

Decision No. C04-0811

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF COLORADO

DOCKET NO. 04T-294

IN THE MATTER OF THE REPORT FOR APPROVAL OF INTERCONNECTION
AGREEMENT BETWEEN QWEST CORPORATION AND ZIPPYTECH INCORPORATED.

**DECISION GRANTING JOINT MOTION FOR
APPROVAL OF AMENDMENT
TO THE INTERCONNECTION AGREEMENT**

Mailed Date: July 26, 2004
Adopted Date: July 20, 2004

I. BY THE COMMISSION

A. Statement

1. This matter comes before the Commission on the joint motion of Qwest Corporation (Qwest) and ZippyTech, Incorporated (ZippyTech), for approval of an Amendment to their Interconnection Agreement (Agreement). The Agreement was initially filed on June 4, 2004 and approval is pending.

2. This motion seeks approval of rates, terms, and conditions for Field Connection Point, Collocation Available Inventory, Special Promotional Rates for Available Inventory of Collocation Sites, and Shared Distribution Loop. The Parties filed this voluntarily negotiated Amendment on June 14, 2004, pursuant to 4 *Code of Colorado Regulations* 723-44-4. Rates are as found in Exhibit A of Qwest's Ninth Revised Statement of Generally Available Terms and Conditions.

3. Under the terms of 47 U.S.C. § 252(i) of the Telecommunications Act of 1996 (the Act), ZippyTech may at some future date opt into terms and conditions of Commission approved and currently effective agreements:

[a] local exchange carrier shall make available any interconnection, service, or network element provided under an agreement approved under this section to which it is a party to any other requesting telecommunications carrier upon the same terms and conditions as those provided in the agreement.

4. Section 47 U.S.C. § 251 *et seq.* of the Act requires that the Commission review and approve or reject interconnection agreements involving incumbent local exchange carriers like Qwest. To comply with the Act, rates in negotiated agreements must be just and reasonable, nondiscriminatory, and based on the cost of providing the interconnection or network element. 47 U.S.C. § 252(e). In reviewing agreements (or portions thereof) the Commission generally is guided by 47 U.S.C. § 252(e)(2), requiring that interconnection agreements not discriminate against non-parties and be consistent with the public interest, convenience, and necessity.

5. The Commission has not previously approved all of the amended rates and conditions proposed here. However, we find it consistent with the directives of the Act and our own interconnection agreement rules to approve the present amended terms and conditions subject to our own rules and general ratemaking proceedings.

II. ORDER

A. The Commission Orders That:

1. The joint motion of Qwest Corporation and ZippyTech, Incorporated to amend their Interconnection Agreement is granted.

2. This Order is effective upon its Mailed Date.
