~~**RULE (4 CCR) 723-3-1. APPLICATION OF RULES.**~~

~~723-3-1(a) — The following rules shall apply to any person, co partnership, cooperative electric association, non-profit electric corporation or association, firm, corporation, their lessees, trustees, or receivers appointed by any court, now or hereafter engaged in the business of a public utility furnishing electricity to domestic, commercial or industrial customers operating under the jurisdiction of The Public Utilities Commission of the State of Colorado.~~

~~723-3-1(b) — The adoption of these rules shall in no way preclude the Commission from altering or amending the same in whole or in part or from requiring any other additional service equipment, facility or standard, either upon complaint or upon its own motion, or upon the application of any utility. In special cases, for good cause shown, not contrary to statute, the Commission may permit deviation from these rules insofar as it may find compliance therewith to be impossible, impracticable or unnecessary. If, for good cause shown, any utility is permitted a deviation from any of these rules, such modified rules as authorized by the Commission shall be set forth in the filed tariffs of the utility. Furthermore, these rules shall not in any way relieve any utility from any of its duties under the laws of this State.~~
