**COMMISSION DECISION

Adopted Date: October 11, 2023

I. BY THE COMMISSION

A. Statement

1. This matter comes before the Commission for consideration of a Joint Application filed by FastTrack Communications, Inc. (FastTrack) and Vero Broadband, LLC (Vero), on August 30, 2023.

2. The Applicant's requests Commission authorization for the approval of the transfer of FastTrack to Vero. According to the filing, Vero will purchase 100 percent of the shares of FastTrack, where operations will be fully folded up into Vero.

3. We will construe this filing as an application for approval of the Transfer of FastTrack to Vero pursuant to 4 *Code of Colorado Regulations* 723-2-2110 of the Commission's Rules Regulating Telecommunications Services and Providers of Telecommunications Services.

4. FastTrack was granted a Certificate of Public Convenience and Necessity (CPCN) and a Letter of Registration (LOR) in Proceeding No. 03A-248T with Decision No. C03-0781 on July 18, 2003.

5. Vero holds two Commission-issued CPCNs. Vero Broadband, LLC's affiliate, Vero Fiber Networks, LLC obtained a CPCN in Proceeding No. 17A-0878T with Decision No. C18-0093 on February 7, 2018. Commission granted CPCN transfer filed by San Isabel Telecom, Inc. in Decision C21-0835 on December 30, 2021. Additionally, the Commission granted a transfer filed by Clearnetworkx, LLC in Decision No. C23-0342 on May 24, 2023.

6. Applicants request Commission approval of the transfer of FastTrack's Commission Issued Authorities to Vero.

7. On September 1, 2023, a notice of the Joint Application was provided to all persons, firms, or corporations interested in or affected by the grant or denial of the requested relief. Interventions were due on or before October 3, 2023. No interventions were filed.

B. Discussion

8. The Commission has jurisdiction over this Joint Application pursuant to §§ 40-5-105, 40-15-204, and 40-15-303, C.R.S.

9. The application contains all of the information required by the applicable Commission Rules and is therefore deemed complete.

10. The application is unopposed and therefore may be considered without a formal hearing, pursuant to § 40-6-109(5), C.R.S.

11. Applicants request Commission approval of the transfer of FastTrack to Vero.

12. The application represents that the Transfer will result in FastTrack's operations fully folding up into Vero Broadband, LLC. Customers will see no practical change occur as a result of the transaction. FastTrack does not have any residential customers in Colorado.

13. FastTrack is a competitive provider with commission-issued authorities. Except for limited circumstances (such as for providers that are recipients of state high-cost support and for the provision of basic emergency services), certifications to provide basic local exchange services are no longer regulated by the Commission. *See* § 40-15-401(1)(b), C.R.S. Similarly, the provision of any other emerging competitive services such as advanced features, premium services, intraLATA toll, non-optional operator services, and private line services, except switched access services and basic emergency services, are no longer regulated by the Commission. *See* §§ 40-15-401(1)(e), (k), (n), (o), (s), (t), C.R.S. Consequently, the Commission does not have the authority to approve the transfers of the CPCNs or those parts of the LORs addressing advanced features, premium services, intraLATA toll, non-optional operator services, and private line services.

14. Switched access services and the provision of basic emergency services have not been deregulated. As a result, we have the authority to review and approve/deny the transfers and encumbrances of the part of authorities held by providers that address those services.

15. We remind applicants that public utilities remain subject to Commission oversight that includes but is not limited to reporting and payment obligations to the Colorado High-Cost Support Mechanism and the Telecommunications Relay Services Program.

16. We find that the proposed transfer of the telecommunications authorities held by FastTrack to Vero is not contrary to the public interest and therefore grant the Joint Application for

transfer to that extent. Entities that hold Commission-issued authorities remain obligated to comply with any applicable requirements or regulations as stated in Article 15 of Title 40.

II. ORDER

A. The Commission Orders That:

1. The joint application to transfer filed by FastTrack Communications, Inc. and Vero Broadband, LLC is deemed complete. The request to transfer, including the Commission-issued authorities held by FastTrack Communications, Inc. to Vero Broadband, LLC is granted.

4. This Decision is effective on its Mailed Date.
