest office located in Boulder, Colorado. Commission staff member Geri Santos-Rach also attended.

The purpose of the meeting was to discuss potential individual and Sierra Club input for implementing Senate Bill 07-22 (Section 40-3-106 C.R.S.) across all regulated gas and electric utilities. Various partnering opportunities for Sierra Club's input were discussed, and it was decided that Rebecca English and Sierra Club would provide formal input on the docket at a later date. It was also decided that Rebecca English and Sierra Club would participate in the Customer Incentive docket as well.

Sincerely,

A handwritten signature in cursive script that reads "Rebecca English". The signature is written in black ink and is positioned above the typed name and title.
